FREQUENTLY ASKED QUESTIONS:

How do I find out how my child is doing in a particular class?
You can contact the teacher of that class by emailing the teacher directly or calling the main office and leaving a call back number for him or her to return your call. Teachers have a webpage with their contact info on it. You can find a particular teacher's page at this site: **https://north.mpschools.org/about/staff-directory**

Campus Parent is another very useful way of finding out how your child is doing academically in a class. It is a new online system where you can monitor your child's real-time daily attendance, class assignments, and grades. Teachers are required to keep grades updated weekly. To create a Campus Parent Portal account please go to: **https://source.mpls.k12.mn.us/student-and-parent-portal** and follow the instructions. If you have any questions or need assistance, call the family liaison (number above).

Whom do I contact if I have an issue with another student's behavior toward my child or my own child's behavior?
North High has a dean dedicated to support behavior for students in each grade level. You can reach out to your child's dean by calling the main office to connect to, or leave a message for them. In most circumstances, you can expect to hear back within 24 hours.

When can I expect my child's grades to be sent home?
Teachers submit grades at the end of each quarter. Report cards are then generated and mailed home by the district approximately a week after the quarter has ended. To check the calendar for when each quarter ends, please go to: **mpls.k12.mn.us/calendars** and click on the calendar for the current school year. If you do not receive your child's grades, please call the main office. Parents can also look up grades using the Campus Parent referenced above.

What if I want to visit the school and stop in on one or more of my child's classes – what is your policy?
Parents/Guardians are most welcome to come to the school. We encourage parent involvement and presence. However, so as not to interrupt a teacher's instruction time, parents are asked to pre-arrange the visit with the teacher. For conversations with a teacher about your child, please schedule those with the teacher *outside* of class instruction time.

IMPORTANT: Because we value safety, all visitors including parents must: ***1) Check in at the front desk, receive and wear a visitor's badge while in the building. 2) Go to the main office and receive an escort to the class or space you are visiting.***
