**Treasurer Report: Camille Sanders**

February expenses were \$734.50 on National Dues (\$18) and PTC Dinner (\$716.50). We earned memberships (\$12), \$3,272.32(Book Fair) for a total income of \$3,288.23.

**Principal Report: Mr. Adams**

The district reinforced the Gaga Pits to help keep them mounted to the ground and also reinforced some of the latches and hinges after having the students play on them for a little bit and seeing what needs adjusting. But the kids are really enjoying playing in them. Discussed switching playground days so the younger kids can have a chance to play with them as well.

Boundary Variance ability will be based on teacher count, and we should know those numbers by the end of the month and then Mr. Adams will be able to get back to anyone that has applied.

Kindergarten Registration is today. Mr. Adams asked about whether or not we felt like information for that had gotten out. Everyone said that they had. It was the first year that new student registration was completely online. So, if you have a kindergartener registering or for existing students, at the beginning of the year, you will need to fill out forms on power school. Go to the left-hand side scroll down to forms and fill out any that are there.

Literacy night went really well. We had a big turn out. It was crowded which hopefully will be better next year when the student count is lower. Talked about how to spread the crowds out a little bit. Hopefully that night helped students and parents get excited about reading.

### **Teacher/Staff Report: Miss Littlewood**

Teachers continue to turn in their receipts. Miss Littlewood collected the sizes for T shirts of the teachers for the Fun Run. Teachers really appreciated the dinner during PTC's.

Monday: Tic Tac Toe

Tuesday: Sign a Pledge to use kind words

Wednesday: Wear White

Thursday: Turn off Screens and Turn on something active

Friday: Dress like a superhero and Photo Booth at lunch

We will need volunteers to help with some of the activities in Monday(2), Tuesday(1), Wednesday(1), Friday(1).

If your student brings the form backed signed, by the end of the week, they can earn a free pass to Fly High.

### **Fun Run: Sandy Green**

The earnings from the fun run will be divided proportionally and given to each of the 3 elementary schools that Kanessville students will attend next year. Brainstormed ideas of incentives for both teachers to give and receive. Decided on doing the dude perfect wheel for the school wide goal reward. Look into getting a mascot to be there for the day.

**Field Day: Sandy Green**

Talked about whether or not kindergarten will be participating in field day. We will know more about field day at the end of the week. But we want teachers to start asking for field day volunteers. Still deciding on the date and the exact format.

**Book Fair: Val Fielding**

Book fair was successful. Back to pre-covid numbers. BOGO book fair will be April 17-19<sup>th</sup>.

**PTC Dinner for Teachers: Karly Leishman**

Dinner was Costa Vida and the food was great but the delivery was 40 minutes late. But we were able to get a 30% discount for the late charge. Going to use that money towards teacher appreciation week. The teachers liked having it in the library.
