Tickets

Most events are free but we always welcome donations. You can register for events online through [Eventbrite](#).

Get in Touch

If you or a friend require a particular form of support, have any access or seating requests, please contact us at least 2 weeks in advance on info@pallasprojects.org or message us on Instagram.

Venue

Pallas Projects gallery is on the ground floor at 115-117 The Coombe, at the rear of the BIMM building. Access is through a lane beside St Brigid's Primary School, at the corner of St Luke's Avenue and The Coombe. It is wheelchair accessible with step-free access.

There are two speed bumps on the entrance lane, which has a slight incline. Full travel details below.

Service Animals welcome. Please attend scent free.

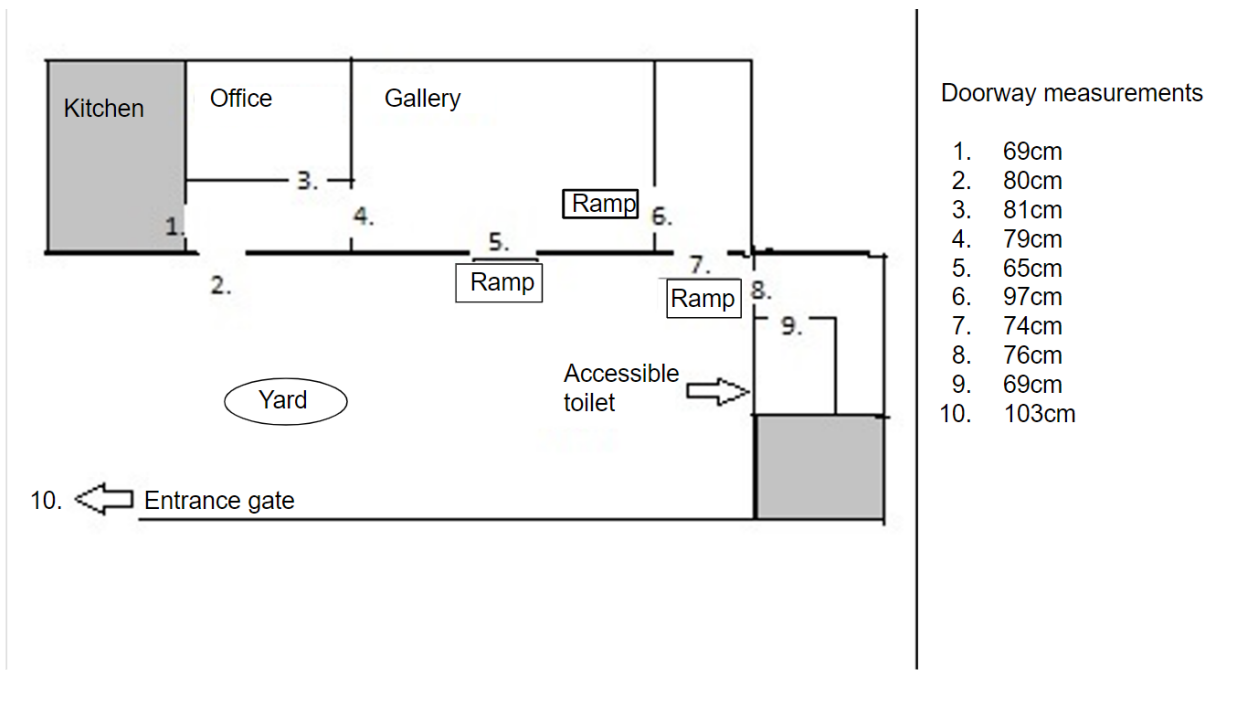

Masks

If you can wear a mask we kindly ask that you do inside the gallery for the protection of our guests and staff.

Location

📍 Pallas Projects/Studios

Door Accessibility:

- 10. Front Gate: entrance to courtyard - 103cm wide
- 5. Main Gallery door: 65cm wide, with concrete ramp inbuilt

Bathroom Access:

At the end of our courtyard is a blue door into the Annex where a toilet is located.

8. It is 76cm wide with 5ft folding wheelchair ramp

9. Annex Toilet Door - 69cm wide

Width of doors may not be suitable for all wheelchairs.

Bathrooms

There are accessible, gender non-segregated bathrooms.

The accessible toilet is located through a blue door labelled “Studios 17-18” It is a door on the left at the back of the courtyard. When exiting the gallery it will be on your left. There is a 5ft wheelchair ramp available for this door and adjoining studios which both otherwise require 1 step for access.

The toilet door has a twist handle and hook lock.. Inside there are two grip rails on either side of the toilet, the one on the left being able to pull down for optional use and the one on the right being mounted to the wall. The wall mounted grip handle is 92cm high with the pull down handle at 91cm high. There is a seat riser on the toilet seat which reaches 50cm, and a toilet paper holder on the wall to the left at 70cm high.

To the left of the toilet is a pull-cord alarm to request assistance in case of an emergency. Pulling this cord will sound a loud alarm to notify personnel and can be stopped by pressing the glowing red triangular button mounted on the wall.

The sink reaches 78cm high and the depth from the sink to the tap is 30cm. Beside the sink is a lowered paper

towel roll holder at 92cm high, as well as an open top bin located underneath the sink.

Relaxed Environment

Pallas is a relaxed environment. You are welcome to come and go as you need to and are welcome to stretch, pace, stim and make noises.

How To Get To Pallas Projects

Travelling from the city centre we are located just before the turn off for Cork Street, at the corner of St Luke's Avenue. Here you will see a laneway and signage for Pallas Projects and BIMM College. We are located behind BIMM.

Gallery hours are 12–6pm, Thursday–Saturday during exhibitions, and usually 6-8pm for Preview events.

If you arrive at any time and gates are closed please use the intercom on the left side of the front gate if shut, otherwise proceed up to the end of the lane to a black gate on the left hand side under a tree. Before the gate, attached to the wall is an intercom 110cm high.

There are two speed bumps on the lane, which also has a slight incline. The lane is 50m, approximately 1 minute walk.
