

If you are a parent with kids at home and are unsure of what the next few weeks might look like, our children's pastor has put together some resources for you to utilize!

Everything is linked straight to the source - links are marked in blue.

If you find anything that you think should be added - let us know please! Just send us a message over on our [Facebook page](#)!

[Atlantic White Shark Conservancy](#)

The Atlantic White Shark Conservancy has new home-enrichment activities every single week! Just check out their Facebook page linked above and see what's going on.

12 World-Class Museums You Can [Visit Online](#)

[Here is the link](#) to a page listing all the museums you can take virtual tours of! Don't just stop with the tours, have your kiddos make a PowerPoint of their museum of choice/their favorite piece of art and have them do more research online! Have them be the teacher and let them teach you and your family something new!

[Texas Elementary Principals & Supervisors Association](#)

TEPSA has a handful of resources on their own page and shares what other educators are doing during the week to help engage kids during at home learning!

[Scholastic Learn at Home](#)

Daily lessons and activities based on grade level, including digital books!

"Even when schools are closed, you can keep the learning going with these special cross-curricular journeys. Every day includes four separate learning experiences, each built around a thrilling, meaningful story or video. Kids can do them on their own, with their families, or with their teachers. Just find your grade level and let the learning begin!"

[Science - Mystery Doug](#)

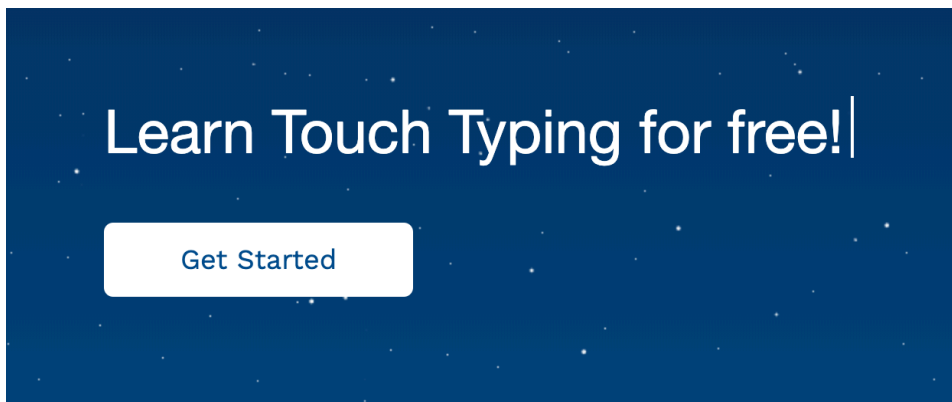

Short, 5 minute science videos! On the website is a link to a starter list of K-5 science lessons that are easy to do at home is now free; no sign-up or log-in required.

[Science - National Geographic Kids](#)

Website full of resources! Games, videos, quizzes, and so much more!

[Writing - Typing Club](#)

“TypingClub is the most effective way to learn how to type. It is web based and highly effective. TypingClub is (and will always be) free for individuals.”

History - HistoryforKids.net

“The website is packed with articles, worksheets and even a quiz on each section. You will find cool games, videos, worksheets on many historical events that will help you understand those that have gone before us.”

PBSkids.org

Games, videos and now you can sign up to get daily activities and tips to help kids play and learn at home!

[Prayer - 5 Finger Prayer](#)

The 5 Finger Prayer

Thumb: Those closest to you, your family.

Pointer: Those that point you in the right direction (teachers, doctors, priests) ask for wisdom & support.

Index: (tallest) Those that lead us, (Government) ask for guidance & wisdom.

Ring: (weakest) Those that are weak, in trouble, or in pain. We cannot pray too much for them.

Pinkie: (smallest) Our prayers for ourselves & our own needs.

Try this classic prayer model to help children and preschoolers learn to pray!

[100 Most Popular FREE Children's Ministry Resources](#)

Valued By God

A free faith-based kids app called VBG (Valued By God) which has all of my music and teaching videos, and a great variety of video-based ways of putting the right stuff into our kids' heads. (Animated stories and Bible Stories, animated scriptures, puppets, interactive lessons, object lessons, downloadable coloring pages, etc.) VBG can be used on any mobile device and can also be viewed from the web version. Go to ValuedByGod.com to browse through it and/or download the actual app. What started out as a ministry to reach kids fighting life's toughest battles is now quickly morphing into a ministry to ALL kids! (VBG is also available in any app store.)
