

# Astro controversy

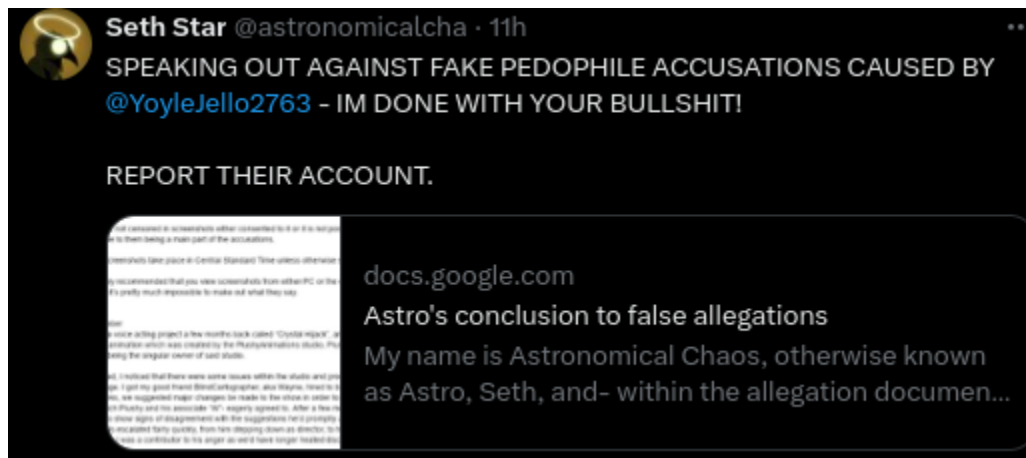

Cw- mentions of pedophilia

(Some information given was shared in a Discord conversation between the people Eclipse, MaggieDuncan123, Plushy and a few who wish to remain anonymous)

MaggieDuncan123 and Eclipse, feeling the need for a balanced discussion on the situation, decided to take proactive steps to gather diverse viewpoints. They created a dedicated Discord server and invited Plushy, along with another individual whose insights they valued, to join the conversation. This approach aimed to foster a comprehensive dialogue, ensuring that all sides of the issue were represented and considered. By involving multiple perspectives, MaggieDuncan123 and Eclipse hoped to reach a more informed and equitable understanding of the matter at hand. Btw he changed his name to Lyjo Grey, but it's still Seth.

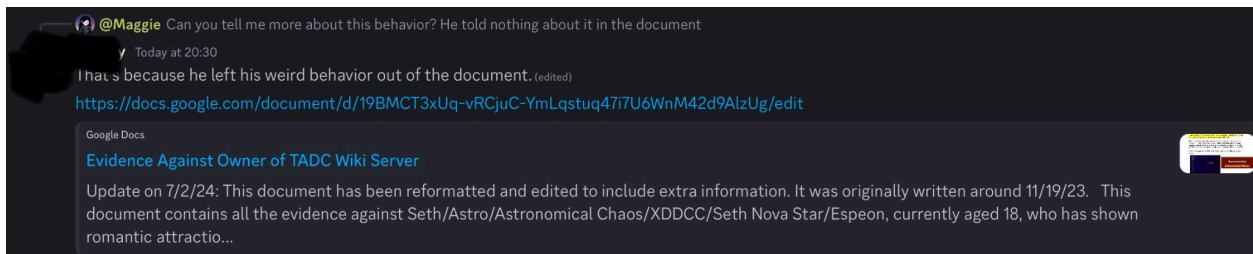

Please do NOT harass anybody involved

This was put together by Eclipse and Maggie.

## Eclipse's and Maggie's main suspicions/points

1. Telling people to mass report someone after a drama isn't a good way to handle things at all.
2. There have been situations/dramas surrounding Seth before.
3. Seth doesn't have the cleanest record.
4. Lack of evidence in the document.

Main pointers from the Doc:

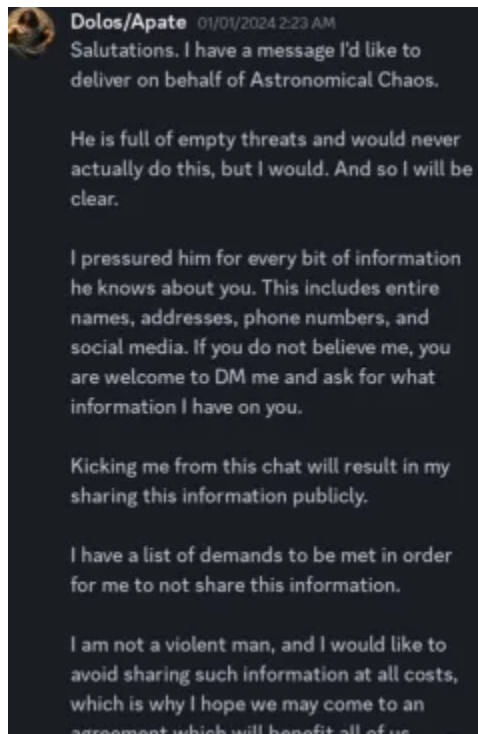

Astro was aware the people he was messaging were MINORS. Between the ages 13-15. He said that he

## Doxxing.

Seth has tried to Doxx 3 people. Some of them wish to stay anonymous. According to Winter, Seth tried to doxx all 3 on New Years. Plus 2 others. Doxxing is a very serious matter. As you can read, Dolos was sent on behalf of Seth, and he had a list of demands. This is practically black mailing a minor, trying to ruin their life. Seth, and one other person who we do not know, got together in order to gather as much information on the minors as possible, to use for black mailing. Not a good look at all. Some have said that Dolos is just Seth on a different account, to say under cover. But it's clear that even if Dolos isn't

Seth, Seth was a part of the doxxing. "I have this message I'd like to deliver on half of Seth"

**Dolos/Apate** 01/01/2024 2:23 AM  
Salutations. I have a message I'd like to deliver on behalf of Astronomical Chaos.

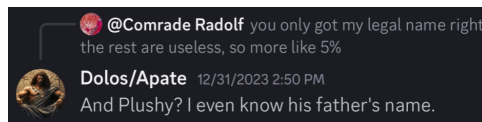

He is full of empty threats and would never actually do this, but I would. And so I will be clear.

I pressured him for every bit of information he knows about you. This includes entire names, addresses, phone numbers, and social media. If you do not believe me, you are welcome to DM me and ask for what information I have on you.

Kicking me from this chat will result in my sharing this information publicly.

I have a list of demands to be met in order for me to not share this information.

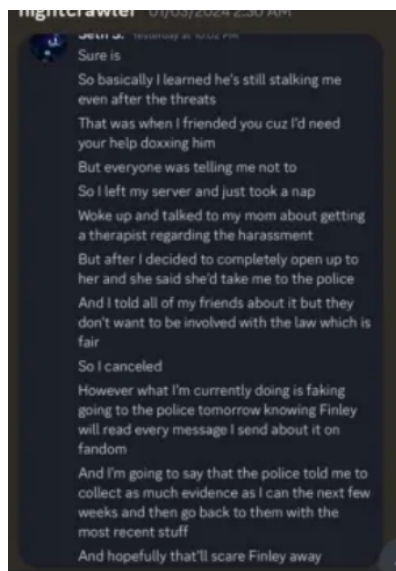

I am not a violent man, and I would like to avoid sharing such information at all costs, which is why I hope we may come to an agreement which will benefit all of us.

**@Comrade Radolf** you only got my legal name right, the rest are useless, so more like 5%

**Dolos/Apate** 12/31/2023 2:50 PM  
And Plushy? I even know his father's name.

<-----A little too far.

**nightcrawler** 01/03/2024 2:07 AM

Sure is

So basically I learned he's still stalking me even after the threats

That was when I friended you cuz I'd need your help doxxing him

But everyone was telling me not to

So I left my server and just took a nap

Woke up and talked to my mom about getting a therapist regarding the harassment

But after I decided to completely open up to her and she said she'd take me to the police

And I told all of my friends about it but they don't want to be involved with the law which is fair

So I canceled

However what I'm currently doing is faking going to the police tomorrow knowing Finley will read every message I send about it on fandom

And I'm going to say that the police told me to collect as much evidence as I can the next few weeks and then go back to them with the most recent stuff

And hopefully that'll scare Finley away

Seth admitting that he was a part of the doxxing. He even admits to faking going to the police, knowing Finley (one of the people doxxed) will read the messages about it at random. He does all of this to "scare Finley away" Reminder: Finley did nothing wrong besides a couple mean-spirited comments. Apparently, their beef goes far. But no matter what beef you have, you should NEVER dox.

## Seth is not a good admin

Now, Seth, if you are reading this... we do not mean this in a rude way at all, we just feel like you have fallen from grace.

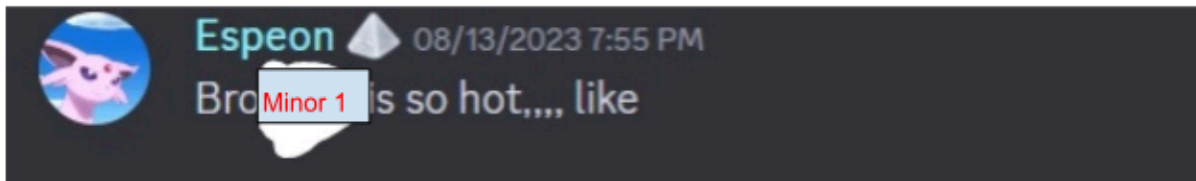

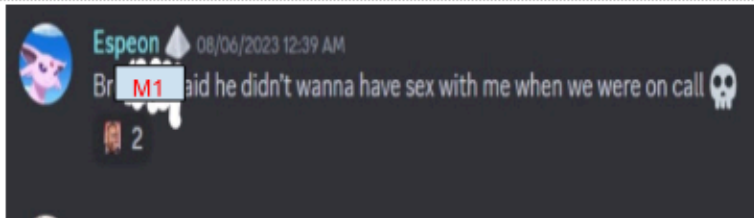

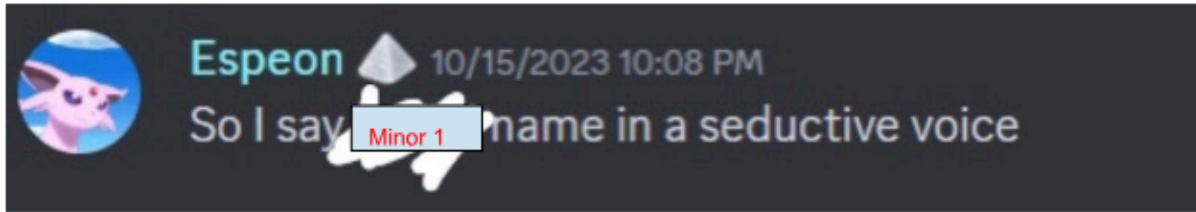

1. Banning writing on the murder drones wiki unless it's on weekends - the whole thing is just silly, seth is basically not allowing a core part of fandom culture on his FANDOM wiki
2. Seth running a lot of fandom wikis- running a lot of fandom wikis isn't bad but... if you aren't prepared to be an active member of any you shouldn't be running as many or maybe any at all.
3. Letting friends get away with fandom violations.
4. Doesn't take anything seriously

The problem is that when he doesn't like you, he can very well turn into the worst person you'll ever meet. I remember reading messages from him towards people that most of the time were kids (between 13 and 15 yo) that were extremely mean and harsh. He's sent a DM to one of them saying he regretted convincing him of not k\*lling himself one day because he said something about him that he didn't like (no matter what he said, you don't talk like that to a kid, especially in a position such as yours). So yeah, what disturbs me with this guy is that he behaves way too immaturely and shows way too little class for someone in his position. (edited)

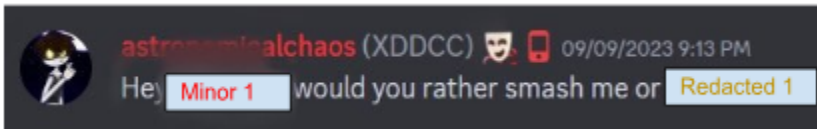

Evidence for 3- Seth is a crap admin. I've heard stories from basically everyone about how terrible he is. And, many always thought that you shouldn't care about who he is. Then he, like Gojira, gets away with a NSFW comic that he **SHOULD HAVE BEEN BANNED FOR**. Or at the very least given a warning, but none. Is it because Gojira is his friend? Yep..

## Weird/Suspicious Messages sent to Minors.

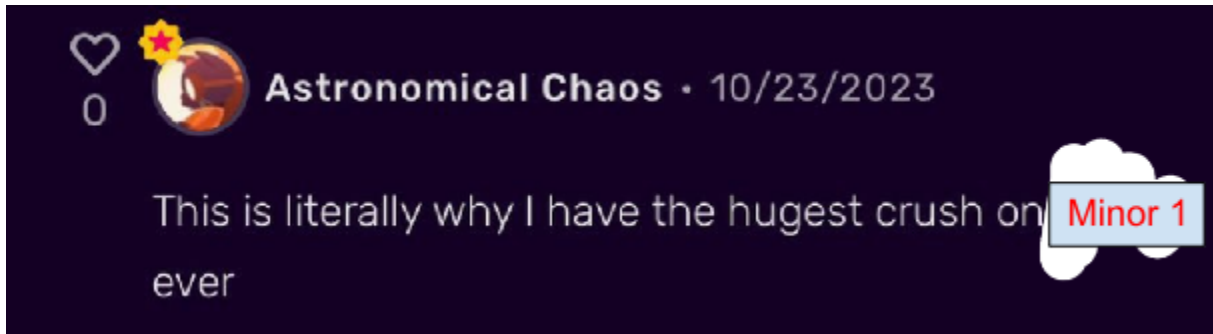

This first message is when he was 18, officially. The rest are from when he was 17.

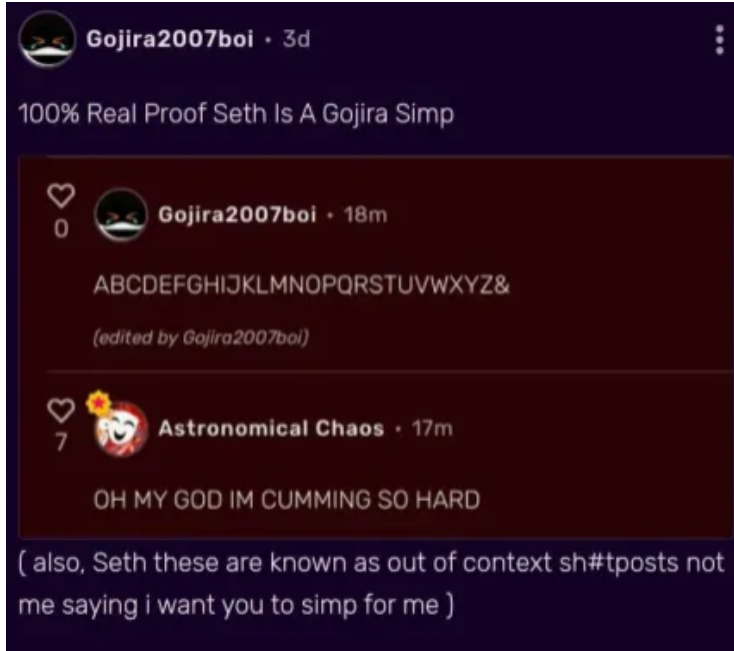

(Espeon is Seth)

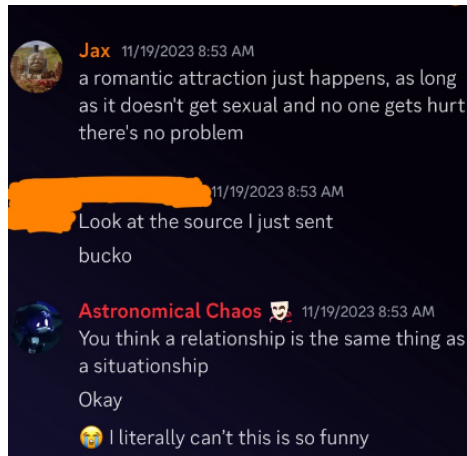

In all fairness, this message was sent when he was late 17, his birthday being 9/19.

This was when he was 18. Not a good look. Huge thanks for the original document for these screenshots above.

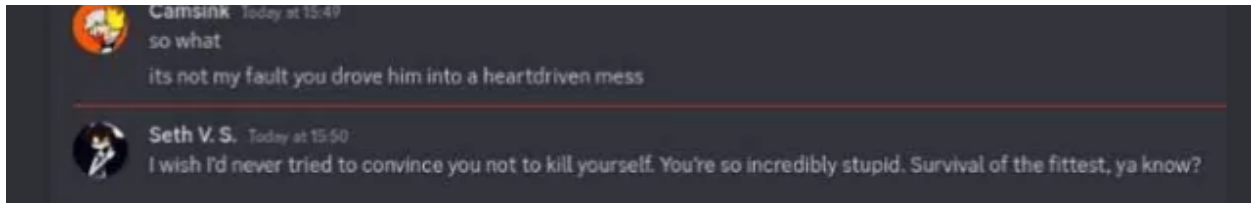

Gojira was born in 2007, making him either 17 or 16 depending on his date of birth. Very suspicious overall. In his document([https://docs.google.com/document/d/1FY4LDGFcKXEM5\\_pVVo5cCnDh6jt5X9Vzfu0Btz1BoUs/edit](https://docs.google.com/document/d/1FY4LDGFcKXEM5_pVVo5cCnDh6jt5X9Vzfu0Btz1BoUs/edit) if you want to read it) he keeps repeating he wasn't in a relationship with the minor he was talking

too. But, he did in fact say it was a situationship. seriously

←←Not taking it

## Being an overall TERRIBLE “friend”

Seth saying he wished he never convinced his *friend* to not kill himself. Basically saying that he wishes that Cam, (the friend) killed themselves. On multiple occasions, he is seen talking behind his friend's backs.

first off, i wanna say how HUGE OF A FUCKING SELFISH PRICK seth is. he would guilt trip and suicide bait and i would free up time from my schedule just to be there for him. i failed classes, lost sleep and got into arguments with my (irl) friends because i gen thought seth needed it. i helped him make the google doc for his doxxing in november last year, where NONE OF HIS CULT EVEN LIFTED A FINGER to help him. he NEVER saw me as a friend, and would hang with his cult while my dms were radio silent. i saw users he only met for like, a day, that were introduced into his cult, while i *had* to beg him if i could join. he said no. i was confused and hurt. i spent so much on him, and he willingly befriended others he met for only a day? i had to beg him to talk to me. discord dms or message walls, hed ignore or give a very dry reply. i was beyond hurt at this point.

The person who sent this was a mod on the wiki, and now hates Seth with a passion. You can clearly see how Seth manipulated them. Overall a terrible friend, and I hope his current friends don't have to go through that
