

Event Details

Georgetown-to-Austin Moral March for Democracy July 27 - 31, 2021

We are so excited you will be joining us for the Georgetown-to-Austin Moral March for Democracy. We wanted to share some important event details with you, including the agenda, march route, and reminders.

IMPORTANT: We are requiring that everyone who participates in the march from July 28-30 show proof of vaccination. (This can be just a picture of your vaccination card on your phone.) You will be required to present this at check-in. Masks must be worn while on the shuttle bus and inside any facilities. [Please click here](#) to view the full list of COVID safety protocols.

Please note that each day will start with a 6:00 AM Interfaith Prayer and Centering, and marching will begin at 7:00 AM.

You may park your car at the starting point each day. The shuttle buses will be returning you to your cars once you are finished walking. Please be sure to arrive at least 45 min before your marching time begins, so you can get checked in.

Meals will be provided throughout the day.

Water and snacks will also be provided along the route.

The shuttle buses are ADA-compliant and will be shuttling marchers to and from the march route continuously, in addition to bathroom stops along the way.

Medical staff will be onsite in case of emergency.
