Agenda Items & Notes:

CEP- Monitoring and Continuous Improvement Planning:

MOY Data: Grades 3-5 MAP ELA/Math data is not completed at this time due to make ups still taking place. Grades K-2 Acadience Math data is complete. In Kindergarten, 65% of students are at or above benchmark which is an increase of 24%. ELLs are 50% proficient, which is up 38%. SWDs are 45% proficient, which is up 2%. Kindergarteners went up to 75% proficient in beginning quantity discrimination and 64% in number identification fluency. In grade 1, proficiency is up to 64% proficient. ELLs increased to 66% proficient and SWDs went up to 41%. First graders are 42% proficient in number identification fluency, 45% proficient in next number fluency, 58% in advanced quantity discrimination, 63% in missing number fluency, and 64% in computation. In grade 2, students increased to 84% at or above benchmark. ELLs increased to 82% proficient and SWDs regressed to 40% proficient, which will become a goal for our CEP. Computation is up 2%, concepts and applications is now at 85% proficient. We will hold data chats with each individual teacher to look at the growth and create an action plan to continue that growth. Each teacher gets a spread sheet with their student data including data from the BOY and the MOY. We give them a sheet to help them analyze their data and we plan to adjust.

Title I/PAC: Parents attended a workshop with Joe Cantera. Parents are currently attending a series of workshops with PBS. 24 parents registered for this series. There are no remaining funds since it was set aside for these series of workshops for parents.

PTA: PTA meeting tomorrow and getting ready for the Valentine's Day sale before break on February 13 and 14. PTA is funding the picture day for 5th grade graduates.

*We are able to put air conditioning in the auditorium, gym, and cafeteria. This was finalized yesterday.
