

PRINCIPAL REPORT
2020-21

Mr. Tim Rodemeyer

TO: Emmetsburg School Board

FROM: Tim Rodemeyer Secondary Assistant Principal

RE: October 20th Board Report

Parent Teacher Conferences:

Parent teacher conferences are coming up at the end of the month. October 28th and 29th will be the two nights of conferences. Parents will again be able to sign up for conferences through an online platform. At the middle school, the conferences will be student led. The students go through their grades and class with their parents to discuss how they are doing in the class. This get students to evaluate their own learning and they take ownership in what they do in the class.

Middle School PBIS:

The Middle school PBIS team is starting a student PBIS group. These students will help with the creation of our PBIS Goals that we try each month. They will also help with choosing the rewards for these goals. This group is very important to the PBIS process. Having student voice is very important to our school culture. Student voice give the students ownership in our PBIS goals. It also helps us as teachers/administrators to see the things students find to be important in behavior and culture building.

End of 1st Quarter:

The end of the 1st quarter is this Friday Oct. 22nd. Parents can expect to see report cards sent home through their email. Teachers will be working at finalizing grades before conferences.

End of Fall activities:

Middle school sports are wrapping up. Football played their last game yesterday. Volleyball finished their season on the 14th and Cross Country ran in their Conference meet on the 16th. I want to congratulate all the students and coaches on having a great season. Winter activities will be starting up soon.
