New Business

- I. Karen Guanga | Executive Treasurer
 - A. A reminder for everyone on Table, when you host events mistakes can happen and things can go wrong. Regardless of what happens with an event, we want to make sure that you communicate with the vendors and keep them updated on any changes that may need to happen. It is important to communicate because it helps us keep the relationship with our vendors strong and it helps us ensure that we are spending our budget wisely.
 - B. Abdullah Mahdi: Many of our vendors are small scale, independent businesses. We want to make sure that they get paid for the services they provide in a timely manner. That being said, please keep Karen and I updated on any issues that arise with your events so that we can update the vendors. Just include Karen and I in emails in situations like this so that we know when to send the final invoice to the vendors as well.
- II. Jessica Yauri | President
 - A. Just wanted to give a shoutout to everyone who helped at my Fall Fun event today! I am excited to host it again in the Spring!
