

### **ACTIVITY: GROUP RESEARCH**

In this exercise, students will work in a team to complete a research assignment on a Google Doc. They will apply what they have learned about Google Doc and the key functions.

#### **Objectives:**

- Students will learn what Google Doc is and key functions.
- Students will practice how to use Google Doc to support their learning.

---

## **RESEARCH ASSIGNMENT**

### **GOOGLE DOC**

**NOTE:** Students will work in a team to practice research on the internet and how to use Google Doc to complete this writing assignment. The teacher will assign each team a topic selected from the list below. Therefore, students will have to research for sources that will help them to answer the questions below.

Students have to read and understand their sources and write in the Google Doc with their own words. In addition, students can use the template below to help organize their writing.

#### **List of topics/questions:**

1. World's First Robot Citizen
2. What is digital painting?
3. 5 tips to become a good student
4. Largest zoo in the world

## RESEARCH PROJECT

Team name: \_\_\_\_\_ Date: \_\_\_\_\_

Class: \_\_\_\_\_
