

2025–2026 Hall-Dale and Dresden Bus Routes

Hall-Dale bus routes will all be referred to by *route number*. While it is our goal to be consistent with bus and driver, because of staffing challenges, there may be occasions when it is necessary to have an alternative driver or bus. A student's *route number* will stay consistent unless a bus change becomes necessary, at which time we would follow procedure for the change. The procedure for bus changes will be communicated if and when it becomes necessary.

If you have any questions, please contact Paula Taylor, Transportation Director, at (207) 205-9644 or ptaylor@kidsrsu.org.
