Question 1 (Family Life - Reading): "Sarah's older brother is a veterinarian. He works at a clinic for small animals. He treats cats and dogs. He also gives advice to pet owners about healthy food. He works five days a week, but he is sometimes on call during the weekends for emergencies." Where does Sarah's brother work and when does he work? **Answer:** He works at a clinic for small animals. He works five days a week, but sometimes on weekends for emergencies.

Question 2 (Family Life - Vocabulary): Define the following work-related terms in your own words:

1. Workplace: _____
2. Work Routine: _____ **Answer:** 1. Workplace is the location or building where a person goes to do their job. 2. Work routine is the regular series of activities or tasks a person does every day at work.

Question 3 (Family Life - Writing): Compare two different jobs in your family (e.g., your mother's job vs. your father's job). Mention their workplaces and one activity they both do. **Answer:** My mother is a nurse and she works at a hospital. My father is an accountant and he works in an office. They have different workplaces, but they both use computers to record information every day. My mother helps patients, while my father manages money.

Question 4 (House & Neighbourhood - Reading): "I live in a cottage in a small village. My house is small but very peaceful. It has a beautiful garden with flowers. In the house, the kitchen is next to the dining room. There isn't a basement, but there is an attic for old things. The neighbourhood is very friendly." What part of the house is used for old things and which room is next to the kitchen? **Answer:** The attic is used for old things. The dining room is next to the kitchen.

Question 5 (House & Neighbourhood - Grammar): Correct the mistakes in the following sentences:

1. There are a big mirror in the bathroom. -> _____
2. My house is opposite of the school. -> _____
3. Is there any chairs in the kitchen? -> _____
4. The cat is sleeping under of the table. -> _____ **Answer:** 1. There **is** a big mirror... 2. ...opposite the school. (remove 'of') 3. **Are** there any chairs... 4. ...under the table. (remove 'of')
