# Discover The “Growth Triangle System” To Achieve *Fastlane* Growth Without Spending More Than 1 Hour Online Each Day…

Do you feel like no matter how many times you post a day, you can’t seem to get your brand to grow?

Are you growing decently, but you spend wayyy more time on Twitter than you’d like to?

Or maybe you’re growing decently, but you can’t keep up with your growth and you feel like you’re on a never-ending hamster wheel?

Either way, it suuucks…

And I’ve been you in all three situations.

👋 Hey, I’m Jay.

I’ve been writing online since 2020.

I’ve grown my audience to over 150,000+ people across Twitter, Instagram, and LinkedIn…

Worked with multi-7-figure business owners, founders, and thought-leaders, built a large newsletter audience, sold $$$$ in digital product sales.

And got followed by Conor McGregor.

The craziest part?

I did all that while still going to high school.

Building an online audience has changed my life.

So what's my secret?

I call it **"The Growth Triangle"**.

**Cue the oohs and ahhs**

After spinning my wheels for months *(and burning out a few times)*, I finally created a system that allows me to grow my audience and build authority WHILE still going to school full-time.

Would you like to see this system for yourself?

So you can achieve "Fastlane" growth while still having a life outside of Twitter?

Instead of having to buy it as a self-paced course and try to figure it out all by yourself…

You can learn it AND have me help you implement it on a 60 min call for just $250.

# Got questions? I've got answers…

### Q: "I'm a complete beginner, can you still help me?"

A: Absolutely. In fact, as a beginner, this will probably be the most beneficial to you as you have the most to learn. All of my systems apply to both advanced AND beginner-level writers and creators.

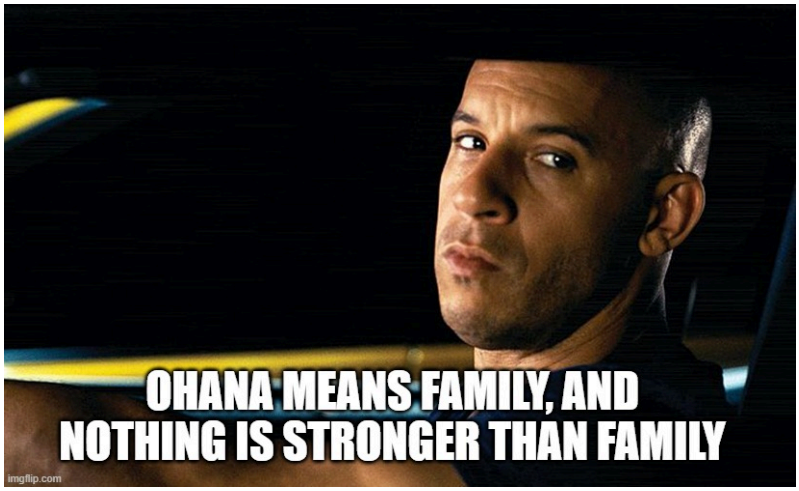

### Q: "I'm not a writer and I'm not creative!"

A: Look, it may be hard to believe… But I was in the same boat you're in, only a year ago. To tell you the truth, I'm more of an analytical guy in person, and a year ago, if you'd told me I'd be making money from writing on the internet… Well, let's just say I'd think you were crazier than a bag of raccoons.

### Q: "Will you help me after our call?"

A: Bottom line: when you click the *"Let's do this!"* button above - you're not just purchasing a strategy session… you're starting your relationship

with me. *(Hey, not like that you freak!)* What I mean is, when you become one of my clients - you become family.

## Q: “Okay, that sounds cool and all, but will you actually help me?”

A: Sigh. If you didn’t get the message… yes. As mentioned above, you’ll receive access to my private DMs, where you can ask any clarifying questions AND I’ll send you off with a *“Client Care Package”* filled with lots of goodies.

## Q: “Sounds great! What’s inside the Care Package?”

A: Ha! Wouldn’t you like to know… I guess you’ll just have to hit *“Let’s do this!”* and find out 🤷‍♂️

## Q: “What happens if I get to the end of the call and I don’t feel like I got value?”

A: If… and I mean IF in the unlikely chance that you don’t think you got any value from our chat together - I’ll give you your money back and point you in the right direction. No harm no foul.

## Q: “What if I can’t find a time that works for me?”

A: Then sucks to suck. You’ll never get access to my help ever again and we can’t be friends anymore… Just kidding. No worries, just shoot me a DM (@jayyanginspires) and I’ll be happy to discuss more convenient times with you.

## Q: “Why all this copy for a simple consulting call?”

A: Hey, I really like writing, okay? Can you blame a brother? Sheesh, next question.

## Q: “Why’s your writing so entertaining? It’s like watching a Netflix show.”

A: Okay, fine. Maybe you didn’t ask that question in your head. Well, too bad, I’m gonna tell you anyway…
I used psychology. Fascinating, this *“psychology stuff,”* isn’t it? If you want me to help you write in a way that magically gets people sucked into your writing… Then book a call with me already, gosh darn it!

## Q: “Okay, okay. I’m ready now. Where do I sign up?”

A: Well, hot diggity dog… it only took you till the end of this sales page! *(I’m not mad at you, I’m just disappointed)*, But you can sign up by scrolling below and gently tapping *“Let’s do this!”* 👇

## Q: “Is this the end?”

A: No… it’s just the beginning of a very, very exciting journey.
Click that button below 👇 and let the adventure begin…
