

Dear Student and Parent(s)/Guardian(s),

Welcome to the 2025-2026 school year! It's going to be another fantastic school year. My goal is to continue to make every learning experience fun, creative, and successful. Along with academics, the structure of the program will incorporate daily living skills (including making or buying breakfast daily), job skills training at various sites and/or pre-vocation, and simulated job skills training within the building to help all students continue to become increasingly independent.

The district has provided an agenda for all students for daily use. We will use them to keep track of assignments, as well as to maintain efficient communication between the classroom and home.

Our *Dollar Cafe* funds will cover almost all of our classroom necessities throughout the school year, but I ask that each student bring in a "daily snack" (if wanted) and the following to start the year:

~Tissues (1 box)

~Clorox or Disinfectant Wipes (1 container)

~Hand Sanitizer

~Paper Towels (1 roll)

Please feel free to contact me if you have any questions. I look forward to a wonderful year with all of you!

Sincerely,

Mrs. Nicole Fernandez
