If the area wants a regional zoom it would prorate for the remainder of the year until April 1st of 2023. Car Report is out and listed on NA.ORG – there may be presentations for explanations about the motions, getting Car report out earlier and fellowship trust (literature) are some of the motions. GSRS are encouraged to read the document to understand and bring questions. One large idea is to be fully self-supporting with contributions directly to world service, and not rely on literature sales.
