Tuesday, September 1st, 2026

Greetings Palmyra-Eagle middle school and high school students. This is Mr. Kerr and I am proud to be your principal. We are excited that you are here and even more excited for making it an incredible start to the school year.

Here are the daily announcements for today:

- Thanks to everyone's patience and flexibility with high school schedules. Students are reminded to review their schedule carefully and if you have any questions stop in to see Mrs. Rowe or Mrs. Laine during passing period. Note that you may be asked to come back at a later time.
- Students are reminded that all classes will be on a regular schedule Tuesday, Wednesday, and Thursday and a homeroom schedule on Friday this week culminating in a pep rally on Friday.
- Note that the library is currently closed unless a staff member takes their class to the library.
- A reminder to all high school students that there is an updated phone practice that requires all HS students to keep their phones in their lockers during classroom instruction. This includes study hall. Phones may be used during lunch but need to be returned to your locker before returning to class. Note that schools across Wisconsin have updated their phone policies in compliance with Wisconsin legislation Act 42. See Mr. Kerr if you have any questions re: Updated Wisconsin Legislation, including Act 42, BOE policy, or the student handbook.
- If you need your locker combination please see Mrs. Geppert in the main office. Note that students are not permitted to keep their phones in their backpacks.
- If you need your chromebook password see Mrs. Geppert in the main office.
