

Privacy Policy for [Screen Mirroring App]

Last Updated: [19th Jan 24]

Thank you for choosing Screen Mirror! This Privacy Policy outlines how we collect, use, disclose, and safeguard your information when you use our iOS screen mirroring application (the "App").

By downloading, installing, and using the App, you agree to the terms and practices described in this Privacy Policy.

Information We Collect

Personal Information:

Device Information: We may collect information about your device, including but not limited to the device model, operating system version, unique device identifiers, and IP address.

Usage Information: We gather information on how you use the App, such as the features you access, the content you mirror, and the duration of your usage.

Registration Information: If the App requires account creation, we collect information such as your username, email address, and password.

Non-Personal Information:

We may also collect aggregated, anonymized data that does not personally identify you. This includes usage statistics, device types, and other analytical information.

How We Use Your Information

Screen Mirroring: The primary purpose of collecting your information is to facilitate the screen mirroring process and improve the functionality of the App.

User Account Management: If you create an account, we use your registration information to manage your account, provide customer support, and communicate with you about the App.

Analytics: We analyze non-personal information to understand user behavior, enhance our services, and improve user experience.

Information Sharing

We do not sell, trade, or otherwise transfer your personal information to third parties without your consent, except as described below:

Service Providers: We may share your information with trusted third-party service providers who assist us in delivering and improving the App.

Legal Compliance: We may disclose your information to comply with applicable laws, regulations, legal processes, or government requests.

Security

We implement industry-standard security measures to protect your information from unauthorized access, alteration, disclosure, or destruction.

Your Choices

You can choose not to provide certain information, but it may limit your ability to use certain features of the App.

Updates to this Privacy Policy

We may update this Privacy Policy periodically to reflect changes in our practices. We will notify you of any significant changes through the App or other means.
