I see you sitting

Diya Acharya

Verse 1

I see you sitting
Right there, all alone
No one notices you
trying to be unknown

Verse 2

No one to talk to
To share about your day
No shoulder to cry on
So, to you, I say

Chorus

Chin up
Shoulders back
Face the world
And don’t turn back

Speak up
Let it out
Be brave
Give out a shout

Bridge

And over time, you’ll see
And I guarantee
That your feelings will soar free

Chorus (repeated)

Chin up
Shoulders back
Face the world
And don’t turn back

Speak up
Let it out
Be brave
Give out a shout
