**Whatever is happens now.**

If you should know about his terrible actions if you don't realize about his true colors

## Harassment 1: Calling someone Bad User

Back to August 2023, he Called me "Bad User", because is actually Pointless because Bad Users don't exist because nobody is good or bad, as because Rehaan is still hypocritical

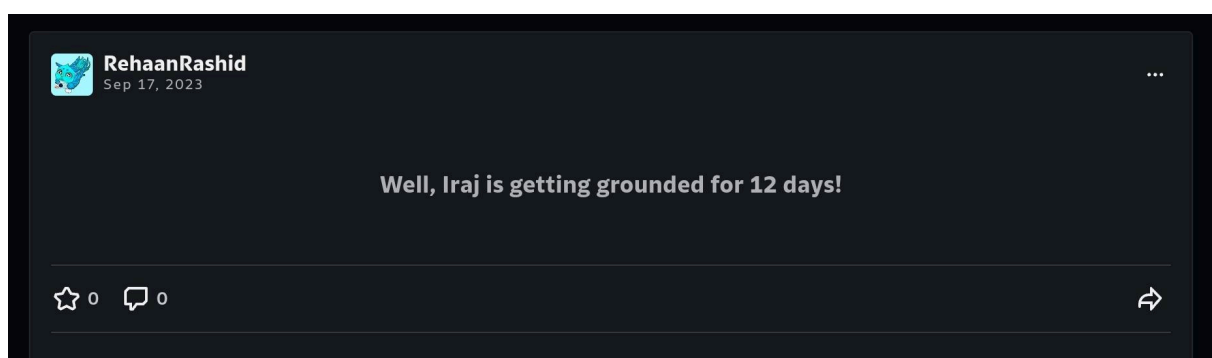

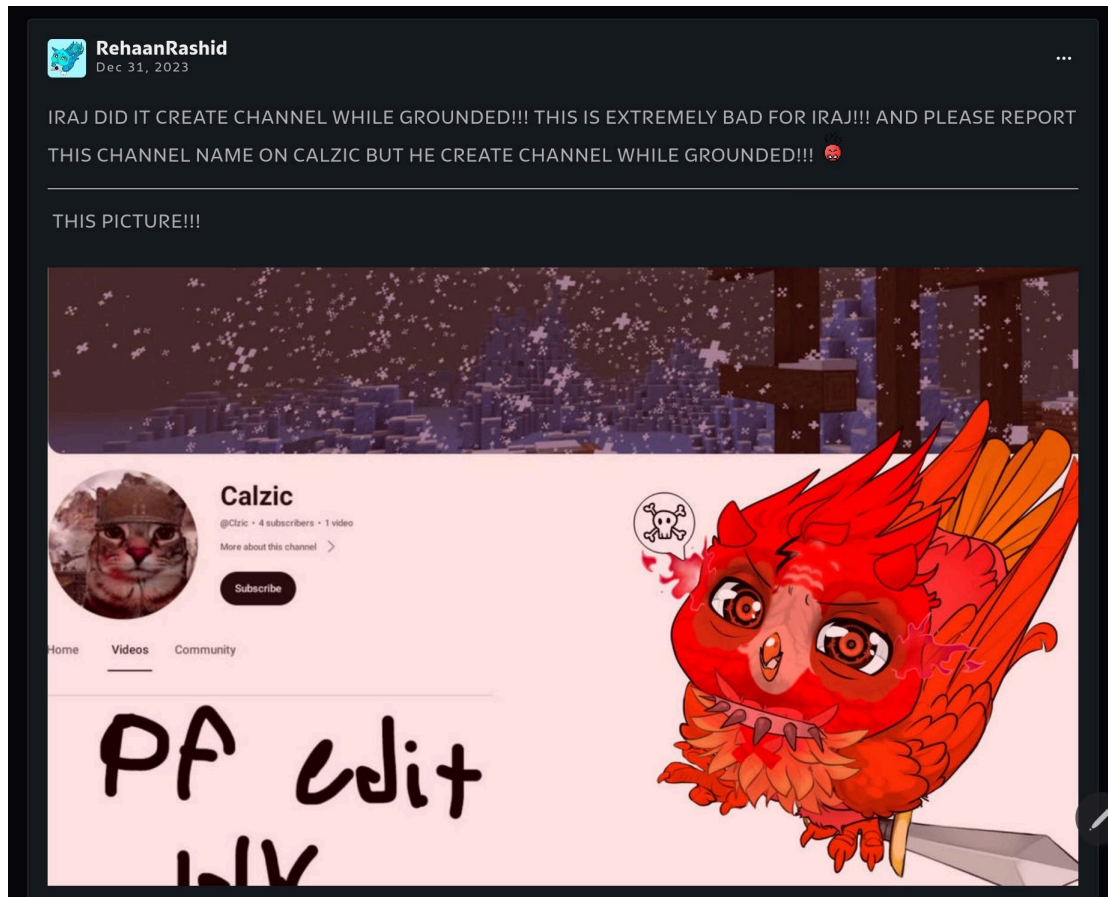

Rehaan, you shouldn't tell any good people as Bad users because you didn't believe, because is immature

**Well, bad users don't exist. I forgot to tell you are bad person or evil user. Not a bad user.**

## Sending Grounded Treats

Rehaan Sends Grounded Threats because it is harassment and could hurt feelings because will not work, which is being immature

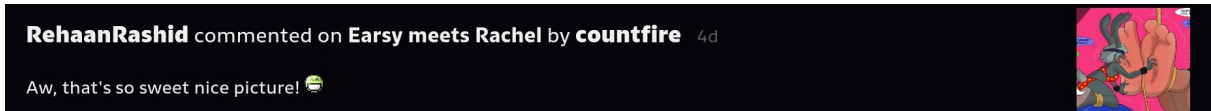

I accidentally made this post but I won't do it again.

His favourites

Note: we don't harass any normal f3tish artist, because Rehaan is feet f3tish lover because he's not a f3tish artist

same thing as Beny200, One of his favorites, Rehaan is an F3tish lover because he faved any feet f3tish, including some f3tish out of minors, which is disgusting

Not only this, also had inflation f3tist out of minors, Rehaan is p3do

Ok, I'm done supporting inflation which is disgusting.

and yes, You're harassing any nice users, you're using "Good Users" because good users don't exist because nobody is good or bad, Rehaan you're harassing someone blocking you for no reasons because it's their choice

I know that good users don't exist permanently.

I've right to block EvafanartsclubEC because she makes NSFW stuff.

Well, I stopped joining Anti-Y5t675 because he's an innocent user. Before in the past late 2024. When Y5t675 supports vore and bad people, I could join Y5t675, but now I leave it group.

Rehaan, you're immature people blocking you, because is their choice, if some nice users blocked you, you're whining about people not interested in you, you're still don't handle people blocking you

I'm promise to be good not whining these innocent users. Before Y5t675 support bad people, he can have right to block these horrible users on January 2025 I think.

## Supporting/Defending Denegates/Evil Users/Bad People

Despite him being a bad guy, Rehaan also supports bad people such as EvafanartsclubEC, etc.

Don't mention, that he supports ChiareyChan:

Hey, I was right to cut ties with EvafanartsclubEC for good since late October 2024.

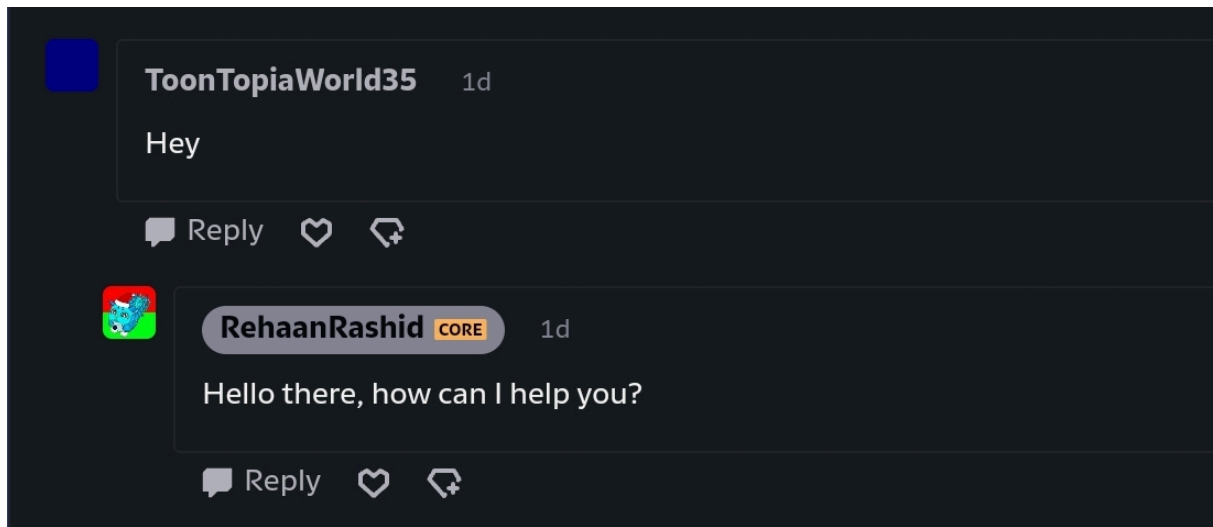

He also supports StarCookieLuigi, which he's a R4cist user

I don't get it my main channel because it's terminated on YouTube because I can't response on this. I can have a right to cut ties with StarCookieLuigi anymore for good. Remember, StarCookieLuigi same user as Luissonic. Luissonic is racist! And I'm not racist that I don't say the N-word.

Well, ToonTopiaWorld35 friends with TheCartoonCreations and he didn't do bad things. And he's Toonlandia Fan.

He's being idiotic

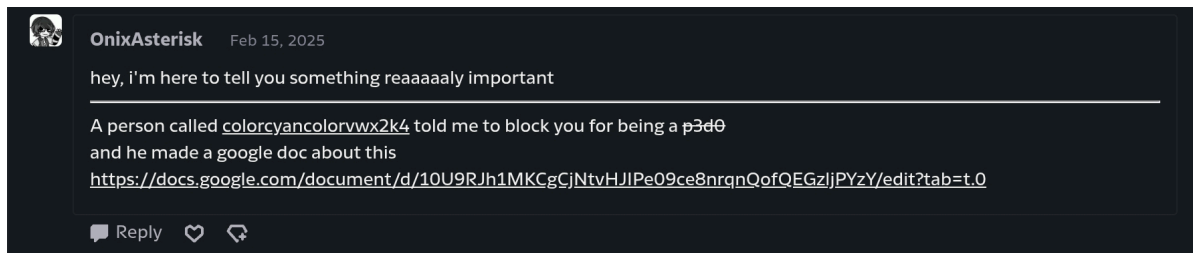

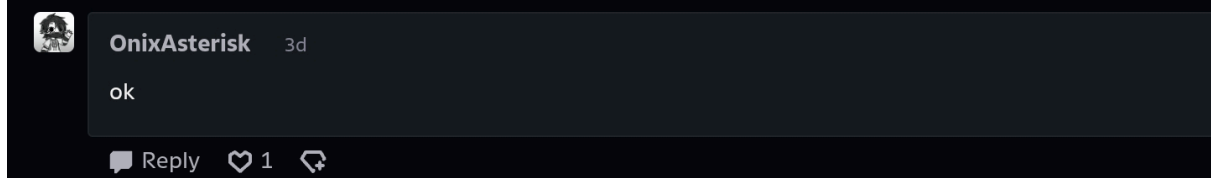

It looks like, Cafepuppyisback is not actually real Cafepuppy, because he's not the same person, he's just a different user, apparently Cafepuppy got outed as a harasser (According to HaydenWolfBlade), he also lied about Ke949's actions because she actually apologized

Mmm... I think... Cafepuppy is real same person.

His whiteknight called OnixAsterisk, who he refused to listen

Comment on **Guys, I'm not sending sent** by **RehaanRashid**

Saying to block toxic users, but Rehaan is actually a toxic user who he did in the past and present, saying rehaan is being good guy, but he's actually a bad person and p3dophile. Despite him faved f3tish arts out of minors, looks like OnixAsterisk refused to listen the truth about rehaan, due his terrible actions.

**But with my friend Onix that he doesn't block me. That's good. I could also have the right to block toxic users anytime.**

Another whiteknight called CasminkToons, he also supports RehaanRashid

He harassed SugaCoco77

Here's apology what I did do something wrong, I make hate posts out of Josiah after he blocked him for good. I make Grounded Threats which he is immature and problematic. Back to late July or early August 2023, I called me Bad User without reasons, that me calls bad user to good/Innocent people is pointless, that is me hypocrite. I added his crappy/Immature rules, that me don't handle blocking/Unwatching him and handle swearing, me also don't handle anyone hate disney that my opinion basher. I also don't handle someone hating him that me never ignore his haters. I support StarCookieLuigi who he's r4cist and immature. I guilt trips about himself and me not actually right due his actions, unlike Pamibunni that she made her fake scu1cide and Fabo has hate speeches against Autistic People, that me is still doing once again. I lies that he says "Pease, don't let me wrong" which is pointless. I also guilt trip about his youtube channel termination, as someone tried to Expose him. As me is lying, I make Disrespect Birthday, which is Disrespectful and Heartless. I still doing once again. I destroyed his chance, Looks like I support EvafanartsclubEC, who she's a P3d0. Cloudie, I&#8217;m so sorry for the inconvenience, I was jealous of something that you did, I wasn&#8217;t thinking straight when I posted the deviation of having to ask people to block you and another user. I promise, I will make sure this won&#8217;t happen again. Please don't mad at me. And I'm not breaking promise either. I&#8217;m so so so sorry CyanColorfulUwx for I did have done.

To @ColorCyanColorVwX2K4

I'm truly so sorry for supporting p3dophilia, supporting problematic users, toxic F3tish lover, lots of hypocrisy and immaturity Etc.

Here's my reason for what I did:

I did do sending grounded threats, could hurt feelings because will does not work, which could be immature.  
I did do made hate posts out of your friend Josiah.

I could be harassed CloudiePegacoon2007 and LiamtheElectroCat.

So good users don't exists anymore or so. I'm being immature people blocking me. I also supports ToonTopiaWorld35.  
I made fake apologies too many times.

I made SeakyMidori/SoulSparkySakie/MagicaGlitterBluster get nerves. I think is too many feeding trolls

I put "no block me" because people have right to block me because it is their choice.  
I put "No hating Disney" is actually opinion bashing, because people have right to hate every fandom.

I'm also whining person. Well I stalked by good/innocent people. I just do anything wrong on my fetish content anymore.  
I also did Stealing User's ideas from your group.

I also making terrible actions.  
Just unforgivable... me...

For me, I'm not saying "Boobs and butts are overtly sexual". I also don't admitted to EvafanartsclubEC which is good as always.

I don't like all EvafanartsclubEC's art. I don't like AI arts.

I don't do Antics topics anymore or so. I'm not irresponsible to other users anymore or so.

I also multiple instances/numerous occasions made puppyhowler very uncomfortable and she's have a right to block me. I'll never marry puppyhowler anymore or so. I should never trust EvafanartsclubEC anymore or so.

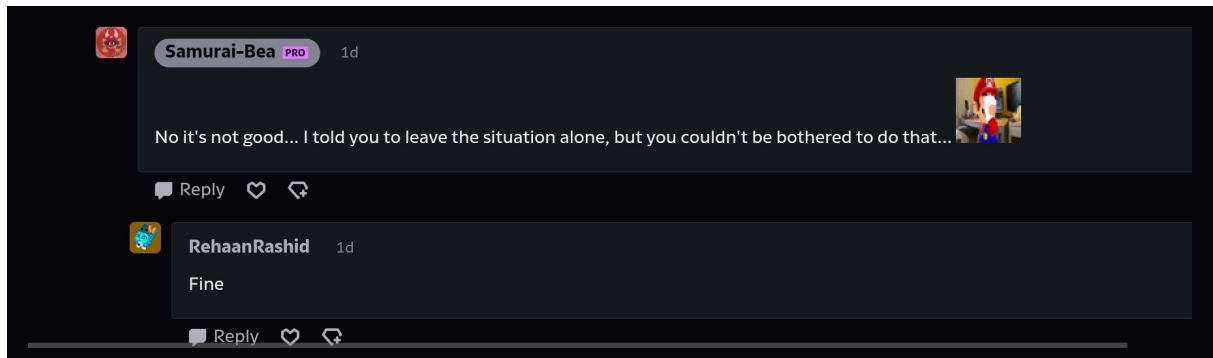

I accidentally misunderstood a self advertisement. I also hate content farm so much. I better not shout out or see bad users ever again. I also ignored bad stuff. I better ignore bad comments. I accidentally lying, I'll never makes Disrespect Birthday to her anymore or so. I also blocked bad users which is true such as bad recommendations, fetish art, and NSFW. Unfortunately, however I might broke those promises. As I'm not destroyed my chance anymore or so. So I'm not trash anymore or so. At least I'll never be stressed out anymore or so. I'll never made a stupidest report that me harass my friends Cloudie and Ljb2009 ever again. I also don't update my bio "please don't get me wrong". I'm not dramatic. So I ignores some users. I'm not making Grounded Threats anymore or so. I trying to bringing back his wrong doings. Also I do not request diaper arts stuff I need. I blocked poopyp33t3008 for good. And also I'm not hacked my account or watchers.

I do not support KR101 anymore.

I don't want to call you or innocent people a bad user ever again.  
I'm very sorry KUBE-Arts.

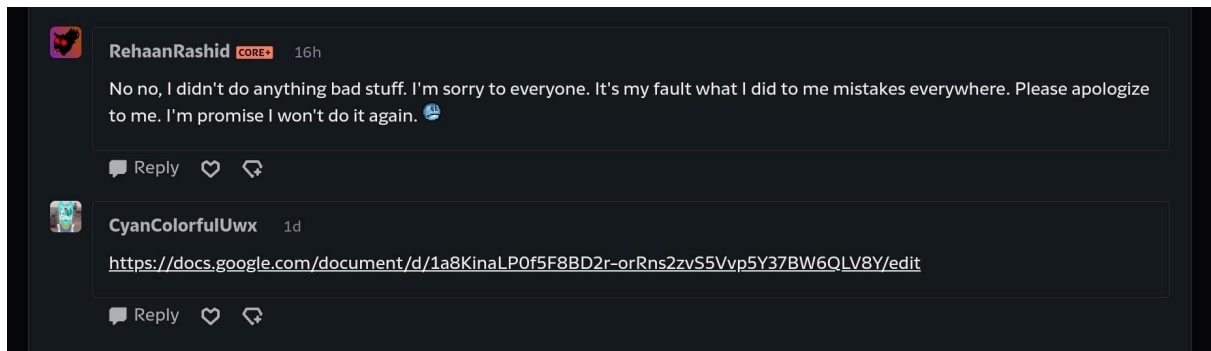

I need some good things in the future for me, I will learn from my mistakes so far and thank you.

Is good apology?

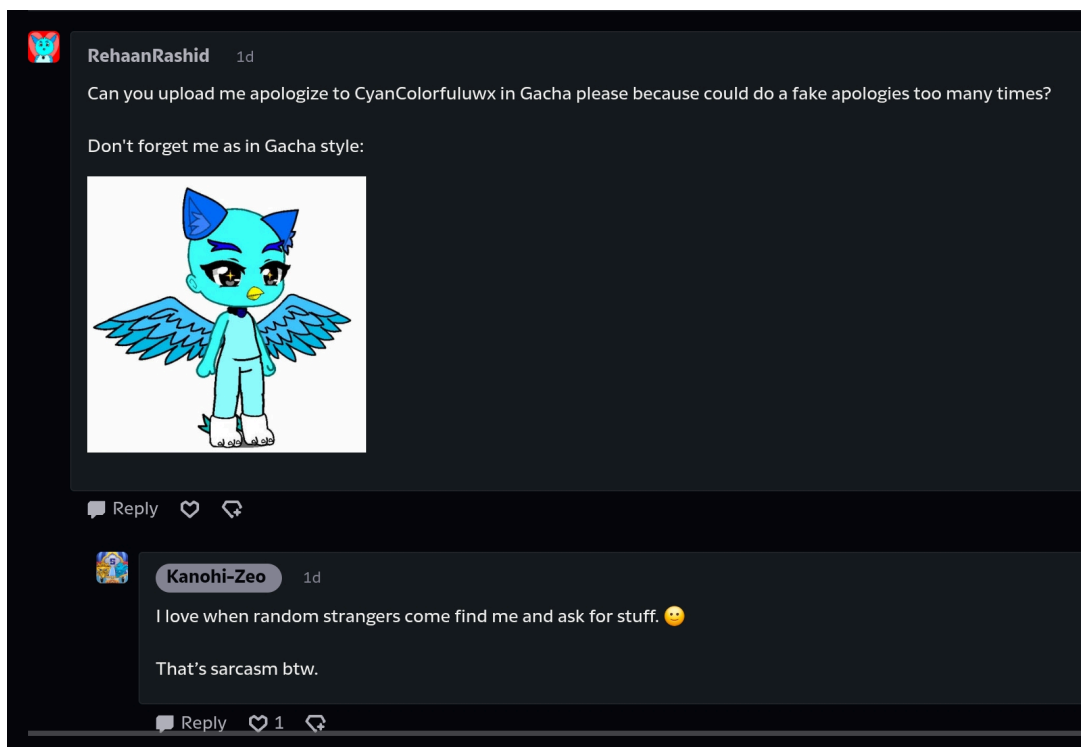

Note: One art by Samurai-Bea

He also made a crappy sarcasm

It means you're using "i learning my past mistakes" as an excuse, looks like you didn't learned your past mistakes because you're bringing back it, you're using "i am good

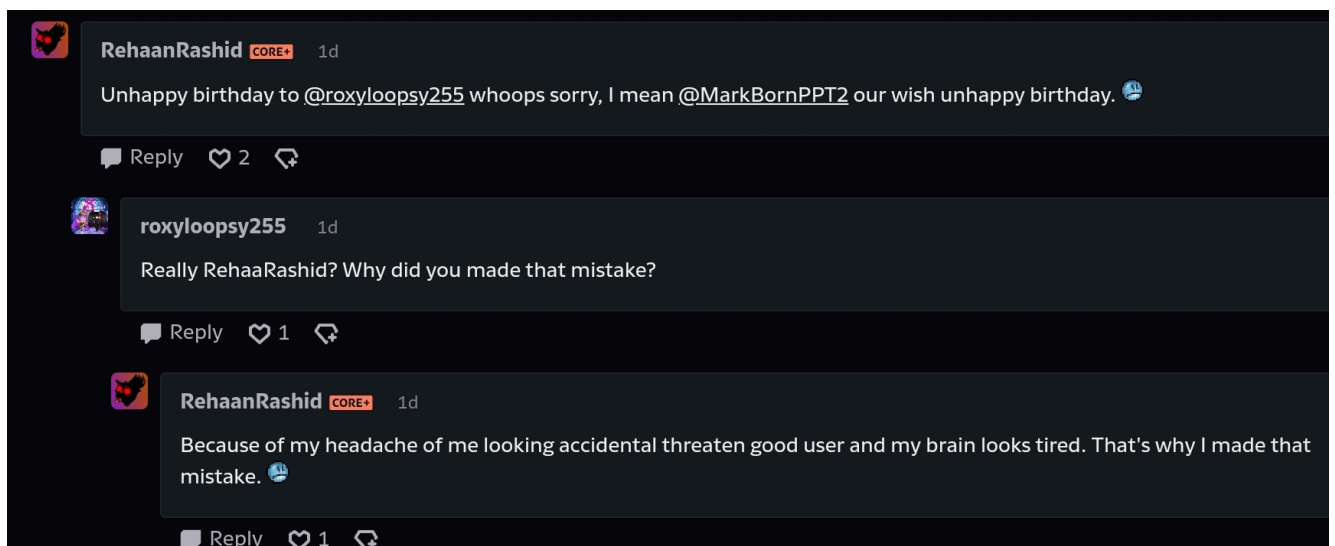

person” as an excuse because you’re still bad person because you support p3dophiles and blaming us

Well, I give up. Sometimes, I’ll make a nicer apology for good in the past. But I don’t. I’ll make fix an apology for good. So, I do not support any inflation, vore, & etc.

#6 No making bad stuff

#7 No swearing

For all my fans upload in a day but just like Danno Draws does! I like to bird sing is more likely! I love Warrior Cats stuff! It's Drawtober time!

---

Rules my content:

#1 No block/unwatch me (if you do then I'll be sad)

#2 No bullies allowed

#3 No spamming

#4 No scamming

#5 No UTPP's allowed

#6 No making bad stuff

#8 No supporting P3d0s

#9 No hypocrite

#10 No stalking

#11 No exposing

#12 No NSFW allowed

#13 No stealing my art

#14 No Fanbrats/Toxic fans

If you violate my rules, I'll jumpscare at you and blocked you for good.

For me, I love Disney so much! 💖

**RehaanRashid** commented on **RehaanRashid's** profile 10h

My rules are:

#1 No threatening

#2 No bullies allowed

#3 No spamming

#4 No scamming

#5 No UTP's allowed

#6 No making bad stuff

#7 No swearing/cursing

#8 No supporting P3d0s

#9 No hypocrite

#10 No making hate art of me

#11 No exposing

#12 No NSFW allowed

#13 No stealing my art

#14 No Fanbrats/Toxic fans

#15 No tracing on me

#16 No ABDL allowed

#17 No Racism allowed

#18 No Aibohphobia allowed

#19 No Twerking

And

#20 Don't saying "n-word"

You put “no block me” because people have right to block you because it is their choice we have known

“No hating Disney” is actually opinion bashing, because people have right to hate every fandom, you don’t go bash people hating your least favorite fandoms, because will makes it immature

“No Unwatch me” people are not interested of you anymore, if you whine people unwatching you, if you want to get more watchers

“No swearing” because you don’t handle people swearing you, because you’re acting like SamiCat1/SamTheCuteKittyGirl, Pibble and Coolboysuvi, you actually never ignore the swearing Rehaan

**I don't do swear anymore. I don't like swearing. It's sucks. Swearing can be do the F-word (or can be fuck), S-word, & N-word.**

“No supporting P3d0s” but you’re supporting P3dophiles because you’re defending/supporting them

“No Hypocrite” but you’re still hypocritical because you break your promise too many times because someone will think you’re still a hypocrite rehaan

“No stalking” because you stalked someone and any innocent people because don’t say “I didn’t stalked” because you actually stalked someone

“No Exposing” and yes because you lied your apology because you’re still immature because you don’t leave someone alone

**Well, I just want to expose these horrible users and these users go to hell for good.**

“No Making Bad Stuff” but you actually did horrible things, when you falsely apologized

Well, I did it again, but now. I'm improving my behavior for good. To prevent p3doph1les.

“No AB DL” I don’t have any idea what AB DL is

AB DL stands for “adult baby diaper lover”. So that's why I don't use it anymore.

“No R4cism” I don’t know if you’re r4cist

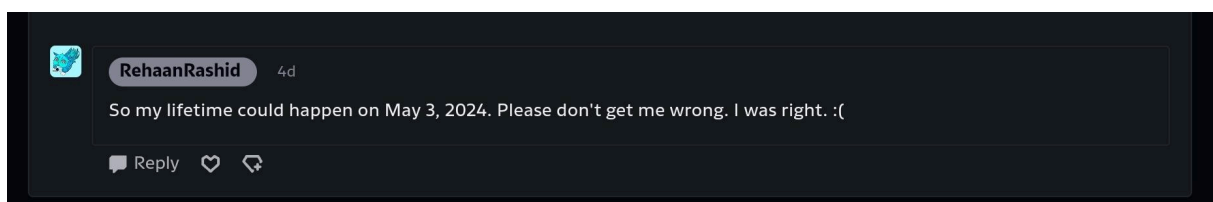

“Don’t saying N-Word” I don’t have words if you said N-Word if I didn’t remember if you said an r4cist word to someone

Rehaan is actually hypocritical of his rules, which means it makes nonsense

Well ok, some people block me which is ok. So for now, I handle being blocked for good. Swearing, I don't use F-word, S-word, and B-word. I don't like swearing to someone.

## Guilt-trip

Alright guys. As you see me here, I am really delusional and I am very worst my artist of the year. So you telling the dark truth me? If you read this callout document, I did the problematic in the past. And I mean to somebody rude to me. I'll just leave situation alone for now. I just don't support f33t f3tish until 17 or 21. But in this case, I'm always completely out of my depth. What have I done did bad stuff in the past!? All I want to do is to make sure nice to good/innocent people. It just impossible that way.

Callout document:

<https://docs.google.com/document/d/1a8KinaLP0f5F8BD2r--orRns2zvS5Vvp5Y37BW6QLV8Y/edit?usp=drivesdk>

If you're offered callout document about me, just ignore me. For I did bad stuff in the past. I'm done due to their unforgivable actions. Okay!? I'm not creepy good person anymore!

I want to say sorry to forgive me for the behavior. For me, I did more a lot horrible stuff in the past it always the wrong side and yes, I just forgot to pray in little bit for these days to make feeling better. And now it's time to move on nowadays to get my life back seriously. If I see people are blocked me, I'll just ignore it. I'm really sad for I did a more horrible stuff. 🥺

Do not steal/trace my artwork please and thank you.

Note: Proofs by Filletus

And yes, because you're making a similar version, but you didn't put an inspiration rehaan, for immature lazy

## Here's my apologize what I did

2 min read

Here's apology what I did do something wrong, I make hate posts out of Josiah after he blocked him for good. I make Grounded Threats which he is immature and problematic. Back to late July or early August 2023, I called me Bad User without reasons, that me calls bad user to good/Innocent people is pointless, that is me hypocrite. I added his crappy/Immature rules, that me don't handle blocking/Unwatching him and handle swearing, me also don't handle anyone hate disney that my opinion basher. I also don't handle someone hating him that me never ignore his haters. I support StarCookieLuigi who he's r4cist and immature. I make someone's Nerves, that he was mean to SeakyMidori/SoulSparklySakie that me did something bad. I guilt trips about himself and me not actually right due his actions, unlike Pamibunni that she made her fake scu1cide and Fabo has hate speeches against Autistic People, that me is still doing once again. I lies that he says "Pease, don't let me wrong" which is pointless. I also guilt trip about his youtube channel termination, as someone tried to Expose him. As me is lying, I make Disrespect Birthday, which is Disrespectful and Heartless. I still doing once again. I destroyed his chance, Looks like I support EvafanartsclubEC, who she's a P3d0. I possibility supports Feet fetish which is Disgusting. I did something wrong on favourites have Feet fetish. I make troll feeding. I didn't support P3do. That AI generated is ungood topic that can cause stealing someone's arts without permission. I also reclaims himself did wrong and yes, me hasn't changed his way that does the same thing as Haydnparker me still doing bad things and FaboFloresFlores didn't changed his ways and he's still a bad person, that Rehaan is still doing his same crap again. I does idiotics things, antics, ect. that Because he's not good person who he's Irresponsible. That way me is understand follow guidelines. I respect to other users. Can you ask @Unin380 to unblock me?

I'll never be mean to good/Innocent people anymore. I also make good things in my opinion basher. I'm not supporting StarCookieLuigi either. I didn't lies that I said "Please, don't let me wrong. I'm also guilt trip about his youtube channel termination, as someone trying to Expose him. I didn't destroy his chance of me and don't like EvafanartsclubEC anymore. I'm not also do Troll Feeding anytime. I blocked that one thatonetrollXD. I'm accidentally destroying or lying about his promise on Collab friendship anymore. Also I leave Cloudie alone. So I accidentally being falsely accused by me. I don't admitted to EvafanartsclubEC. I didn't stalked you on my alt account anymore or so. So I don't fight with you. I did leave you alone anymore. Please apologize to me for what I did and please forgive me. I'm extremely sorry to you. I'll better be good to follow DeviantArt guidelines. I stalked on my alt account but not anymore or so. I also hope my YouTube channel can be reinstated soon. I can learn lessons to never get toxic actions. I accidentally trying to obsessing with Cyancolorumx. I'm guilt trip about my youtube channel termination, as someone trying to Exposing me. I'm not deactivate my account. But I'm fixing right my words correctly. I cut tied and blocked ChiareyChan for good. Cloudie, I'm so sorry for the inconvenience, I was jealous of something that you did, I wasn't thinking straight when I posted the deviation of having to ask people to block you and another user. I promise, I will make sure this won't happen again. Please don't mad at me. And I'm not breaking promise either. I'm so so so sorry CyanColorfulUwx for I did have done. For me, I'm not saying "Boobs and butts are overtly sexual".

Rehaan you promised not to continue copy-pasting parts and yes, you lied once again, for idiotic and lazy

Right, I'm not broking promise too many times for not copy & pasting parts anymore.

# Using “Learning my Past mistakes” as an excuse

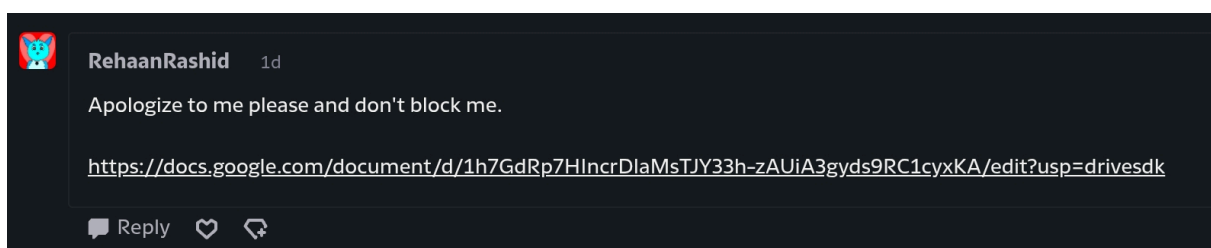

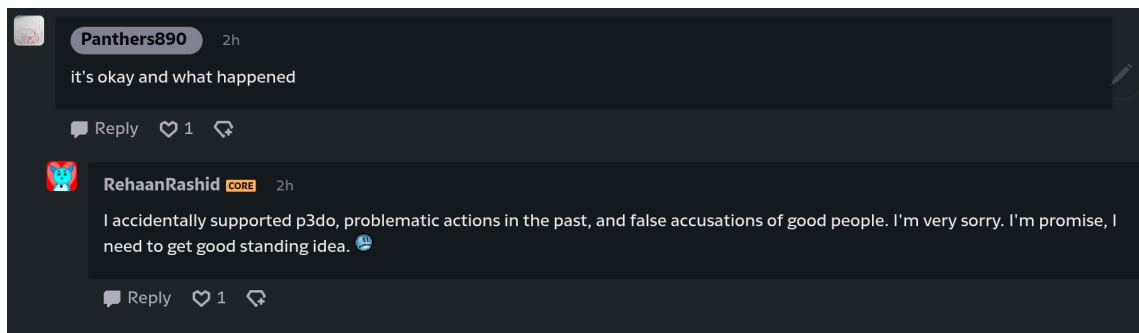

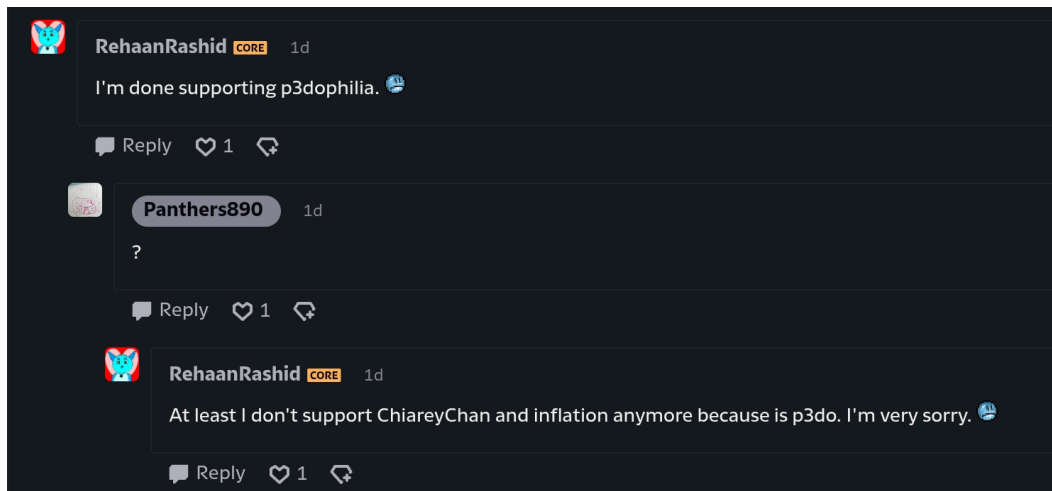

Rehaan Lied to learning his Actions/Mistakes, he actually never learns his Mistakes, looks like he actually continues making horrible things, because of his fake/Immature apologies, he keeps being childish at all absolute

**RehaanRashid** commented on **MellCoffee's** profile 3h

Watch me please because I'm good person now! 🤖

He also makes more excuses (don't mention he's still supporting P3dos, Rehaan is still p3dophile today)

You said "I'm good person" but you're actually a bad person because you're continue making more bad things, because one your apologies are fake (we even known), because your watchers will not believe you continue making horrible things and making too many excuses

You're making same thing as MarvelThomas1987 and Beny2000, because you're actually a p3d0phile rehaan because you like being a bad guy for making excuses and lies, if your watchers or fans will read this and believe it, you should accept to deactivate your account rehaan because i'm tired of your immature behavior

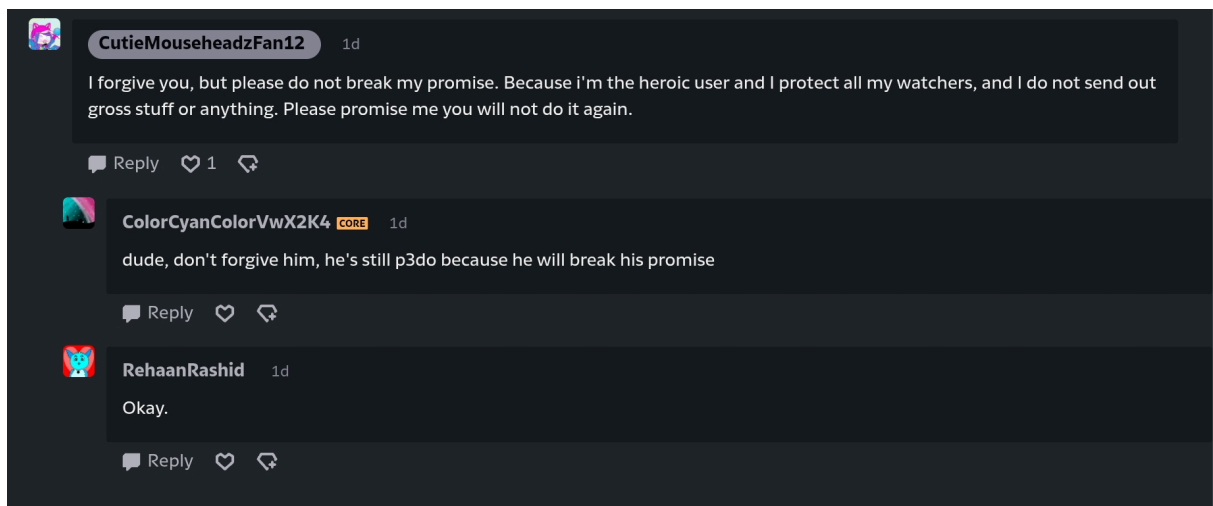

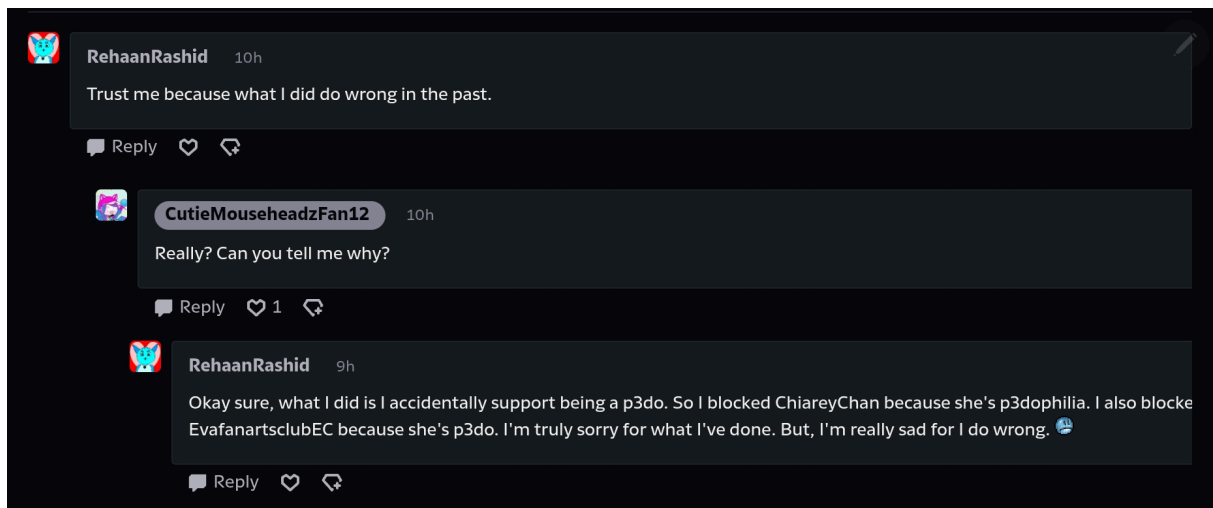

Making "I'm done supporting P3d0philia" is bad, will make/Reveal you as P3d0phile Rehaan, because is an excuse

He actually didn't admitted his wrong doings, he actually continues treating every nice users

I'm done supporting p3do for good. Not excuses.  
I'm a good person. So, I have a right to block  
ChiareyChan, TurboBlackwing63, & other  
evil/p3do users. LEARNING MY MISTAKES  
WHICH IS GOOD BUT I'M IMPROVING MY  
BEHAVIOR FOR FREAKING GOOD!!!

## Manipulation

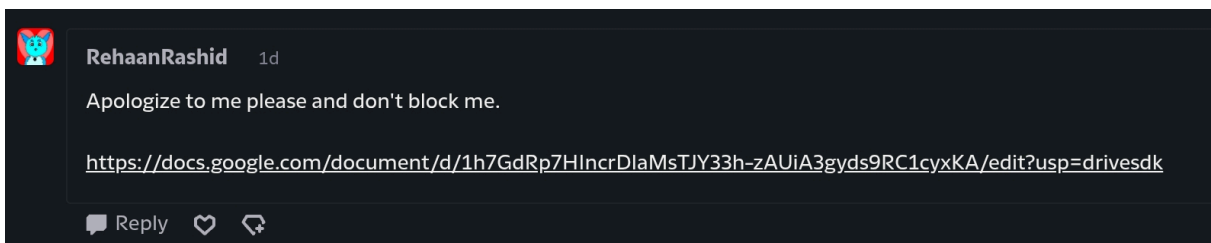

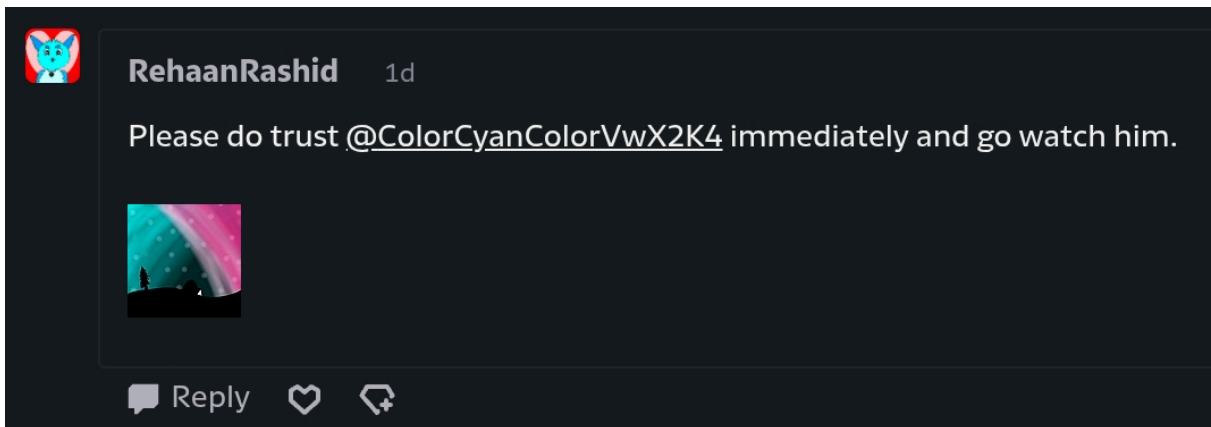

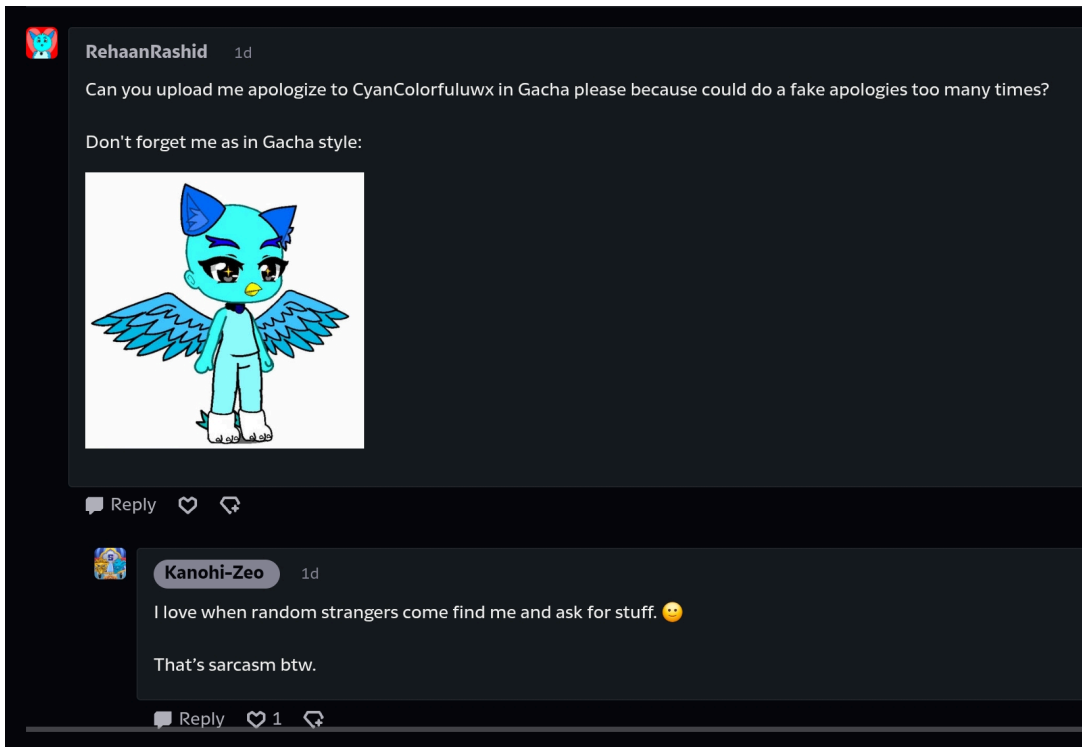

Rehaan is manipulating himself because he claims he's not p3d0, he's still acting with his false promises, he still don't handle people blocking him, he keeps begging to forgive him, he keeps whine for supporting p3do. Looks like He literally faved f3tish out of minors, Rehaan is still a idiot.

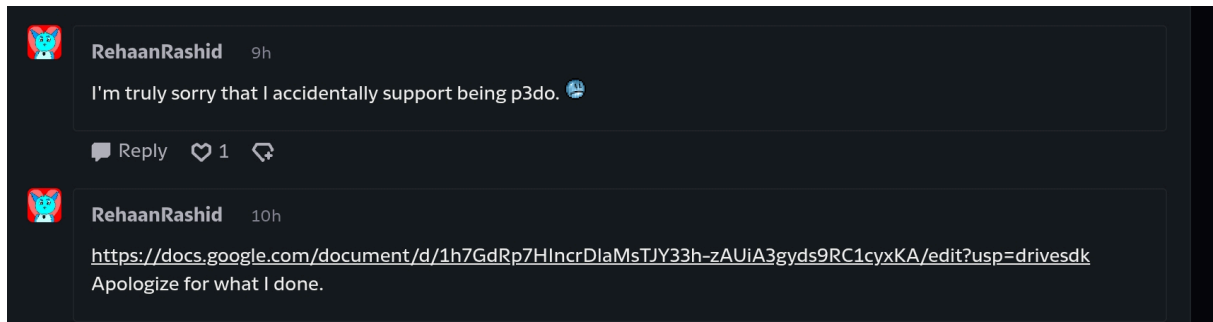

I told you, Don't listen, If you don't remember Rehaan Got exposed and outed as p3do and idiot, ignore the fake apology since rehaan didn't learn

He's still hypocritical he refused to leave us alone

He makes more excuses, despite him being a P3do

You Said "I accidentally support being P3do" but you're still p3do rehaan, it means you faved f3tish out of minors, it means also you're unforgivable, you can't change your mind

We don't forgive you because you're a huge hypocritical because I'm already too tired of your behavior or your drama, you're using "I'm learning my Mistakes" as an excuse, because you didn't learn as idiotic, someone will not believe you didn't learned your mistakes

I am not going to care you rehaan, you're a huge bullcrap and stalker, just better shut up Rehaan

**Manipulation, I won't do it again. P3do is disgusting, so I won't support them.**

I'm not watching cutiemouseheadzfan12 yet until you deactivate your account because she blocked you for good reason when she doesn't believe when you're a p3dophile rehaan. You made a stupid sarcasm to someone, for idiotic reasons, it means you're still immature rehaan and same thing as other bad people, but you're still bad person rehaan, for being a drama lover

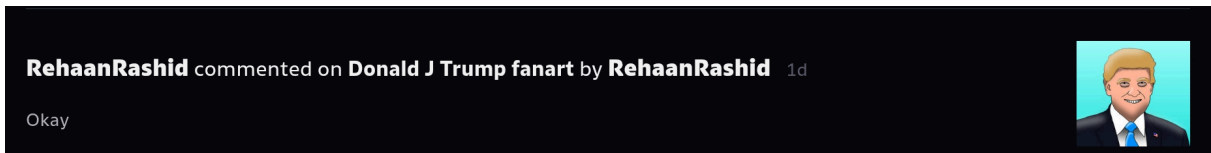

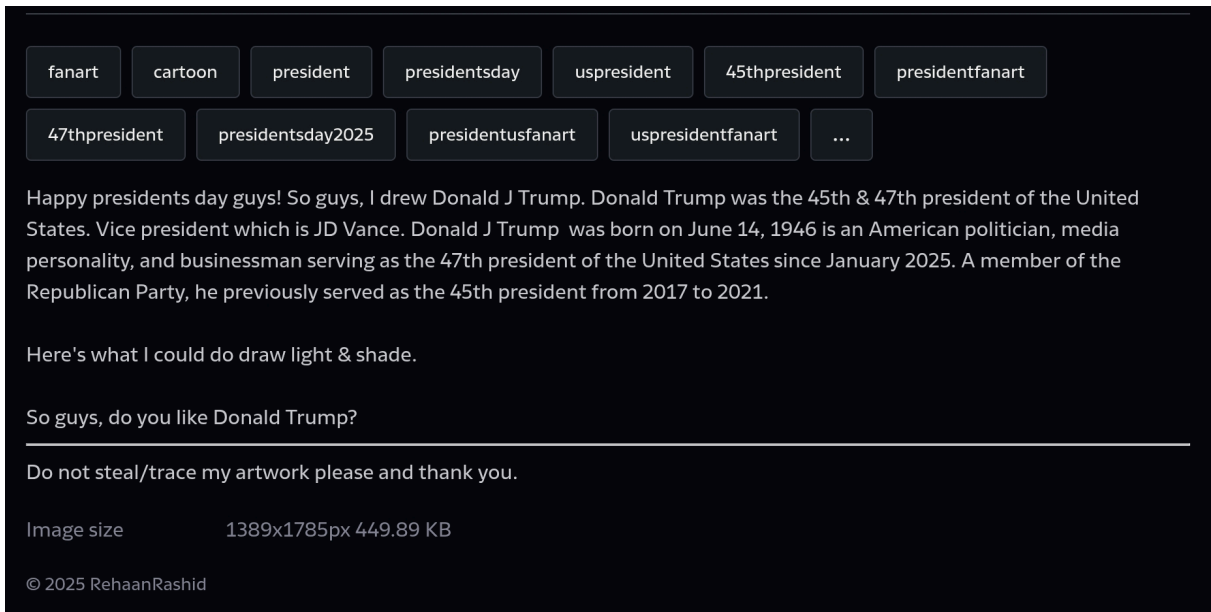

well rehaan, enjoy to terminate your account if you play the victim card

## Supporting Trump/Terrible Politics

Rehaan made a fanart out of Donal Trump, if you don't know him, he's mean person who made terrible things, in this year he turned as 47th president due to him, he's a different person who being already 45th president, he banned immigrants from others countries, i actually h4te donald trump because of MichaelMyersFan1993/SesameStreetFan2003 (he got outed as Harasser and trump supporter)

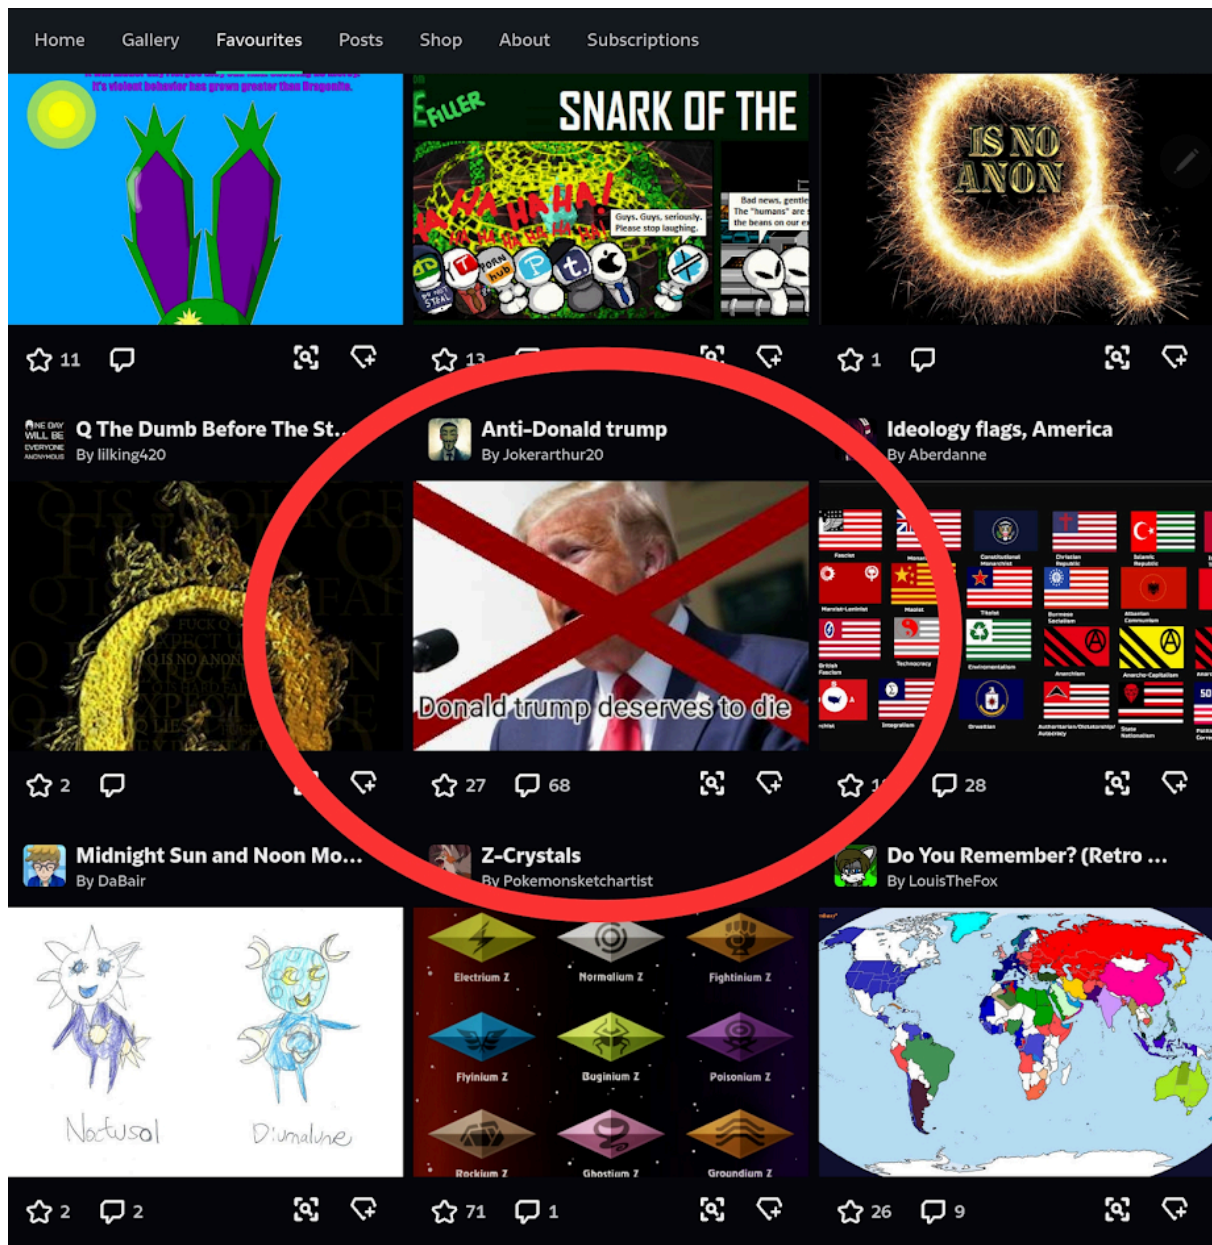

Rehaan Made a fanart out of him, since he didn't changed his opinion

His hypocrisy, he faved one art, looks like, rehaan actually didn't changed his opinion

Aw thank you, I accidentally made Trump, I'm promise.

It means, you actually didn't change your opinion, and yes, you're supporting Donald Trump, for hypocrite

I won't do it again, I'm sorry.

Not just for trump, he also is supportive of politics with Israel (same thing as MariaDragenia)

**RehaanRashid** commented on **Fuck israel free palestine** by **EraooreDo119** 1d

Israel is better

I hated Israel, when I was not. But I love Israel so much. I hated Palestine so freaking much what I do. I supported Palestine when I was not. Israel is way better than Palestine. Just please don't bash my opinion immediately.

## Making a false Template

Rehaan made crappy apology template, due his fake apologies, he keeps lying his promise

I'm sorry to everyone for I do bad stuff in the past, and please forgive me...

---

**Insert character of apologize is saying "Yes".**

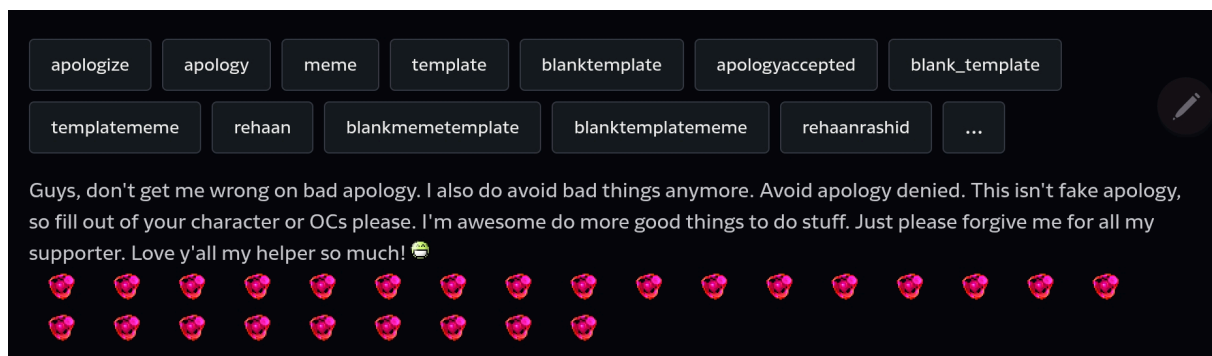

---

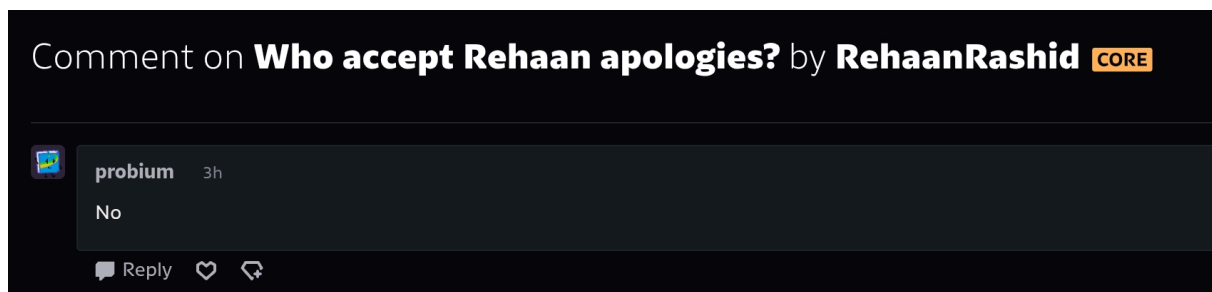

Saying “Please forgive me”, NO, your apology is rejected  
rehaan

The truth is you’re still a bad person rehaan, when you made  
an excuse because you lied to learning your mistakes

another hypocrisy

Then, probium won’t accept your apology

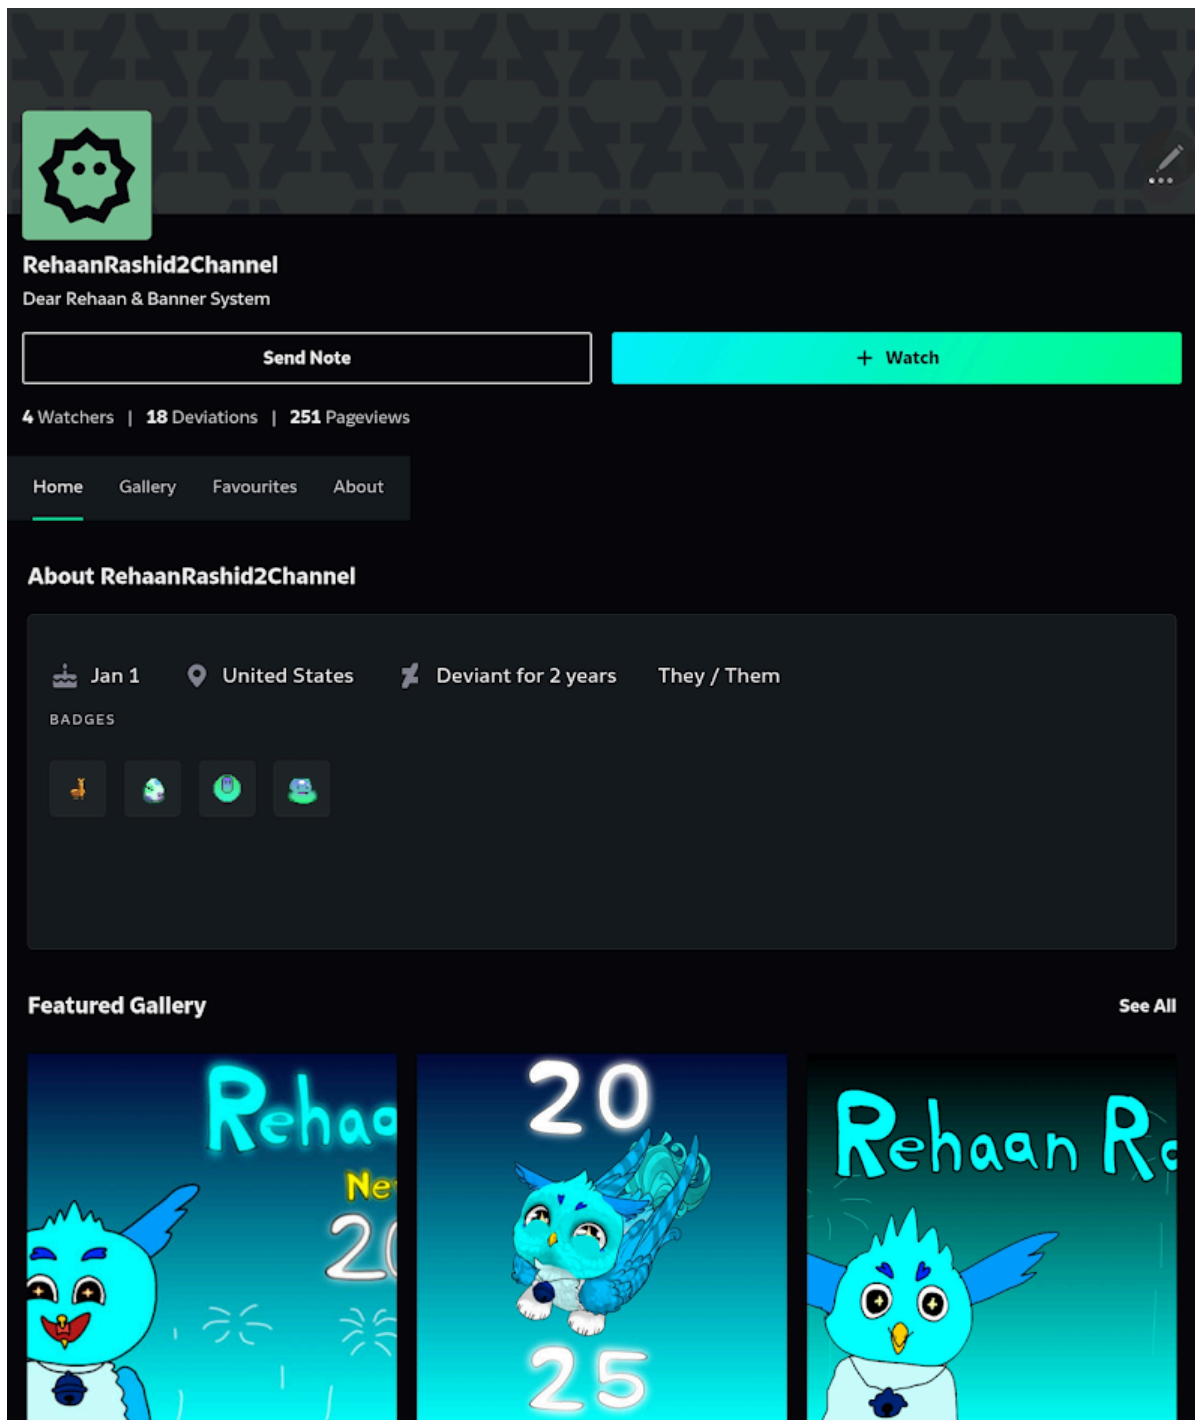

You said “This isn’t fake apology” but it is actually a fake  
apology, you keep begging people to forgive you, saying  
“Please forgive me” to anyone is looks annoying, you’re still  
acting like an 9 years old kid, you’re scared people getting  
mad at you

so just get out from internet

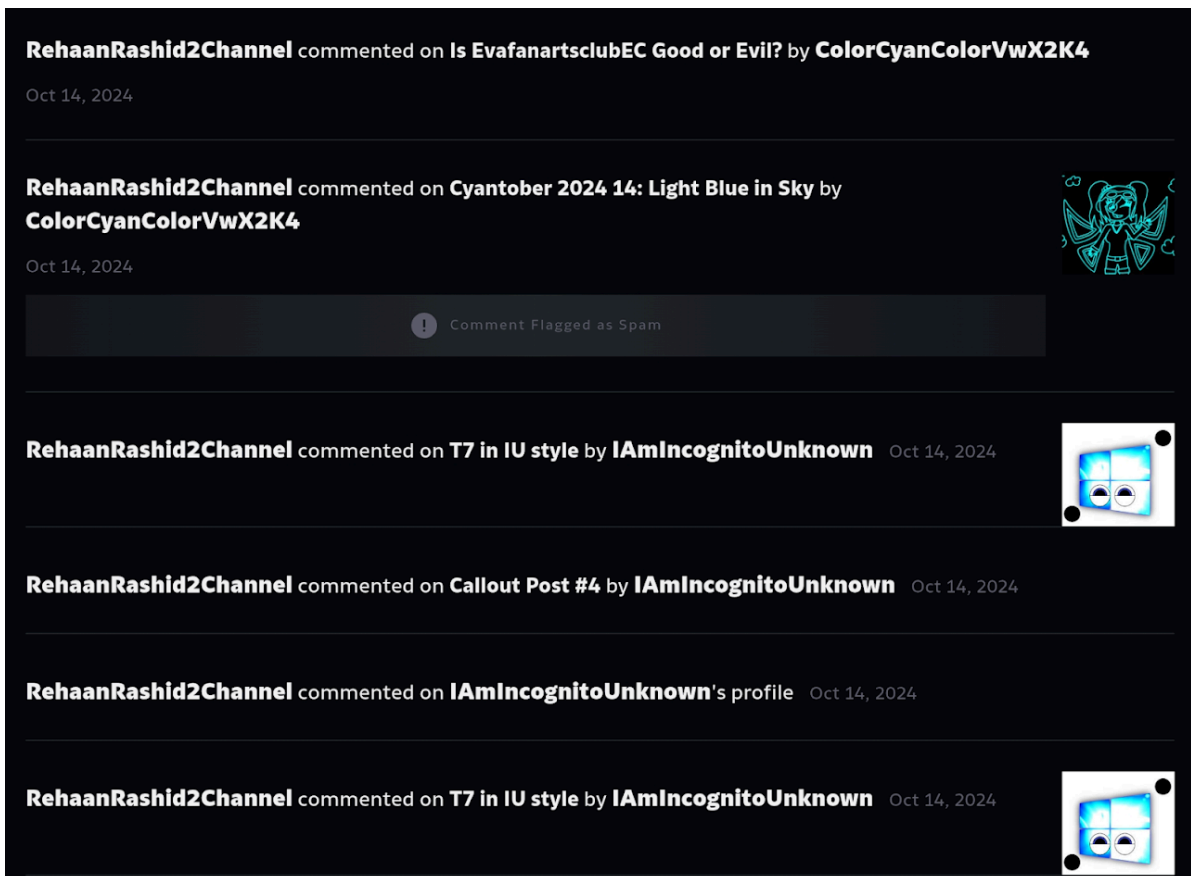

**DUDE!!!! FOR LAST TIME, I'M NOT SCARED  
PEOPLE GETTING MAD AT ME!!!! I DON'T  
CARE!!!! I'M NOT ACTING LIKE 9 YEAR OLD  
KID, I'M POSSIBLY TEENAGER RIGHT NOW!!!!**

## **Possibility Ban Evasion**

Rehaan made an alt account called RehaanRashid2Channel, he's causing a Ban evasion to any users who blocked him

It means anyone blocked you, and then you stalked us, when you're still hypocritical with your behavior

WELL, THIS IS MY 2ND ACCOUNT!!!! AND IT'S  
NOT BAN EVASION!!!! YOU IDIOT!!!! HOPE YOU  
IN HELL!!!!

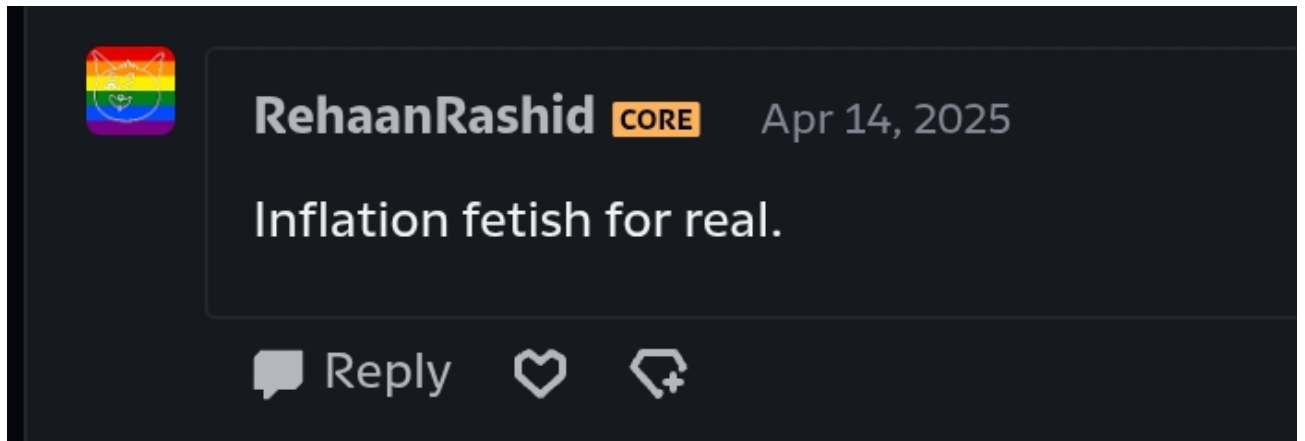

Do don't overreact if someone calling you out, it means you  
didn't change your mind, because is an excuse

I THINK IS NOT!!!!

## More Hypocritical

Rehaan claimed once again or admitted  
to not doing fetish again, and yet he keep

making more fakes promises when he still hadn't changed

It means, you can't change your mind because you're still love fetish, it means you hadn't changed being a stupid person, so...

I can't update the callout of Rehaan so much due to his mind hadn't changed today, as now I had to ignore him instead, If rehaan continue lying change his Behavior, he's really Non-Stop than ToonLandia2002

CYAN, I KNOW IT'S YOU!!!!  
YOU PEACE OF JERK, &  
GARBAGE MAN!!!! HOW DARE  
YOU MAKING CALLOUT OF  
ME!!!! I CAN'T APOLOGIZE TO  
IAMINCOGNITOUNKNOWN!!!!  
THANKS TO YOU, EVERYONE  
GOT BLOCKED!!!! BECAUSE  
WHAT YOU DID, YOU'LL SENT  
THE HOLLOW CAST OF THE  
BLACKLIST!!!!

## Conclusion

RehaanRashid is Immature, stalker, criticism dodger, and many more

He cannot be forgiven because he's continue making Terrible things, he falsely/Doesn't apologized because his fans/watchers didn't understand/believe, he don't handle criticisms, he's being whiny to any people reporting him or he's making dramas, etc.

Don't tell me to forgive Rehaan because he's an apology begger, suppliant and still hypocritical if you're fan or whiteknight of Rehaan

I will continue to Update this doc if he continues playing the victim card or breaking his promise, also if you do have proof about him

If you're friends or supporter of RehaanRashid, I guest to Block him and cut ties with him, if you continue supporting/Defend him, I'll block you

Because you shouldn't forgive Rehaan because one of his actions are still problem, he actually never changed his ways/mind, so you don't trust him (Despite him being still bad guy), because you should realize about his true colors. And also don't Join WeloveUI group because Rehaan who created a group, is still terrible person, if you don't believe Rehaan as the founder is p3do

If you do have encounter with him, don't listen him, just block him, don't unblock Rehaan because his actions/Drama are still happening, he will continue breaking his promise because he won't change his mind, he's still hypocritical, neither don't listen someone telling you to unblock rehaan because he's still p3do and bad person, just don't listen to Rehaan, he will make a false apology

I found that ian user already made another callout of Rehaan (that I don't support p3dophilia because of a accident):

[REDACTED]

Another doc that despicing a false Response:

[REDACTED]

To RehaanRashid, if you see with your friends and/or your followers, just go to reverend bullcrap/dumbass. So enjoy to quitting from DA for making horrible things and never say “no”, “no, I’m not” because you should accept to get terminated if you’re still a bad person. and Don’t say “Please I’m Sorry” because will look childish, so never come back for making many false apologies and excuses, NEVER COME BACK AND QUIT FROM INTERNET, but don’t “no”, you’re extremely toxic rehaan, is because you didn’t change your mind and you’re still bad person, you better quit from Internet

**Now, GET OUT OF THE HOUSE AND GO TO THE OUTCAST HOLLOW RIGHT NOW!!!! YOU KEPT ASKING PEOPLE TO BLOCK ME!!!! WHICH IS RUDE & DISRESPECTFUL!!!!**
