

LOCAL CONTINUING EDUCATION RELICENSURE COMMITTEE BYLAWS

School Consortium or District Name: Great Oaks Academy

Bylaws adopted on: 9/26/2025

PURPOSE

The local continuing education relicensure committee (“relicensure committee”) in Farmington, MN is established for the purpose of evaluating continuing education activities, granting appropriate clock hours for those activities, and recommending renewal of Tier 3 and Tier 4 licenses, including related service licenses, and is governed by the rules set forth in [Minnesota Rules, chapter 8710](#).

COMMITTEE MEMBERSHIP

Members

The local committee must consist of seven (7) members. Membership must reflect the following:

1. Five individuals, who hold at least a baccalaureate degree and are licensed by the Professional Educator Licensing and Standards Board (elected by licensed teachers and related services providers of the district).
2. One individual who holds a Minnesota administrator's license (elected by the licensed administrators of the district).
3. One individual who is a resident of the district and is not an employee of the school district (designated by the local school board).²

Chairperson

Each year, the relicensure committee must elect a chairperson by the end of September and establish the chair person's duties.³

The chairperson may call and conduct meetings, prepares agendas, records approved clock hours into the Continuing Education Clock Hour Reporting System, provide leadership in orienting new committee members, serve as liaison and contact person in the committee's relationship with outside agencies and individuals, and coordinate revision of local guidelines when needed.

Secretary

Each year, the relicensure committee must elect a secretary by the end of September and establish the secretary's duties.⁴

The secretary may perform the same duties as the chairperson, as well as review our yearly bylaws and our yearly roster, and initiate planning for any needed changes at the start of each school year.

Reporting

The relicensure committee must report its current membership roster to the Professional Educator Licensing and Standards Board by November 1 of each year.⁵ Failure to submit the roster by November 1 will result in deactivation of the committee's access to the Continuing Education Clock Hour Reporting System.

ELECTION PROCEDURES

Elections for the relicensure committee must be held in May of each year, for terms beginning no later than September 1.⁶ The term of office is two years.⁷ Reelection is subject to no limitations.

The relicensure committee must ensure that the members of each voting group are notified at least five (5) days prior to the election. The election must be conducted using secret ballots⁸ or such that a vote can be submitted anonymously.

Committee members' names will be made public on the Great Oaks Academy website.

The relicensure committee will advertise open positions on the committee at least one month prior to the election. If only seven qualified members desire to run for committee positions, they will by default earn those positions on the committee.

The relicensure committee may appoint an eligible replacement to be available in case a committee member is unable to finish their term.

COMMITTEE MEETINGS

The relicensure committee must hold an "organizational meeting" by the end of September of each year to elect a chairperson and secretary.⁹ The meeting may take place over Zoom or in person, and communication, including votes, may happen over email, over Zoom, or in person.

An orientation will be provided for new members upon request of new members by the secretary or the chairperson.

The relicensure committee must plan and schedule committee meetings, including the time and place.¹⁰ These meetings will happen only as needed through the school year. The relicensure committee must provide at least five (5) days' notice to all members and those subject to committee action.¹¹ Meetings may be held with two or more members of the committee present.

Additional meetings may be called by the chairperson or by written request of three or more of the members.¹² For the purpose of transacting business, or electing committee officers, a quorum is more than 50 percent of the total voting membership of the committee (4 members). A majority vote of committee members present and voting is sufficient to take action or elect committee officers.¹³

Annual Hearing

The relicensure committee must hold an annual open hearing to allow licensed teachers and related services providers in the district to review committee procedures. The committee procedures must be made available online in advance of the hearing. A quorum (4) of committee members will be present at the hearing to answer questions and note input and requests. The hearing must continue until everyone who wishes to speak has had an opportunity to do so. Although input received at the hearing is not binding, the relicensure committee will consider modifications consistent with licensure rules, if the information received during the hearing indicates that changes are necessary or desirable.¹⁴

COMMITTEE PROCEDURES

The relicensure committee must make all procedures publicly available.¹⁵ If someone is unable to access the procedures online, anyone may request a printed copy from the secretary.

Meeting Procedures

The relicensure committee is responsible for establishing a meeting schedule, as well as meeting procedures.¹⁶

At as-needed meetings of the relicensure committee, the chairperson or secretary apprises any attending members of any correspondence. The committee receives clock hour applications and assigns the numbers of clock hours earned for each licensed teacher and related services provider. In order to ensure consistent and equitable interpretation, any applications that do not readily conform to established guidelines are discussed by any two or more members of the committee and clock hours assigned based upon a file of past decisions and practices that is maintained for each category. A committee member's signature is affixed to each approved clock hour application.

Emergency Approval Procedures

The relicensure committee is responsible for establishing a procedure for emergency approval during periods when the committee is not regularly meeting.¹⁷

Approval for emergency requests during periods when the committee does not meet (for example, summers) may be obtained by contacting the chairperson or secretary, who are authorized to consult with one or two other committee members and take action on the emergency request. They may also make unilateral decisions about awarding and entering clock hours.

Recommendations for the Renewal of Teaching Licenses

The relicensure committee, or any member therein, is responsible for providing timely recommendations to the Professional Educator Licensing and Standards Board regarding the renewal of teaching licenses by assessing whether an individual has met all the renewal requirements.¹⁸ The relicensure committee, or any member therein, is also responsible for entering approved clock hours into the individual's record in the Continuing Education Clock Hour Reporting System. A recommendation by the committee consists of entering all CEUs into the PELSB system and making sure that the required total number of CEUs and mandatory requirements have been met. As stated below, every licensed staff member is responsible for knowing when their licenses expire and are responsible for acquiring the necessary CEUs in the required areas **before May of the year of expiration**. This allows time for a committee member to enter them into PELSB. Responsibilities of licensed staff members are listed in the Great Oaks Academy Faculty Handbook.

The relicensing committee is responsible for making decisions concerning whether to grant clock hours and the number of hours to be granted. The relicensure committee may ask any staff member requesting CEUs to fill out an application form if the training itself does not grant a CEU certificate upon completion.

Jurisdiction

All licensed teachers and related services providers are subject to the continuing education rules set forth in Minnesota Rules, chapter 8710.¹⁹ The relicensure committee is responsible for reviewing and assessing relicensure requirements for individuals employed in the district. If an individual is not employed by the district, the relicensure committee in the school district where that particular individual lives has jurisdiction.

Appeal Procedures

The relicensure committee's appeal procedures include:

- *When an individual has not been granted the requested number of clock hours by the relicensure committee, an appeal may be made to the committee within 20 working days after notification of the decision of the committee. Failure to file a written request with the local committee for an appeal within 20 working days constitutes a waiver of the individual's right to appeal to the Professional Educator Licensing and Standards Board.*

Final decisions by the relicensure committee for continuing education/relicensure may be appealed to the Professional Educator Licensing and Standards Board by the applicant within 30 calendar days after the date the denial is reaffirmed.²⁰

In the event that the clock hours under appeal result in loss of licensure, it shall be the responsibility of the appellant to inform the Professional Educator Licensing and Standards Board. The Board shall extend the previous license until all avenues of appeal have been exhausted.

RESPONSIBILITIES OF LICENSED TEACHERS & RELATED SERVICES PROVIDERS

It is the responsibility of each licensed teacher and related services provider to be informed of the relicensure requirements and to submit the application, appropriate verification, and other materials to the relicensure committee.²¹ It is also the responsibility of the individual to submit the online renewal application and pay the processing fee after the committee has verified that all renewal requirements have been met. Although recordkeeping is one of the committee's functions, licensure is a personal responsibility, and each applicant is URGED to keep a duplicate set of records as a safeguard against accidental mishap during the relicensure process. Responsibilities of staff members are explained in the Great Oaks Academy Faculty Handbook.

APPENDIX

Clock Hour Application Form (to be filled out by staff upon request of a committee member when CEUs are not explicitly granted, or for training done outside of Great Oaks Academy inservice training.)

Clock Hour Approval Application Form

This form is to be submitted with each request for clock hours to the local continuing education committee according to rules established by the local committee. View the Minnesota Administrative Rules 8710.7200 Clock Hours; Requirements for Renewal of Professional Licenses (<https://www.revisor.mn.gov/rules/?id=8710.7200>).

Duplicate this form as needed.
