

## Action Step- Mod 6

### Healing the Sick🔥

This week, we look for opportunities to practice the ministry of healing in Jesus' name.

#### **Declarations:**

Say these truths out loud!

- The same spirit that raised Christ from the dead lives in me!
- I am a carrier of God's resurrection life and power!
- God uses ordinary believers to heal the sick and raise the dead!
- The Holy Spirit is really good at His job, so I don't need to be an expert!

##### Healing Prayer

- Look for an opportunity this week to minister healing to others. See if anyone in your family or close friends needs healing prayer.
- In public, you may overhear people talking about sickness or pain in their bodies. This is an opportunity to ask to pray for them.
- If you see someone with a wrist or knee brace on, ask them what happened and see if you can pray for their healing.
- You can also ask God for a word of knowledge for healing for someone and see if it matches up. If you are at a coffee shop or restaurant, ask God if anyone there needs healing. If you get an impression, ask God who it's for and see if it connects.
- When you are ministering healing, you can ask God for a prophetic word of encouragement for them too.

Have fun practicing to let God heal the sick throughout your life. Remember, our main focus is to love the person in front of us, and ministering healing prayer is a powerful way to do that!
