

72 Hours In The Smut Den

When: Thursday May 12th 9pm EST - Sunday May 15th 9pm EST

Hosted By: [Rys Reading Corner](#), [Mel Lenore Reads](#), [Bobbi Reads](#) + [Covers With Cassidy](#)

How It Works

Read as many or as little books as you want.

There are two wheels (see below), each day you can pick which wheel you want to use (dark romance or light romance). But you **must** then use that wheel for **THAT** DAY. You can use a different wheel on Saturday than you did on Friday though.

Spin the wheel to get your trope.

You have 3 re-spins for the entire readathon (use them wisely)

Only restriction is that your book must have smut in it somewhere.

& Have Fun

We will have plenty of sprints going on, so make sure to tune in and turn on notifications for all of our channels!

Instagram Photo Challenge with the help of [@carriedawayreads](#)
Runs the length of the readathon. Use **#smutden72** so we can find your posts!

Friday: Recreate your favorite romance cover

Saturday: Spell S-M-U-T with books!

Sunday: Show me your favorite tropes!
