

June 18, 2025

Dear Councilmember Rick Cole,

We, the undersigned residents of N. Sierra Bonita Ave in North Pasadena Heights, respectfully request your attention and support in reducing traffic speeds on N. Sierra Bonita. In the distance between Whitefield and Asbury Dr. on N. Sierra Bonita, more than 20 children live and or visit grandparents. We want our neighborhood to be a safe place to raise them, for them to play and explore. As is, speeding cars are a constant threat. We have seen too many close calls involving students walking to and from Marshall HS when school is in session and hope that something can be done before tragedy strikes.

We have long been in conversation with DOT about reducing speeds. Our pleas have fallen on deaf ears. Our hope in reaching out to you is that we may come together to create a plan to calm traffic on our street.

Thank you very much,
