She was trapped in a mirror
And it couldn't be clearer
She wanted to leave this place
And get herself back in space

And dad you might think she's a criminal
But her friendship comes through subliminal
Lapis Lazuli, you fled into the bottom of the sea
Lapis Lazuli, you were so mad, but then you came around to me

There was a deafening noise
Warning earth to be poised
She didn't recognize her home
And she wasn't returning alone

Now it seems that we're criminals
Some gems are coming to end it all
Lapis Lazuli, you found your way home finally.
Lapis Lazuli, oh but when you got there what did you see?

Have a little have a little have a little faith in me
You don't have to be trapped
We have to fight it have to fight it to be free
Let yourself believe...

Please don't look away
and take her hand in yours

And we thought she may be criminal
But her friendship came through subliminal
Lapis Lazuli, now you're at the bottom of the sea
Lapis Lazuli, one day you'll come home to me...

En Español

Atrapada en un espejo
Sin poder escapar
Irse muy lejos de aquí
Para volver a su hogar

Podrás pensar que es una criminal
Pero su amistad fue subliminal

Lapis lazuli, Viniste del fondo del mar
Lapis lazuli, Molesta estabas y me diste tu amistad

Hubo un fuerte sonido
Advirtiendo al lugar
no reconoce su hogar
Y No volvera sola

Ahora Somos nosotros los criminales
unas gemas Vienen A todo acabar
Lapis lazuli, encontraste la forma de llegar
Lapis lazuli, que viste cuando llegaste allá?

Ten un poco, ten un poco, un poco de fe en mi
No debes estar Atrapada
tenemos que, Tenemos que, tenemos que pelear
Deja tu ser creer

Por favor no mires a otro lado
Y toma su mano en la tulla

Y pensamos que eras una criminal
Pero u amistad es subliminal
Lapis lazuli, ahora estás en el fondo del mar
Lapis lazuli, Algún día volverás a casa por mi...
