Application for CAPES Lab Research Assistant

Instructions: Please download this file, fill it out, and return it to me at hahansen@wm.edu

Name (and pronouns): Year in school: Current GPA:

E-mail: Major:

Expected Graduation Semester/Year:

Psychology/Research Experience

Relevant classes:

Research/lab experience, if any:

Other psychology experience, if any (internships, participation in studies, etc.):

Interests, Goals, and Skills

Psychology research interests (e.g., topics, methods):

What you hope to gain by working in the lab:

What drew you to the CAPES Lab in particular:

Post-College/Career plans:

Different aspects of work in the lab depend on different skills. While these skills are not necessary coming in (and can be picked up), knowing your strengths will help us find the best type of position for you in the lab. Please be honest!

Software skills, if any (e.g., Excel, Matlab, Python, SPSS, Jamovi, sound editing on Audacity, GitHub, Zenodo, etc.):

Personal skills that you'd bring to the team (e.g., detail-oriented, quick learner, good at interacting with people, etc.):

Anything else you'd like me to know:
