Hi, I'm Lucy, last summer holidays me and my family went to Paris. We went by plane. There was me, my parents, my brother Tim and my older sister Susan. We flew from Liverpool to Paris. We visited the most interesting places, as the Eiffel Tower and the Louvre Museum but we didn't make the whole city tour, because we were very tired. The next day, we did a restaurant tour. The food was delicious. We really enjoyed it. Paris is a beautiful city.

I remember my first day at school very well. I knew the school quite well because my older sister, Sandy, went there and every day, dad and I met her at the school gate after school.

I was five years old when I started school. Most children in my class started school in September, but I started school in January, when I was five years old, because my birthday is in December. Three other kids started school on the same day as me. I was excited about my first day. I had my new uniform: a black skirt, a white t-shirt and green jumper, and a new red bag. When we arrived that day, a teacher met the new children at the school gate. Dad hugged me and said goodbye. I stood with the other children. I didn't talk to them because I was too nervous and I wanted to cry. Then the teacher took us to the classroom, and as the time passed by, I made friends with half of the class. That day I ended up laughing with my new friends.
