ERICKA M. SINCLAIR, MS, MPH
Biography

Ericka Sinclair, MS, MPH is a health care visionary who, as the Founder and CEO of Health Connections, Inc., a healthcare firm that provides direct clinical care and wraparound behavioral and social service referrals for vulnerable populations who traditionally experience barriers to accessing health care. The clinic's areas of focus are Primary Care, HIV Care/Treatment/Prevention and Transgender Health. In doing this work, Ms. Sinclair has become an advocate, mentor, teacher, consultant and speaker on health equity, trauma-informed care, diversity and inclusion and health care access.

Since the beginning of the COVID-19 pandemic in March 2020, Ericka Sinclair has used her 25+ years of experience in international public health, emergency management response and health care administration to simultaneously coordinate several major pandemic response efforts – including COVID Testing and Vaccinations - for the Greater Milwaukee community. Ms. Sinclair continues to coordinate and spearhead multiple collaborative efforts with a diverse group of community, county and state organizations to respond to the ongoing crisis of COVID-19, while continuing to attend to the varied needs of clientele facing barriers to health care of all kinds. Her COVID-19 relief activities led to Ericka Sinclair being named the BizTimes Media's Notable Heroes in Health Care in December 2020.

Ms. Sinclair also serves as a Board Member of both the Milwaukee's Coalition on Lead Emergency (C.O.L.E.) and the City of Milwaukee Health Department as well as the Co-Founder of both the MKE Black Grassroots Network for Health Equity and the Milwaukee Wellness Collective. Each of these positions gives impactful and creative platforms for Ericka Sinclair to provide community-level health and wellness education and system-level healthcare changes – with one of the signature annual events being Wakanda Wellness Week.
