July 7, 2025 – Community – God Uses People

WISDOM FOR LIFE: God's method of healing is often the use of His people to comfort, counsel, and guide you.

1. _____ ☐ Even though I had grown up in Church, I knew very little about love, and most of my life had been based on performance and accomplishment, not "abiding intimacy." What are the relational patterns that have helped or hurt your growth?
2. _____ ☐ God has provided mentors who have guided me. Sometimes, I felt bad and guilt-ridden when confronted, but I later learned the freedom that comes with being confronted in love. I discovered God uses people to discipline me and at the same time be for me and not against me. Who are your mentors?
3. _____ ☐ I discovered through feedback from mentors that I had a particular gift for understanding Biblical principles in relationship to counseling issues and people's relational needs. I discovered my calling! What has been life-changing feedback that you have received? I Peter 4:10-11.
4. _____ ☐ God heals through His people; even the Apostle Paul experienced comfort in his depression through Timothy (II Corinthians 7:6). How have you experienced healing through others?
5. _____ ☐ Living in community is the doctrine of the Church. The Church, living in community, is the real physical presence of Christ on earth today (Matthew 18:20). He is inside each believer (I Cor. 3:16). HE lives in you, and wherever we are, He is! Are you practicing living in community?
