

LIEE Terms of Use

【 Introduction 】

This document serves as a guideline for those who wish to use LIEE, a vocal synthesis character created by julieraptor (“Creator”).

【 Character Information 】

The concept of LIEE is a deceased idol, resurrected without their knowledge as an android that contains all of their memories and personality. They sing in order to connect with their lost humanity.

The character LIEE is an adult of Filipino ethnicity.

The character LIEE’s gender is typically represented as non-binary and genderless. However, the character’s gender can be interpreted freely.

The character LIEE’s gender expression is typically represented as androgynous. However, the character’s gender expression can be interpreted freely.

The character LIEE’s sexuality is typically represented as monogamous and attracted to women. However, the character’s sexuality can be interpreted freely.

【 Voice Usage Terms 】

There is no payment required to use LIEE's voice ("Database", may be referred to as "model", "voice library", or "voicebank"). You are free to use the Database for individual commercial, non-commercial, and corporate use.

You cannot attribute the database to any other creator.

You are free to edit the exported audio files output from this Database.

You can use exported audio files using the Database in commercial or non-commercial works, without the Creator's permission.

When using LIEE as a vocalist (as a main vocalist or background vocalist), LIEE must be mentioned in the description (such as a social media post, video description, or song credits list), credited as "LIEE". LIEE does not have to be listed as a featured vocalist in the title of the song.

In cases where mention of the type/version of Database is relevant, the Database may be referred to with the full name of the Database (e.g. "UTAU LIEE", "BLACK SWAN QUEEN LIEE", "Diffsinger LIEE", "Diffsinger LIEE : Immortal Idol").

You cannot use the raw data or exported audio files of the Database as an input for AI-based voice-changers and instruments (such as Diff-SVC or RVC), automated voice service, sample pack or similar.

You cannot use raw data or exported audio file outputs to create a new database, or to supplement another database. Please contact the Creator if you would like to port LIEE to another singing synthesizer program. **Raw data from LIEE : Immortal Idol Proof of Concept can be used for training other singing synthesizer databases.*

You cannot use LIEE's raw data or exported audio file outputs to supplement the creation of content using AI intended to recreate the voice of a celebrity, paid vocal synthesis voice, copyrighted fictional character, or otherwise public figure.

You cannot use LIEE in AI-generated music and other generative AI contexts.

You cannot use raw data or exported audio files of the Database in pornographic content.

【 Character Usage Terms 】

The character may be referred to as “LIEE” or “LIEE REY”.

Usage of LIEE’s visuals is free for individual commercial and individual non-commercial usage.
For corporate usage, please contact the Creator for a license.

For commercial and non-commercial activities, you can create content and merchandise using visual depictions of LIEE without permission and without charge. While not required, it is appreciated to send the Creator a sample of the merchandise.

Existing official artwork of LIEE can be used without permission and without charge.
When using, please credit the appropriate artist.

Existing official artwork of LIEE cannot be used as an input for generative AI artwork.
You cannot depict LIEE with AI-generated artwork.

You cannot use the character in AI-generated pornographic content.

For commercial activities, existing official artwork cannot be sold.
You cannot use existing official artwork for album covers, merchandise, etc.

Designs inspired by LIEE’s visuals must mention it is inspired by LIEE.

You are free to create sexual content.
You are free to create violent content.

【 Prohibited Usage 】

Please refrain from using LIEE in the following contexts:

- Content biased towards a particular political belief or ideology
- Content biased towards a particular religion, or creed
- Content that violates public decency
- Content that misrepresents, harms, or impersonates the Creator
- Content that misrepresents or harms other individuals and other companies
- Any other content the Creator deems inappropriate or breaks the Terms of Use

The following types of content are unconditionally prohibited:

- Criminal or illegal content
- Explicit underage sexual content
- Bigotry and hateful content

【 Other 】

The Creator holds no responsibility to any incidents, damage, or loss by the user from downloading or using the Database or character.

The Creator holds no responsibility for any incidents, damage, or loss that occurs to any third party as a result of usage of the Database or character.

The Creator or the Developer (Database trainer, and/or individual attached to “OTO Configuration”) aren't responsible for any legal issues created from the usage of LIEE.

Upon breaking the Terms of Use, you are required to cease all activities related to the Database and remove its files from all related platforms, along with the content or such that led to the breach.

These Terms of Use are subject to change without warning.

Please check the Terms of Use before publishing content to ensure compliance.
