

## Privacy Policy

Last Updated: April 6, 2026

Vocal Command Guide ("we," "our," or "the App"), developed by NYONSUAHNIAWAY EMMANUELKOFI KASKA, is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and disclose information when you use our mobile application.

### 1. Information Collection and Use

We do not require user registration or authorization. However, to provide and improve our service, we collect certain data through third-party providers:

**Identifiers:** We may collect User ID and Device ID to identify unique users for analytics and attribution.

**Usage Data:** We collect information on Product Interactions (e.g., features accessed, buttons tapped) to understand how the App is used.

### 2. Third-Party Services

The App integrates third-party services that may collect information used to identify you:

**Firebase Analytics:** Used to monitor and analyze the use of our App.

**Adjust:** Used for marketing attribution and advertising analytics.

**Pushwoosh:** Used to send and manage push notifications to your device.

### 3. Cookies and Tracking

The App does not use cookies or similar tracking technologies locally on your device.

### 4. Offline Functionality and Neural Translator

The core command catalog is available offline. While the Neural Translator processes voice input to provide English command translations, we do not store your voice recordings or personal conversations on our servers.

### 5. Children's Privacy

Our App is rated for users aged 4+. We do not knowingly collect personally identifiable information from children under 13. If you are a parent or guardian and you are aware that your child has provided us with personal data, please contact us.

### 6. Security

Мы стремимся использовать коммерчески приемлемые средства защиты вашей информации, но помните, что ни один метод передачи через Интернет или метод электронного хранения не является на 100% безопасным.
