from Pastor Jason...

In my article for the February Newsletter I mentioned that the council was going to begin some intentional work around restructuring our leadership team (council). I also mentioned that we are going to be working on visioning and dreaming for our future (an ongoing process).

Each Sunday, we are reminded that God is behind us, beside us, above us, beneath us, within us and goes before us. We trust that God is at work in us and through us. We seek to follow where the Spirit is leading, we seek to live into the ministry that is before us. We, individually and corporately, are always discerning the will of the Spirit. The leadership of the church does not do this alone. It takes all of us to be part of this.

There will be ways for you to be part of the visioning and the work of this congregation. At this point in time I ask that you continue (or maybe add) to your prayer practice praying for our congregation, for it's leadership, and what God is up to. The council will be using the "Ventures Unknown Prayer," I wonder what would happen if we all committed to praying this prayer every day through the season of Lent and Easter. How might this prayer open our hearts and minds to what God is calling us to be for the sake of the Kingdom in this world? How it might open us up of where and how to serve?,

O God, you have called your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown. Give us faith to go out with good courage, not knowing where we go, but only that your hand is leading us and your love supporting us; through Jesus Christ our Lord. Amen.

Blessings,

Pastor Jason
