

Summer 2026 Course Catalog: Grades 9-12 (High School)

Welcome to our Summer 2026 class schedule for High School

AP Classes

AP gives students the chance to tackle college-level work while they're still in high school—whether they're learning online or in the classroom. And through taking AP Exams, students can earn college credit and placement.

Taking AP courses and exams in high school could give you an advantage in college by letting you:

Earn College Credit and Placement

Your AP score could earn you college credits before you even set foot on campus. In fact, most AP students who enroll in four-year colleges start school with some credit.

Save Money and Time

Earning credit or placement can open up time on your schedule or even let you graduate early.

Stand Out to Colleges

“AP” on your high school transcript shows colleges you're motivated to succeed, and taking the exam demonstrates your commitment to tackle and complete college-level work.

Keep Your Options Open

Earning college credit with AP can give you the flexibility to change majors, pursue a second degree, study abroad, or seek internships.

Course Name	Class Days	Start Date	Time (ET)	Coach	Fee	No of Classes	Applicable Grades
AP Calculus AB and BC	Mon	July 20, 2026	07:30 PM – 08:30	Advaith, Manisha, Rishub	\$350	25	9th, 10th, 11th, 12th

			0 PM				
AP Physics 1	FRI	July 17, 2026	08:30 PM – 09:30 PM	Gopalan Iyer, Vinay Mogalothu, Savithri S, Ram Sivaraman	\$350	30	9th, 10th, 11th, 12th
AP PreCalculus	SAT	July 11, 2026	07:00 PM – 08:00 PM	Ishani	\$350	25	9th, 10th, 11th, 12th
AP Computer Science A	SUN	July 12, 2026	12:00 PM – 01:00 PM	Prem Thangaraj, Shritha Repala, Ishika Vakharia, Vidyut Senthilkumar	\$350	30	9th, 10th, 11th, 12th

- **AP PreCalculus:** Precalculus is a course designed to prepare students for Calculus, in high school or college. Calculus is a study of rate of change, the goal of precalculus is to equip students to handle rigorous and dynamic concepts by helping them to connect their previous learning from Algebra and Geometry.
 - **Regular Deadline and Fees: 07/07/2026**
 - **Late Deadline and Fees: 07/08/2026**
- **AP Calculus AB and BC :** Sessions will include the foundation of limits, differentiation, and integration, along with their applications. There will be an emphasis on problem solving using questions that represent what will be asked on the exam.
 - **Regular Deadline and Fees: 07/16/2026**
 - **Late Deadline and Fees: 07/17/2026**

- **AP Physics 1:** The AP Physics 1 class will cover both content and problem solving from the AP Physics 1 exam. The sessions will include the basics of kinematics and dynamics in a linear and rotational sense. They are backed with math and problem sets that resemble the actual exam.
 - **Regular Deadline and Fees: 07/13/2026**
 - **Late Deadline and Fees: 07/14/2026**

- **AP Computer Science A:** AP Computer Science A is an introductory Comp Sci course in Java that exposes students to the fundamentals of coding. Heavy emphasis on logical thinking. Recommended for people grades 9-12 and exceptional 8th graders.
 - **Regular Deadline and Fees: 07/08/2026**
 - **Late Deadline and Fees: 07/09/2026**
