Putnam County High School

Mr. Dustin Schrank
Principal

January 7, 2025

Dear Parent/Guardian of an 8th Grade Student:

We formally invite you to attend 8th grade night scheduled for Wednesday, January 14th, from 5:00 – 7:00 PM at Putnam County High School. This evening will serve as your primary opportunity to review the registration process and student expectation as your child transitions from junior high to high school. As the parent of a future freshman student, we highly recommend you and your child's attendance at this event.

The orientation will begin with a brief information session led by PCHS administration. Our teaching staff and student groups will then be located throughout the school for you and your student to ask questions, join clubs and groups, and orient yourself to the building. We encourage families to visit every department and student organization as connections and understanding at this time will facilitate a smoother transition in August.

Though the journey may have started years ago, final steps before post-secondary education or career placement are put in place during a student's four years at PCHS. Defining the academic routes to take throughout the four years and assuring that you have an understanding of expectations is critical to success.

We look forward to providing excellent opportunities for teaching and learning with your child and hope to see you on January 14th. If you have any questions prior to that date or at any time, feel free to call the office at (815) 882-2800 ext. 4.

Sincerely,

Mr. Dustin Schrank
