September 8, 2023

Dear Hill-Roberts Families:

Thank you for such a great start to our new school year. For safety reasons, we wanted to post our pick-up and drop off procedures for those students not using a bus. These procedures ensure that your child is safe when you pick them up and ensures our bus drivers safe access in dropping off and picking up students, as well. Drop off takes place in the side parking lot on Roy Avenue. Parents take the first left turn into the parking area.

- **THERE IS NO PARKING ON THE “IN-BOUND” SIDE OF ROY AVENUE**
- If you are JUST DROPPING OFF, proceed with the line of cars to the exit at the far end of the lot. Please remain in the right-hand lane on Roy Avenue until you can fully enter the parking lot so we do not block Roy Avenue, leaving access for cars and buses departing after drop-off. When you are one of the first four cars, your student(s) may get out of the car. For safety reasons, if they get out on the drivers’ side, walk towards grassy area. If they get out on the passengers’ side, have them walk IN FRONT of your car and proceed to the grassy area. Staff will be there to help. You may then exit out of the lot and have a great day!
- If you choose to PARK AND WALK your child to the door, you may park in any available space, except those marked in red in the photo below. Please be cautious when walking your child to the door, as there will be cars entering and leaving the parking lot. For the safety of our students, if you do park in the side lot, we ask that you do not exit the lot until you are given an “all clear” signal. You may have to wait 5 to 10 minutes to exit. As an alternative, you may park on the outbound side of Roy Avenue, adjacent to the parking lot, and walk your student to the door. This does allow you an easier exit. Parking begins north of the parking lot, AFTER the exit lane of the parking lot.
- **The final bell rings at 8:45. This is when your child should be IN THE SCHOOL.** If you do not arrive in time for your student to be in the building by the bell, you need to park in front of the school and escort your child in to sign them in.

Pick-up, at the end of the day, has remained pretty much the same as in previous years.

- If you are JUST PICKING UP and will remain with your car, proceed down Roy Avenue, go around the small planting and go as far as you can, all the way up to the edge of the entrance of the larger parking lot, next to the dumpsters. Please remain in/with your car and as soon as your child is safely buckled in, you are off! For safety reasons, please have students get into the car on the passenger side.
- If you choose to PARK AND MEET your child at the door, you may park in any available space in the lot, except those marked in red in the photo, or on Roy Avenue, north of the parking lot, closer to the baseball field. Please be cautious when walking your child back to your car as there will be cars entering and leaving the parking lot.
