How to Audition

Fill in the [Google Form](#) with the following information:

Name

What would you like to be called?

Audition Playlist

Create a YouTube playlist of your best videos. The playlist must contain a minimum of three (3) videos that add up to at least 30 seconds altogether, with a maximum of up to eight (8) videos to the playlist.

If the upload date is nowhere near the completion date, please add the approximate completion date in the notes of the playlist. You may edit your playlist at any point before the audition deadline.

Discord

You must have a Discord account in order to be a part of the studio. If you do not, it's very easy to make an account [here](#). You do not need to install discord, as it can be easily accessed through your browser.

Your Discord username is required so that you can be contacted. Please do not change it before being contacted, as we may not be able to get in touch with you otherwise.

Spritesheet or single pose of your character

Link your spritesheet if you have one for use in the results video! If you do not have a spritesheet, please use a single, preferably edited or custom pose of your character!

Time Zone

Which time zone do you live in? Pacific, Mountain, Central, Eastern, etc.

Program(s)

What program(s) do you use for animating?

Why do you want to join Storia?

It isn't necessary to answer this question, however, it may benefit you to do so as it will give us insight as to what kind of a person you are.

Questions can be DM'd to Candy#4087 on Discord!
