1 The Book of Life (Part 2) "The Living Library" 4/26/25 - Pastor. Shane Vaughn

* 00:00 The title of today's message is the library of life. The library of life. Why would I preach the library of life?

2 Because if careful you're not, you will only see the book of life as one volume. But brothers and sisters, on this graphic, I've tried my very best to show you the many books that are alive. Those books are not dead. They're alive.

3 And the life that's in every book is coming from the same source at the end of that hallway, the light of Yahweh. But it's in all the books of life, the library of life. Everyone here today has a spot on one of those shelves. Hallelujah.

4 Because the story of the life of the lamb is not complete without the whole library. Amen. Amen. And if careful we're not, we will read one book, one chapter on the life of Christ and think we've read the book of the life of the lamb.

5 But brothers and sisters, the Apostle Paul said, "Every one of you have been turned into a living epistle read of all men.". You are part of the living library, the library of life. Yahweh's writing a story and there's not enough books in the world to contain. The Bible said if it were written, oh, come on now.

6 I just need a little help here. If it could be written all that there is about Yahweh, there wouldn't be enough books in the world to contain that life story. Amen. That's why he's constantly adding.

7 I'll give you an example. When I called Elder Su up here today, he's constantly adding more chapters of his glory in book after book after book, but it's all the same life from the same

lamb. It's all the same story. Someone that was defeated by drugs, that overcame drugs, that learned obedience by what he suffered.

8 The story never changes. It's just got a lot of books. Hallelujah. But there is a part of the story that we fail to comprehend.

9 Revelation chapter 1. And I look so forward one day when we finally get to the book of Revelation to really break these down. But I have to just touch on it today. By the way, we sure miss Sister Sarah and brother Shepherd this morning, but I gave them an excuse.

10 They are out ministering because one of the messianic groups has asked her to come today and teach on the Zetakite calendar. So, she's out working for the Lord today. Amen. We bless her today.

11 Revelation 1 and 1. Most people that read the book of Revelation do not understand what the word revelation means. Somehow when we think of the word revelation, we think of something hidden, cryptic, apocalyptic. Something hidden.

12 But I'd like for you to think about something. The very name of the book is the total opposite of hidden. It's revelation. It's the unveiling, not the hiding, not the covering up.

13 It's the unveiling of something. Now, we have to ask the question of what? Well, I'll tell you what it's not the unveiling of. It's not the unveiling of the Antichrist.

14 It's not the unveiling of nuclear war. That all went in Daniel's book. It's not the unveiling of grasshoppers with long hair. It's not the unveiling of Babylon.

15 This book has one purpose. It's in the first line of the book. The revelation of Yeshua the Messiah. If every verse in this book is not showing you Yesua and you think you're reading about endtime events and you're reading about nuclear wars.

16 No, no, no, no. This is a revelation of Yeshua the Messiah, which Yahweh gave to him to show his servants things which will shortly come to pass. And he sent and signified it. When you break that word up, the whole book is a book of signs.

17 That's right. He signified this book. That's right. The signs is what you look at, but they're not what you see.

18 Amen. Amen. He signified it through his angel, his proxy to his servant John. Hallelujah.

19 Hallelujah. Go with me to the book of Revelation. Chapter. 3.

20 John is Elijah. Okay? And now the the the Apostle John is coming in that same spirit because he's about to reveal Christ. Any true anointing of Elijah will reveal to you who Yesua is.

21 He will reveal Christ to you. Thank you, pastor. Verse 14, chapter 3. And to the angel of the congregation of the house of Yahweh of Leodysia, write these things, says the faithful

and the true one, the one testifying of the faith and the truth, the beginning of the creation of God.

22 Now remember what is this a revelation of in the and the whole book is a revelation of who? And you just got your first marker of who he is. He is the beginning of the creation of Elohim. Yes sir.

23 Now, when most people read that, they would say, "Well, that means he was the uh first thing God created.". And that's where they get pre-existence from. No, he's not the first thing God created. He's the first thing that God created in the building of something very unique, something only begotten, something very new.

24 He was the beginning of the creation of the Elohim. Now, what is the Elohim? The family of Yahweh or the God family. Sit down.

25 Bring me my board because I've already felt something. Hallelujah. I want to show you how ignorance takes over our minds. Bring it right up here, Elder, if you don't mind.

26 Thank you to our elder at large. Amen. Elder Hambridge. Good man right here.

27 Amen. Thank you, Elder. Now, when you take the word family of God, every Christian in the world will say, "Amen.". Okay?

28 Nobody has a problem with this. Let's break the word God down in this particular meaning. In Greece, in Greek, it's theos. And theos is a direct interpretation of the word Elohim in Hebrew.

29 So, let's read this again. Yesua is the beginning. And pull that up for me. Pull up blue letter Bible and pull that verse up.

30 Let's get ready to do a little word study here. The family of Let's X out. God. Oh, I hope they don't clip that.

31 X out. God. I didn't mean like that, children. Let's X out Theos.

32 And let's go with the original of Elohim. Yesua is the beginning. Now, first of all, let's find out that word beginning. If you want to pull it up for me, just go up there where it says verse word, topic right there, and type in your scripture.

33 I'm going to show you how to study your Bible. Click on one and no, go to three, I'm sorry. Let's go back. Three and uh was it.

34 14? 314. 3:14. Here's how you won't be deceived.

35 Click on 3:14. All right. Now, scroll down and bring me to the word beginning. All right.

36 First of all, before you click on it, the Greek word is arc. Now, I would just like for you to use your brain and tell me some words that come right to your mind. Okay. Now, the archangel is the what?

37 Not necessarily the first thing created, but it is the first in hierarchy. That's right. The archangel is what? The angel Lucifer was an archangel.

38 Meaning he was in position to be first. This does not mean he was created before anything else. It means he was positioned as the ark or the arch. Okay.

39 The covering. What do you think the word cherubim in the old Hebrew that is the covering angels or the ark angels? Now click on the word ark and anytime you want to know because that word beginning is very misleading. Now it's pronounced araya.

40 Where do we archaic archaic? Archaeology. All of those words come because what is an archaeologist looking for the first. They keep digging to find the first.

41 Go down. Scroll down to the bottom for me. All right. The person or the thing.

42 Look at definition number two. First of all, let's go to the second one up here on my right. It's translated principality eight times in your Bible. It didn't say Yeshua was the beginning of the creation of Yahweh.

43 He is the principality. Satan is the principality of another creation, the creation of rebellion. Yesua is the principality or the ark, the covering, the first of something. Now, if you'll go down, scroll down to the bottom for me for number five.

44 Go back up the first. Look at that. The first place, principality, ruler, majesty of angels or demons. And if you'll read through all the meanings here, one of the words is corner, like chief cornerstone.

45 He is the first of the estate. Look at that word estate. The family estate. He is the first of the estate of the family.

46 Now go back up and let's follow this meaning to its root. Go all the way up. Click on the root, the etymology right there. Always follow the root to get the true meaning.

47 Arcomi Archime scroll down now to be the first to do something or anything to be the chief, the leader, the ruler. Now, if you don't know these meanings, you will think that your Bible just said Jesus is the first thing God created. And that's where you get pre-existence from. And people that believe and preach it, y'all better listen to me because you're going to be dealing with people that tell you, "But the Bible said Jesus the beginning".

48 No. Yesua is the first of the creation of something. Not an old creation. Amen.

49 But where all things become new, a new creation. He was the first of that creation. Let's go back and look at the word. Scroll.

50 Back. Go back. X back for me. Go to another word.

51 Amen. One more. * 15:23 Now go to the creation. Click on creation.

52 The Greek word is tiss. Scroll down. Now I want you to notice in the first line the act of founding or building an institution or an ordinance, the sum or the aggregate of everything that's being created. He's the sum and the aggregate of all the books in the library.

53 Amen. He is the sum and the aggregate. Without you, he's not the sum. This library is what?

54 He's the beginning of. He is the first book in the library. But without your book, his first will have no last. You need to comprehend it.

55 I realize I preach sometimes too deep for folks. I get that. But I get so sick of people thinking they know their Bible coming at me. You don't want to do that because I know this book, honey, from top to bottom.

56 I've studied it. I know what Yahweh is building right now. He started with Christ and what he's building is a building, a third temple of which Yeshua is the cornerstone of this temple. Now, he is the beginning of the creation of something called God or Elohim.

57 Watch this now. Now, now see how everybody's okay with this family of God, right? Everybody good with that? Look, let me show you how ignorant people are.

58 Watch this. Watch this. I'm so glad. I'm part of the God family.

59 Oh my god. I'm part of the God family, bro. That's That's blasphemy. Well, I I just said I was part of the family of God and you was okay.

60 Your ignorance can't stop my revelation and my understanding. Yeah, you can be ignorant. All you want to, but don't ever ask me to be because what Yesua was the beginning of was the creation of something called God. Yes, sir.

61 Or. L. What does L mean? Mighty one.

62 Elo is a singular mighty one. Elohe is a plural of mighty ones. What Yahweh is building is the Elohe family or the family of Elohim. And Yesua was the eldest brother of that family, the ark covering, the first, the corner of this institution called the Elohim or the family of Yahweh.

63 And if people don't know that, they'll throw that scripture in your face. It says right there and you they don't give you no time because this stuff takes time. It just took me 30 minutes to teach you what you never knew. Amen.

64 And when you come to understanding who you are and who you are in that library, if you don't know that Yahweh is currently building something out of living stones, he is building the third temple with living stones. And Yesua was the chief corner of this new building.

That's the revelation of Yesua, the Messiah, and who he is. Now, we get all excited about the chief cornerstone.

65 But I don't know if you've ever went seen a building. If all you got a cornerstone, you ain't got nothing. I'm teaching you today that you are part of what Yesua was the beginning of the God family. Yahweh has a message for the world to read.

66 And if you've got a message and you want someone to read it, I've got a message. The only way I can get it out there, I've got to print it. Yesua was the printed message of the of what Yahweh had to tell the world. He was the printing of the message.

67 He said, "I am the book.". Hallelujah. Hallelujah. The message that Yahweh wants to give the world, what is it?

68 I'll tell you what it is. He wants the world to know his goodness. He wants the world to know he loves his creation. He wants the world to know he's not a monster.

69 He wants the world to know that he's didn't create a world that he can't control. He wants the world to know that he has all things working out for their good. He wants the world to know that. But there's a problem.

70 The world is over on megahertz 99.9 and the broadcast is on megahertz 10,000 and they're passing each other up. Hallelujah. Yahweh has a message for the world. He wrote it in the stars.

71 He wrote it in a book. But the whole world's still passing it up. The revelation of Yahweh. Why do you think the man Yesua said these words?

72 They said, "When will you show us the father?". The author. I'm the story written by the author. I'm the book walking among you.

73 And you want me to show you the author. You can't show an author anymore than showing off his book because he is in the book and the book is of him. Yahweh wanted to show the world what loving your enemies was. But the problem is there was no antennas that was pulling in that message into an evil world because Satan is the prince of the power of the air.

74 He blocks that message from reaching the world. And then Satan creates his own church and gets his preachers to preach a distorted view of God. And so Yahweh, the God of heaven, said, "I think I'll write a book.". And no, it's not going to be the Bible.

75 The book that he's writing very soon will become the world's bestseller readal of all men. Yahweh is writing a book. He's writing a book of life. He's writing a book of life in these books that the whole world is going to read.

76 It will be the world's best seller. And no, the world's not going to pick up the Bible. Oh, no. You picked up the Bible.

77 So you could get the message. But one day soon you will be the Bible, the word of God written in flesh, read of all men. I if if if you never read a Bible, if you could get around my grandma, Sister Gatlin, you could have read the Bible without reading the Bible. Oh yes, you could have known what God was like.

78 You could have known what he wanted to tell the world about holiness and separation and salvation. All by reading a Bible in flesh. This message is being written upon the pages of your life, your minds, your heart, your actions. It's being written on.

79 Somebody said what? It's being written on dead paper. Dead. Those that have cut off their heads.

80 Because what's in your head, your story. Hallelujah. What's in your head? Your way of doing it, your story.

81 But he said, "If I can cut your head off, uh, and if I can put my head in you, uh, I'll write another chapter of what I can do in a person's life. Oh, I'll make you part of the library of life. I'll make you my latest chapter." He said, "If you'll lose a child and a grandchild and let me cut your head off, I'll let the world see uh what trusting in me looks like.

82 Uh they don't have to read about Job in a Bible. They don't have to read about the patriarchs. They can look at you and read me. Hallelujah.

83 Thank you, Hallelujah. Do you realize Yahweh did something for you, Elder Morgan? He didn't even do for Abraham. Abraham didn't know what drugs was, son.

84 Abraham had never been so bound in his mind. Things was chasing him outside of his house. Don't you understand that's an old story? What he's done in your chapter is a new story and it never stops growing.

85 It never stops being written in the world today. Hallelujah. I can hardly find the words for the glory of Yahweh's book of life company. But one day, this book, you know, I'm right now in the process of writing three books.

86 And the more I write, I think I'm getting close to the end, but the more I write, the more I want the world to know of what I know. Yes, sir. The more I want to release to the reader what's in my mind. And so I just think I'll reach over and write another chapter.

87 Think I'll write another little chapter so they can get to know my mind real good. Hallelujah. The problem with the Christian church, they thought Yeshua was the story. This book one day is going to be prepared, published, and it will become the greatest bestseller of all ages to come.

88 I want to point this out to you. Watch this. The more things change, everything repeats itself. It's called the law of reciprocity.

89 Watch this. I want to show you something, and you're going to have to really watch. *
30:08 The first Bible Yahweh ever wrote was the Mazeroth. Then as time progressed, he wrote another Bible called Nature.

90 Oh, if you want to know about God, just go look at nature. Then he wrote another Bible called Torah. And then he wrote this one for us. Put it all together.

91 All the rest. It's not that they're obsolete, but they're being advanced. You listen to me. This has been the world's best seller for thousand years.

92 But I'm I give you my word very soon. Just as the Mazeroth is in our past, just sh. There's another Bible coming forth. I said there's another Bible about to be given to the world.

93 There's another Bible about to be published and it too will be the world's bestseller. It too will bring all men to Christ. That Bible will be read of all men. Hallelujah.

94 What if What if you couldn't get another Bible in your hands? What if they throw you in prison? What if they. Go to you go to China?

95 You can't get your hands on a Bible. Yahweh will have somebody in that prison with you. That is the Bible. They'll walk by your cell and say, "Praise the Lord, brother.

96 How you doing today?". God is good. All the time, isn't he? Don't say nothing.

97 But in the Lord good, you see, the Bible will follow you because it's being written with a mouth. Pastor, when you see me love my enemies, you don't even need to go read love your enemies. That's right. Bible.

98 Torah brought us to Christ. Now, watch this. Torah was our school master, was it not? We didn't do away with Torah.

99 But we did get another uh uh replication of what Torah was saying in a new way, a new and a wonderful way through Jesus Christ, Yeshua, the Messiah. Amen. The Bible said in times past he did speak to us through the prophets. But in these days, he speaks to us through the son.

100 Hallelujah. I prophesy of another day. That's coming that says he did speak to us through the sun. But in these days, he's speaking to us through the sons.

101 Hallelujah. There's another day coming. There's another day coming. Your story is being written.

102 Hallelujah. I take that back. His story is being written in the books of the life of the lamb. Uh the life of Yahweh uh the love of Yahweh.

103 The faithfulness of Yahweh is being printed on your printing press called the mind of the Holy Ghost. Hallelujah. Every believer is a living book on Yahweh's shelf. And together,

this creation, this Elohim, this family makes up the library of life filled with living and breathing epistles.

104 How many times have you read that verse that your living epistles read of all men and never understood that you're from the library of life? Revelation. I want you to imagine a vast heavenly library. But instead of dusty scrolls and books, each volume is walking, breathing, and shining.

105 Every book is a son or daughter of Yahweh. In other words, they are God. I'm sorry, Elohim. You see how ignorant people are?

106 You said y'all was God. I'm so sorry for your ignorance. I sure did because God is Elohim and God is a family. And if I'm in that family, then Jesus was the beginning of the creation of God.

107 I'm one of them, Elder. Hallelujah. Bless. They told Yesua, "You call yourself a son of God, you make yourself divine."

108 He said, "Did you not read in Torah that even the judges of Israel are the Elohim?". Oh, brothers and sisters, you better find out who you are. Yes, sir. Now you see why the devil tells you all the time to me just preach Jesus.

109 Wouldn't you love that? Wouldn't Satan love for me to just preach Jesus? Baby, I can't just preach chapter one. I've got to tell you how this story is going to end.

110 I've got to tell you what he was the beginning of, what he started, what he's building in this very hour. There is no such thing as simplicity anymore. No, we're we're in the library now. Anybody ever went to the library to read something simple?

111 No. You're going to research. You're going to dig. You're going to find truth.

112 Uh you're going to find what's behind the book together. Each book makes up the glorious library of life where Yahweh's full character is not written in ink but in the words of people's mouth. Hallelujah. That's why Yeshua had to be so careful to say these words.

113 I say only what was written in my book. Hallelujah. Because I'm being read. I'm being read.

114 And if I've come to bring the story of heaven to earth, the only way that story gets out is not through ink, but it's through my tongue. I got a question. When you hear somebody running somebody down, do you think for a minute that's heaven talking? That's your heavenly father talking?

115 Recognize what story are they telling? Because if it's the father speaking, all you're going to hear is restoration. All you're going to hear is what God can do for that person. All you're going to hear.

116 Is all is not lost. All you're going to hear is forgive. 70 times seven times a day. Hallelujah.

117 Hallelujah. Pastor, how do I get to a another page turn in in the story in my life? Watch this. Watch this.

118 This book, the next chapter of the story can only be written or understood when I turn the page. This page has to be obedient to the hand of the father. He can no longer write in you if you refuse to turn. If you refuse to repent.

119 If you refuse to be pliable in the hand of the writer. Obedience will turn your next page. Obedience will turn your brother. You say, "God, write your story in my life."

120 He will. Every time you obey him, you've given him another page to continue writing his life in you. Would to God. I could preach this like I feel it.

121 Hallelujah. The story of God. You won't hear about him in a pull pit. No.

122 All you hear up. Here is everybody's going to hell. Fire and brimstone. That's not the story of God.

123 He said in his word that every knee was going to bow and confess him as Lord. He said in his word that I've got a plan. But you see, brothers and sisters, your chapter, your page, he can't write more of himself. Watch this.

124 Watch. * 41:06 This now. But watch this now. One day, some of you saw my video on YouTube.

125 You heard something. And at that moment, there's many people that heard the same videos you heard. Do you know that they're not here today? They were never here.

126 They never came. Why? Because they wouldn't allow that page to turn, that Baptist page, that apostolic page, that Catholic page. They wouldn't allow Yahweh to reveal more of himself into them.

127 If you're here today, you're a turned page. You're a turned page. But the problem is, will you let it turn again and again? Do you really think the Sabbath day was all.

128 He wanted to write in you? Do you really think what to eat and what not all he wanted to write in you? No. He wanted to reveal himself through you.

129 And this is the ink and the paper through which the story is now read. Somebody here today is in the library and the author. Oh. My God.

130 I just remembered something. Oh wow. Thank you, Lord. I wrote a song when I was about 14 years old.

131 He, this was the course that Jeff never remembered until just he changed the chapters in the story of my life. The ones filled with shame, the ones filled with heartache and strife. He took the pen and he wrote all things right. He changed the chapters in the story of my life.

132 Oh, I didn't realize back. Then he was trying to teach me this message. He's changing the chapter in the story of somebody's life. Hallelujah.

133 Hallelujah. Hallelujah. Every page turns with obedience. Every chapter unfolds in love.

134 You listen to me and listen well. Anything that comes out of you that's not supernatural love is your story. You'll know you've had a new chapter written when you can look your enemy in the face and there's a love. There you cannot expect.

135 That was written into you. Do you understand? That was written into you by the author. Father, okay, the first verse just the story of my life.

136 It's not very hard to tell. I started out a young man lost and destined for hell. But when it came time for the author to read my life, he didn't like the story. So with mercy, he rewrote my life.

137 Amen. Hallelujah. Hallelujah. I recorded that actually when I was 14.

138 That's on that old. But the Lord will always change. He changed the chapters in the story of my life. The ones filled with shame, the ones filled with heartache and strife.

139 My pages were stained with the blackness of sins, dark nights. But when I met the author, he took his blood and with mercy rer. Oh. Yes, he did.

140 Oh. Yes, he did. Hallelujah. Turn with me to Revelation 21:27.

141 I'll try to remember that second verse. Lord, that was 30 years ago. Now. Revelation 21.

142 27. Amen. I will, son. We'll get that one recorded.

143 I wrote that about the time I wrote Dancing in the Rain. About that same. I always wrote songs in the hardest parts of my life. That's why I always wrote my best songs.

144 Verse 27. And there will by no means enter into it. Anything that defiles works abomination, neither a lie, but only those who are written in the books the lamb's book of life. What does that tell me?

145 This says the only purpose of the book of life is for the city. I taught you that last week. And there it is. This is talking about the new Jerusalem.

146 Only those written or shall we say only those who the life of the lamb has been written into will enter that city. Amen. Because if the life of the lamb has been written into you, there's no lie in you. You hate the lie.

147 You love the truth. Oh, listen to that. There will by no means enter into it anything into what? The city of God that defiles nor works abomination, neither a lie.

148 Only those whom the life of the lamb has been written into them will come into the city. Now there will be many that's not written in that book. What about them pastor? Oh, the answer is in verse number 24.

149 They're gonna all be saved. Oh, yes. And the nations of those who are saved will walk in the light of the city. They will be saved, but they love the lie.

150 They were defiled. They weren't Sabbathke keepers. They were not commandment keepers. And the life of the lamb was not written into them.

151 And therefore, the saved people can't enter the city. Do you know that's been in your Bible your whole life? It just told you that the new Jerusalem and saved people are totally different things. Shall we read?

152 Let's read it. Verse 22. This is the 12 gates to the city. And I saw no pagan sanctuary in it.

153 For the house of Yahweh, the body of Messiah was in the city. Only the body of Messiah that has been written. The life of the Messiah has been duplicated in them. Amen.

154 Verse. 23. And the city didn't need the sun. Now, many people read that think there's going to be no sun in heaven.

155 Don't be so foolish. Of course, there'll be a sun, but the city won't need it. Just like the manora in the inner tabernacle, didn't need the sun. Didn't mean the sun wasn't out there, but it was so illuminated by the light of truth.

156 People read that, "Oh, the Bible said there ain't going to be no sun in heaven. Quit being carnal.". How if there ain't going to be no moon and no sun, then how we going to know when tabernacles. Is?

157 Cuz the Bible said during the millennial reign from year to year, from one Sabbath to the next, we would go and then we would celebrate tabernacles. How we going to know when it is if it ain't no sun? Oh, foolish thinking. But the city really don't need the sun.

158 You know why? It don't need a moon. For the glory of Yahweh does lighten it. Oh, okay pastor.

159 That means Yahweh is going to be this great big light. No, the glory of Yahweh. Do you not know? You caught it.

160 Hallelujah. Before I could get it out. Hallelujah. The Bible said the the wife is the glory of her husband.

161 The glory of Yahweh is going to be those who his life has been written into them and they will light up the city of God. Hallelujah. And the lamp of the city is going to now hold on. The lamp is going to be the who?

162 The lamb. Read it. The lamb is going to be the lamp, but it ain't going to be enough. Lamp light from one lamp to light the whole city.

163 The glory of Yahweh, the bride will light the city because the lamb lit the bride. There it is. There it is. The lamb is the lamp.

164 But the wife that's come to the seven. She will light the city of God because this lamp lit her. If from this lamp came forth the light of the world. The light of the world is no longer Yeshua.

165 The light of the world is you. Yahweh gave you the manora to teach you these things. And that's why the new year always starts on a Wednesday, Sunday, Monday, Tuesday. The minority teaches everything.

166 That's why we put it everywhere we can. You can be seated. Why are you here today? Those watching me on Zoom, I'm going to answer a question for you that I've never found the answer to in any book.

167 Why did Yahweh call me and you? I thought about it. I thought about all the people from that viral video that 10 million at least saw that video. Where are the millions that saw me?

168 Why only you? I'd like for you to think about it today. Oh, Rabba, Sister Janice just felt that one back there. I saw it, honey.

169 Why? How did you get here? Oh. My.

170 Because you don't understand your purpose. Let me teach it to you right now. You are at. You are here today to be prepared to reveal the invisible God to a visible world.

171 Hallelujah. You are here to repeat the words of Yeshua. Hallelujah. You are here to tell mankind.

172 It ought to hurt your heart if someone has to ask you to show them God. If they have to say, "Tell me about God.". You have failed. No, it's not that he's all around us.

173 He better be all within us. And when they read your actions, how you're talking to people in this church, how you're talking to people on your job, how you're living your life, you listen to me, you ought to be able to tell anyone, "Wait, you want to see God? Amen. Have.

174 I been so alone with you that I have failed to show you, God? Because my me and my father, we're one. We're the same story. Hallelujah.

175 Amen. The wind. I hope you're not in a hurry today. Little bit louder.

176 Anybody? No. Okay. The rest of you that are, you need to pray through.

177 Oh, I'm not playing. You need to fall in love with truth. Nothing else matters, children. Nothing.

178 We're at the end of time. Even so much the more as you see the day approaching. *
56:47 The wind is invisible. No one here has ever seen wind.

179 But if you'll look at the swaying tree and the fluttering leaves, you'll see the wind. Yahweh is invisible to mankind. He's not invisible. He is invisible to mankind.

180 Okay? His presence is invisible. But just as trees reveal the wind, so do sons reveal the father. When your leaves begin to flutter in the wrong way, they're watching the wind.

181 Brothers and sisters, you hear me and hear me well. Your purpose on earth is to bring an invisible God into an invisible world. To take a story that the world's never heard and they see it in you. That's your purpose here on earth and in this ministry.

182 That's why we don't put up with one second of gossip around here. I'll crawl anybody. I have no friends when it comes to that. If I hear one thing, we're coming on you.

183 Why? We're not here to play. That's right. We're trying to reveal to an invisible world what a good God looks like.

184 What his love looks like. Oh. Oh. When we can love the unlovable, help the unhelpable, forgive the unforgivable, restore the unrestorable.

185 That's the story of God. Hallelujah. Hallelujah. No man has ever seen God because he has no physical form in the earth.

186 He does have physical form, but not in the eyes of men. So the mystery of Yahweh can only be revealed through a medium. Whether that medium is the Mazereth, whether that medium is Torah, let me give you an example, pastor. How do we know the character of Yahweh?

187 Well, go to Torah and you're going to find his love for justice. Amen. If you steal from your brother, double it back. That's restoration.

188 The more you study Torah, you're going to find. He hates vow breaking. He hates lies, loves truth. See, but how would we know that about Yahweh without this medium called Torah?

189 Whenever he said, "If you see your neighbor on the Sabbath day and their ox has fallen in the ditch, don't worry about it being the Sabbath day. Help a brother.". We only know that about God through the Torah. How else do we know it?

190 He's invisible to us. How do we know it? Only through the medium. Well, one day that Torah turned into flesh.

191 And now if you want to know about God, you just look to Jesus and you'll find out. When they were crucifying him, the life of Yahweh had been written into the lamb. When he said, "Forgive them. They don't know what they're doing.

192 You were not seeing Jesus at that point. You were seeing the life of your father written in Jesus. But there's a problem now. Yesua ain't here no more.

193 Hallelujah. When you've seen me, you have seen the father. Oh, hallelujah. Let it be so, oh Yahweh.

194 Humanity serves as the link between the invisible God and the visible world. I saw Yahweh for many years. I saw Yahweh in my own family. I watched Bishop Kendrick for many years.

195 There was a young man that was in trouble in places. And I would watch Yahweh. Go wherever that boy was. Hallelujah.

196 Hallelujah. Never giving up hope. Never giving up. Yahweh was written.

197 His life was written into that human vessel. When I came here, everyone tried to turn him against me. But he never gave up. He never ever cast me aside.

198 He never Why Yahweh was working in a human vessel, his will being done on earth. In a man, I saw the father when I saw the man. The life of Yahweh has to be written and something besides a Bible because your co-workers don't read the Bible. Your co-workers don't know the Bible, but they know you.

199 And they've seen the times at work when you got cheated out of hours or you were done wrong. They know it that people ain't dumb. They saw how you responded when you've seen me coworker. The Apostle Paul said, "Why do you bring your brother to court?"

200 Why not just take the wrong? Hallelujah. People scare me. That's always talking about suing somebody.

201 Them people scare me. We've got one or two in this ministry. They scare me when they walk on my land. They scare me when they walk in this sanctuary.

202 Why? Because it ain't in them to. Take the wrong. Do you know I don't even know how to sue anybody?

203 I've never even checked it out. Do you know people have told me, "You need to find out who them people are.". People don't understand. I honestly don't care.

204 Why does people not get that? Why is that hard for people to comprehend? I'll tell you why. It's unnatural.

205 There is nobody in this world. * 01:05:12 I want to get back. Nobody. None.

206 None. Why? There's a life being written in me. That's not my own.

207 And and and and if I and if I want them to see him, I've got to move out of the way. Cut my head off and let his life come forth. Somebody said, "Right is right and wrong is wrong.". That's right.

208 And the God I serve settles all scores. Hallelujah. Right way. I want justice.

209 Then all you need is God. He's the God of justice. Justice is coming. I promise you.

210 You have to have faith in that. And you have to say, "Father, I truly don't know how I'm doing this, but I truly forgive. I know I shouldn't be, and I'll be honest, don't know how I'm doing this. But I am because you're writing a story in me.

211 Hallelujah. Hallelujah. You forgave Israel after all the adultery she committed on you. I've known married couples that had a Bible right to divorce each other, but they didn't take their right.

212 They allowed him to write forgiveness in their heart. It's supernatural. It's the life of the lamb. And it's being written in a book made up of many, many, many chapters.

213 I call on you tonight to become a recipient of the life of the lamb. I call on those watching me on Zoom out in the national church, the ones that I can't keep my eyes on like. I do here locally. I call on you to test every spirit to see if that's the life of the lamb.

214 Is this what my father would do? Is this what his son would do? Then why am I doing it? Yesua perfectly displayed God's character.

215 I want to say this. Yesua, the Bible said, came out from God. And that confuses a lot of people. That's why they believe in pre-existence.

216 But I want to read to you in Hebrews. 10:7. I know the hour's growing late. I'm trying my best to bring this to a close.

217 Hebrews 10:7. Amen. Then I said, "Behold, I have come in the volume of the book. It is written of me to do your will, oh Yahweh.".

218 Let's read it without the parentheses. Then I said, "Behold, I have come to do your will, oh Yahweh.". He's telling you where he came from. When it says he came from God, if you'll read right here, he's telling you what that means.

219 I came from the volume of the book of God. In that book, it was written of me. I didn't come out of Yah per se. I came out of the book.

220 He wrote the debar plan that was in his mind. He wrote a book before he wrote a book. Hallelujah. The book I'm about to release, what happens to the dead?

221 Resurrecting the resurrection. That book was already written before it was written. Amen. Hallelujah.

222 Hallelujah. It was already in the volume of the book before the book was published. Yesua said, "I came from a book that was already written.". It was God's book.

223 Therefore, I came from God. Come. On. Why?

224 Why? Because if it's God's book and I'm in the book, where else could I have come from? Good God from Zion help me today. A playwright, you know what a playwright is?

225 He writes a detailed script before the play is ever performed. Every character has a name. Now you know why Yahweh said, "I knew your name.". And after he writes the characters, he writes the dialogue.

226 Then the plot is written. You see, when Yahweh was alone with his thoughts, he and he alone, he wrote a book. Oh, I feel that flying man going through the pit of my stomach. Right now.

227 Hallelujah. Yeah. Woo. The mysteries are being revealed to us today.

228 Oh, I came from a book. That's right. I was a character in a written story. A virgin in the Nazareth held in her hand the seed.

229 I came from a book. I know when Revelation's coming. And then the plot is written. Yes.

230 Oh, the plot is written. And then one day the curtains are pulled up. And watch this now. And the script becomes flesh.

231 At one time, little Toto on the Wizard of Oz was a dog in somebody's mind. Yes, sir. Hallelujah. But in the fullness of time, little Toto became flesh.

232 Hallelujah. And walked among us. He was all part of the play. He was written in the book.

233 But beloved, I read another scripture that I won't go to, but you can find it. He said, "Those that I did forno, I did predestined to become characters. In the story, the sons of God manifested in the flesh. I saw you.".

234 Turn to your neighbor and say, "It's all just a play. Hallelujah. And I'm a character. Now people, now you may be seated.

235 Now people go to John 8:42. And here's what they read. John 8 and 42. Here's what they read.

236 Yesua said to them, "If Yahweh was your father, you'd love me. For I came from Yahweh. I came not of myself, but he has sent me. People read that.

237 Trinitarians love that one because why? See, it says right. There, he came from God. He was there in the beginning with God.

238 Let's find out. Pull that up on your screen. Let's find out. I tell you what, I don't have time.

239 You can do it later because I'm out of time. That takes too long. * 01:14:45 John 8:42. There's a Greek word for came from God.

240 It's the Greek word exceri. And here's what it means literally to come from within. Yesua tells them where he originated from. From within the father.

241 Here's what he said. If you loved the author of this play, you would love the characters that he wrote about in the book because I came from the book. I came from the play. Hallelujah.

242 How can you say you love the author of The Wizard of Oz, but you hate the Wizard of Oz? I came from within. That man's last name was Bomb. I believe he said, "I came from within."

243 Bomb. Amen. Frank Bomb. Frank Bomb created the strawberry barrier, the straw man, right?

244 Amen. And the straw man was within Frank Bomb. Amen. And one day, Frank Bomb wrote down in the mazeroth about a strawberry man.

245 Hallelujah. And then one day it jumped from here to there to here. And one day there was a real strawberry man. It was written in the book.

246 But I'd like to go one step further if I may. Psalms. 139 and verse. 16.

247 Oh, I'm thankful for Jesus. And I'm so glad he was in the book. And I'm so glad he was in the story. But I'm fixing to read to you another character by the name of David.

248 Psalms 139:16. If you're there, shout amen. Amen. In your book, all my members were written when as yet there were no members in my body.

249 You wrote it down in your book. I came from God because I came from the book. Thank you, Father. Think about it.

250 How's a little boy on the back side of a desert become king? It was in the story. It was in the story. Oh, he told Samuel, "Go down to this house.

251 Cuz I wrote that boy into the story." Oh, somebody was watching YouTube one day. Uh, and a voice came through. Uh, Yahweh had written that story that you would hear this message.

252 Uh, you would hear this voice. Uh, you would leave Babylon. You were in the book. Turn with me to Jeremiah 1.

253 And5. That's brother Terl's version of Jeremiah. Brother Terrell said, "Turn to Jeremiah". Ain't Peggy said, "Turn to Isaiah".

254 Oh, I grew up in the country, honey. Hallelujah. Jeremiah 1. And5 read it.

255 Before I formed you in the womb, I knew you before you was born. I sanctified you and I made you a prophet to the nations. Before your mama ever went on a date with your daddy, you was in my book. You were in my book.

256 Hallelujah. Now you're being prepared for part of the story. What is the story? It's the story no one ever told you.

257 that you're a prince in a royal family. No one ever told you that you didn't have to eat with the pigs. The reason you're in this ministry. Now, the Holy Ghost has quickened you to become part of himself.

258 Yes, sir. To bring the revelation of God into the earth. And right now your life is in training for that royal position that was written for you. It was written for you.

259 I want you to know something. Hallelujah. Queen Elizabeth had no choice in her life. Her story was pre-written.

260 I want you to hear me now. The minute their mom and daddy went together and made a baby, that child was part of a royal family. She didn't have a life of her own. She was born to be ready to rule.

261 She was begotten to be ready to rule. The minute she came out, she was handed over to governance and governnenses that would take her as I've done you and teach her royalty. Why? Her story was written when the monarchy began a thousand years earlier.

262 There you can abdicate and then that's what so many here have done. You can abdicate, but if you'll stay with the story line, you can rule. Hallelujah. Hallelujah.

263 Some of you forgetting to stay with the story line. Oh, I feel the Holy Ghost. You were born for royalty. This ministry is called to train you.

264 You were not sent here for happiness. You were called to holiness. You're not at first harvest looking for a church. A church was looking for you.

265 Hallelujah. I want to explain something before we go. The old covenant was the law written in stone. You could take, watch this, watch this.

266 The old covenant was this law written in stone. I could lift this up and say to you, here is the covenant of our God. There it is. But something happened in the New Testament where this covenant was smashed all down and dropped into your head by the Holy Ghost.

267 If you receive the Holy Ghost, you receive the commandments. That's why I don't believe speaking in tongues is proof that you got nothing. This is the Holy Ghost. This is the Holy Ghost.

268 That's the That's the Holy Ghost. The Bible never said, "I'll make a new covenant, and if you go to speak it in tongues, then I know.". He said, "I'm going to write my law in your mind.". That's how you'll know you got it.

269 You know how many tongue talkers I know ain't got no commandments in their mind? Don't listen. I speak in tongues as much as anybody, but baby, it don't prove nothing to me. Walk in that walk of holiness is the proof that you've got the Holy Ghost.

270 I'm not looking for no temporary evidence. I'm looking for an enduring evidence. The law of God written in my mind. Obedience on every part of my life.

271 Do you know the only people that won't listen to me about the Sabbath. Day? Tongue talking Holy Ghost people. Houston, we got a problem.

272 If you ain't got sense enough, if the Bible said when I send the Holy Ghost, I think I'm going to preach another hour cuz. I just landed somewhere. He said when the Holy Ghost comes, he will take you by the hand and lead you into all truth. But because you over there speaking in tongues so much, you don't think nobody can teach you truth.

273 So I wonder what deception looks like. Oh. Yes. Some of my fiercest enemies is Holy Ghost filled people.

274 And all I'm doing over here teaching people to obey the commandments of God. That's all we're doing around here. People say what they want to. We're teaching people obey the commandments of God.

275 Be a Sabbathke keeper. Keep the holy days. Walk in holiness. That is the Holy Ghost.

276 Oh. Yes. I'm like Paul. I speak in tongues more than anybody here.

277 Yes, sir. But I remember when I wasn't walking right with God, I could still speak in tongues. You better be careful. Deception with signs.

278 Oh, no. Ain't nobody against speaking in tonesues. You can read read this however you want to. This church talks in tongues.

279 And I believe when you come to the altar and if you seek for the gift of the Holy Ghost, you'll get them. But don't you ever leave here thinking because you got a little dab of tongue talking that you got the Holy Ghost. You'll know in a few weeks if you got it. Oh yeah.

280 You'll walk in holiness, obedience. You'll let Yahweh teach you his word. You'll crave it more than you do anything. Brothers and sisters, Yahweh is calling us today to say, you know, if I can hold these up and say there's the covenant.

281 If that covenant has been written in my book, then you ought to be able to point to us and say, "There's the covenant. You can do it with this. This is the covenant. But what if there were none of these?"

282 And he wrote them in here. You ought to be able to lift me up and say, "That's a covenant man. That's a covenant people.". Why?

283 Because it's written in our book. Let me show you. Be seated cuz. I want to preach some more.

284 Well, people stand too long. * 01:27:58 They think you're fixing the clothes. Y'all see this? Let me tell you what these are.

285 This is a a road map. I don't know about you, but when we got GPS's, I quit needing road maps. Hallelujah. When you got the Holy Ghost, you got a GPS, honey.

286 You understand? It's no longer something. You got to look at every now and then. It's looking at you.

287 24/7. It is inside of you. Hallelujah. I'm almost to the point where if I have to remind anybody to go to the Sabbath or the feast days, I'm convinced they don't have a GPS.

288 I'm just convinced. Cuz the GPS I got in my car, you be trying to get it to shut up. It won't shut up. It says, "Turn here.

289 Turn. Here. Turn here. Turn here."

290 If you got the Holy Ghost GPS, it won't shut up. I'm about to close. The covenant has been transferred from the stones to the sons. A composer writes a symphony on paper.

291 Come on now. A composer will write a symphony on paper. He's got every note written. All of the little dood dots, everything's written on this musical composition.

292 And you look at it, it's nice. He's got every dot, every tit you look at it. Oh, that's nice. That's a nice song.

293 But one day the composer takes what's written, internalizes it and plays an instrument and suddenly what was written is now understood. I want you to hear me. This is Yahweh symphony. And it does nobody any good.

294 I wrote a song the other day. I put it in the chat group with the lyrics. Nobody was really blessed by it. You know why?

295 They're waiting for me to sing. It. Yeah. See, when it begins to come out of my vap in my voice, suddenly.

296 What was a dead letter becomes a living experience. God wants to turn his covenant into a living people read and experienced by all men. You listen to me. Your Bible, your little book of Yahweh.

297 You're so proud of. It's dead. You can hold it in the right hand and refuse to help your brother with your left hand and you have not affected people with your music. Amen.

298 You can get in everybody's lucky charms and tell them what they can and cannot eat, but you don't know. We heard what you were saying about us a few days earlier. So, you have no music that we care to listen to. That's right, See the song I wrote.

299 Look at it. Yes, sir. Beautiful. Well, not really.

300 This is not read it. I am. I don't understand it though. Read it.

301 Ain't this Bible something else? Come on. I tell you what, don't worry about reading it. Hold on.

302 Hit me. The key of C. I'll begin to sing that Bible to you. Oh.

303 Yes. I'll affect you and I'll let you read me by the music I'm producing out of me. Gsharp. Let's all stand.

304 My head on people. The world will know ahead and people. God's glory will show. Put that on the screen if you will.

305 The song ahead people. They've waited until the end of days to be revealed. My head and people this world will. Know ahead and people.

306 God's glory will show our head people. They've waited until the end of days. The end of days to be revealed. My head I fall.

307 This world will know ahead and people ahead and people. God's glory will show ahead and people. They've waited until the end of days to be revealed. Where in the shadows the bride is hidden unto this garden.

308 Her groom has bidden. God knows her name or her mystery. But soon the nations, her beauty will see. I'd like to sing that verse again.

309 There in the shadows the bride is hidden. Church is not dismissed unto this garden. Her groom has bidden. God knows her name nor her mystery.

310 But soon the nations, her beauty will sing. Sing it with me tonight. A hidden ahead. I people this world shall know.

311 Oh yes. Ahead and people. God's glory will show ahead at people. They've waited.

312 Until the end of days to be revealed, no longer hidden. The bride of Christ will shine adorned in majesty. Thy love divine. The nations will see what heaven has sealed.

313 The bride of the lamb. Oh. Yes. In glory reign.

314 Sister von my voice is going. Sing that second verse for me. No longer hidden. The bride of Christ will shine adorned in majesty.

315 Oh. Yes. By love divine. The nations will see.

316 The nations will see what heaven has sealed. What heaven has seen. The bride. The bride of the lamb in glory revealed.

317 Sing it, children. We're talking about you, the hidden people. The world will know that you, our head people. God's glory will show.

318 My head people they've waited until the end of days to be revealed softly. I want to hear your voices now. A heady people the world shall know the world. Oh, that's beautiful.

319 A hidden people. God's glory. A hidden people. They've waited until the end of days to be revealed.

320 Ahead before the world shall know ahead and people. God's glory will show our head and people. They've waited until the end of days to be revealed. Hallelujah.

321 Let's praise him. Hallelujah. Summary for: <https://youtu.be/zzv3yj9vFf8> by Noiz — YouTube Transcriber
