📄 PRIVACY POLICY

VardiyaMesai

Last updated: January 2026

VardiyaMesai (“the App”) is a mobile application designed to help users track work shifts, overtime, and estimated earnings. We value your privacy and are committed to being transparent about how data is handled.

---

1. Information We Collect

The App itself **does not collect or store any personal information**, such as name, email address, phone number, or account credentials.

However, the App uses **Google AdMob**, a third-party advertising service, to display advertisements.

Advertising Data

Google AdMob may collect:

- **Device identifiers** (such as the Advertising Identifier / IDFA)
- **Approximate device information** for advertising and ad performance measurement

This data is collected **by Google AdMob**, not by the App developer.

---

2. How Information Is Used

Data collected by Google AdMob may be used for:

- Displaying advertisements
- Measuring advertising performance
- Preventing fraud and abuse

The App developer does **not** use this data for:

- User profiling
- Analytics
- Marketing communications
- Personal identification

---

3. Data Sharing

The App does **not share any personal data** directly.

Advertising data may be processed by Google in accordance with Google's privacy policies: https://policies.google.com/privacy

---

4. Data Retention

The App does not store user data on its own servers.

Any data collected by Google AdMob is retained according to Google's data retention policies.

---

5. Children's Privacy

The App is **not specifically designed for children**, but it does not contain inappropriate content.

The App does not knowingly collect personal data from children.

---

6. User Rights

Since the App does not collect or store personal user data directly, there is no user account or personal data to access, modify, or delete within the App.

Users can manage advertising preferences through their device settings.

---

7. Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. Any changes will be reflected on this page.

---

8. Contact Information

If you have any questions about this Privacy Policy, you can contact us at:
