General Commission TOS & Info

1. You are not allowed to use my artwork for profit.
2. You are not allowed to trace, copy, or steal my artwork.
3. Once you've decided you'd like to commission me, please have the required funds ready as well as a SFW reference sheet or detailed and organized description of your character.
4. I give commissioners three days to pay after I send an invoice on PayPal.
5. Please do not push me. I try my best to be efficient with working on commissions and I dedicate time each day to get them done. Remember, your commission may not be the only art piece I'm working on.
6. I ask that you check your inbox wherever we're communicating, because I may ask questions about your commission.
7. I will send you a sketch WIP and finished lines WIP if you would like.
8. I do not accept refunds.
9. I only accept PayPal at this time.
10. I have the right to turn down a commission if I see fit.
11. Turnaround times vary depending on what type of commissions I open. I will update you if there is a reason why I cannot finish your commission within that time. Commissions will never take more than 4 weeks to complete as of right now.
12. I only begin working on a commission once payment has been sent.

Traditional Specific TOS & Info

1. I am not responsible for what happens to your commission in the mail. I make sure your commission is in good condition before sending it out.
2. I only send traditional art to those within the US as of this time. This will be changed soon.
3. All badges come hole punched with a clip.

4. Shipping is included in the commission price.
5. All information given in the General Commission TOS & Info area applies to both traditional and digital commissions.
