

Dear [\[Parents/Guardians\]](#),

We know our students are amazing, so we're giving them the opportunity to showcase and celebrate their talents in the world-renowned ICAS competitions this year.

What is ICAS?

ICAS is an online academic competition that gives students the opportunity to challenge their higher order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee, and Digital Technologies.

Every student who participates is celebrated and recognised with a printed certificate in each subject area, and an online results report to track development each year. Top performers are eligible for one of the highly coveted ICAS medals.
