AI Standard Disclosure Template: The authors confirm that Generative AI/LLM tools [specify model, e.g., GPT-4] were utilized during the preparation of this manuscript. These tools were used strictly as an equitable linguistic intervention to translate, polish, and refine the authors' original reasoning, data, and self-authored prose into standard academic English. The core concepts, methodology, and intellectual conclusions are entirely the original work of the authors, who maintain full accountability for the integrity of the content. [Modify as applicable]
