Website Accessibility

Cheraw School District is committed to providing equitable access to our web content for individuals with disabilities in accordance with Section 504 of the Rehabilitation Act.

Section 504 requires us to ensure that persons with disabilities seeking information or services from us have access to and use of information and data that is comparable to the access and use by persons who are not individuals with disabilities unless an undue burden would be imposed on us. To meet this commitment, we are consistently auditing our web pages to meet or exceed the Section 504 standards.

If you have feedback or concerns about the accessibility of our web pages or material contained with them, please contact the district office at 719-853-6655 or email matthew.sndyer@cheraw.k12.co.us.
