

## **Bedford Public School District Library Mission Statement**

Bedford Public School Libraries strengthen and enhance the teaching, research, and service of the Bedford Public School District. The Libraries promote intellectual growth and creativity by developing collections, facilitating access to information resources, teaching the effective use of information resources and critical evaluation skills, and offering research assistance.

## **Bedford Public School District Library Vision Statement**

Bedford Public School Libraries view learning and discovery as essential to our schools. We develop, organize, provide access to, and preserve materials to meet the needs of our students. We explore and implement innovative technologies and services in order to deliver information and resources conveniently to our students. We also provide well-equipped and functional physical spaces where students can pursue independent and group learning and discovery. Bedford Public School Libraries support scholarship and research productivity and foster their vitality.
