

### Wax Recommendation:

|                     |                                 |
|---------------------|---------------------------------|
| Event               | Sacagawea Classic               |
| Date, Time          | 12, 9am                         |
| Technique, Distance | Classic, 5km/15km/30km          |
| Location            | Crosscut Mountain Sports Center |

|                            |                                                  |
|----------------------------|--------------------------------------------------|
| Overnight Temperature (F°) | 19f low                                          |
| Day Temperature (F°)       | 25f at race start and warming to 40 by 3pm       |
| Precipitation, Snow Type   | low chance of rain friday, transformed, old snow |
| Wind                       | low/none                                         |

### Glide Wax Recommendation

|               |                |                 |                            |
|---------------|----------------|-----------------|----------------------------|
| <b>Good</b>   | SG Purple      | RG Purple       |                            |
| <b>Better</b> | RG Race Purple | RG Race Purple  | RG Ultra Finish Gel Purple |
| <b>Best</b>   | RG Race Purple | RG Ultra Purple | RG Ultra Finish Gel Purple |

### Kick Wax Recommendation

|               |                                                                        |                    |  |
|---------------|------------------------------------------------------------------------|--------------------|--|
| <b>Base</b>   | Base Klister                                                           | ironed or spray on |  |
| <b>Kick 1</b> | 3-4 layers of synthetic purple, 1-2 layers of bm cover corked lightly. |                    |  |
