To be Completed by the Teacher

Reflection on Student Progress <i>Did your students make adequate progress during the interval of instruction?</i> <i>What percentage of students made adequate progress?</i> <i>*Please include documentation to support growth, along with percentages of students showing growth.</i> Response: Click here to enter text.
Instructional Strategies <i>How has instruction been differentiated based on data? Be specific (identify the strategies and the impact on students).</i> <i>List individual students you are concerned about. What interventions have been used for those students needing more assistance?</i> <i>List individual students exceeding progress, and how are you challenging them?</i> Response: Click here to enter text.
Assessments/Progress Monitoring <i>How and with what instruments have students been assessed to measure their progress towards the learning goal? Include supporting documentation (charts, spreadsheets, work samples, etc).</i> Response: Click here to enter text.

To be Completed by the Evaluation Team

Score	Criteria 1	Criteria 2
Exemplary 4	☐ 90%-100% of students have shown progress.	☐ Educator skillfully used appropriate assessments, continuously monitored progress, and strategically revise instruction in response to ongoing progress monitoring.
Proficient 3	☐ 75%-89% of students have shown progress.	☐ Educator used appropriate assessments, consistently monitored progress, and adjusted instruction in response to progress monitoring.
Needs Improvement 2	☐ 51%-74% of students have shown progress.	☐ Educator used assessments that were not appropriate for the goal, inconsistently monitored progress, and inconsistently or inappropriately adjusted instruction.
Unsatisfactory 1	☐ 0%-50% of students have shown progress.	☐ Educator inconsistently used assessments, failed to monitor progress, failed to adjust instruction based on progress monitoring data.
Criteria 1 Score _____ Criteria 2 Score _____ Total ÷ 2=Overall SLO Score _____
