Player - Parent Contract

I, _____, understand that I am now part of a team and pledge to attend every practice and game with a **positive attitude, work hard, and have fun.** I realize that I now represent something bigger than just myself and family; I represent the NTHS basketball program, the school, and the greater community of North Lake Tahoe and I will do so with the utmost respect and integrity. I am committed to being on time at every practice and game; I understand that my teammates, coaches and the program are counting on me. If I ever have a conflict, I will exhaust all possibilities to try to find a solution. If I cannot come up with a solution, I will be responsible for communicating this personally with my coach as early as possible or at least 24 hours ahead of time. If I am sick or injured, I will still attend practice so I can sit, watch, and continue to learn as a supportive teammate.

I know that it is a privilege to wear a North Tahoe High School jersey and recognize that there are thousands of other kids in the world that would love to have the same opportunity. As I am given this jersey and any other gear from the school, I will take care of it and turn it back in at the end of the season. I understand that if any item is damaged, lost, or stolen I will pay the following price or there will be a hold put on my account and I will not be able to graduate until I return or pay for that item. I look forward to having a fun season and building this culture with my teammates!
