Montagne
https://docs.google.com/document/d/1toREvoh18OMwd59rzRVE2pAoCL4DDJG-
“I want to rebuild my nation, the hope of democracy my people shared before our invasion and vassalization by the evils of Rafe Burfield and his Norton cronies. We want to make another nation that will be accepted and protected by the community.”

The Pirate Republic of Anarcia
https://micronations.wiki/wiki/Republic_of_Anarcia
https://docs.google.com/document/d/1tQvEWMydP-os7RDsOQ96xgtQ0QQtt8fU
"Anarcia has had a place before within the League and is looking to become bigger and better with the support of the lovely people within the league, and the leadership of it. Being a good ally to the Nexan Republic and hoping to stand with the ideals of peace and sovereignty within the LIN, The Pirate Republic of Anarcia determines that a great future can be acted upon with its membership."

Kingdom of Tarsonia
