We Will Not Be Silenced *Janet Wood*

Inspired by Paing Phyo Min, Myanmar, now released from prison

We will not be silenced

We are not ashamed

Words our only weapons

Truth cannot be chained

We may be imprisoned...

But we'll not be deterred...

From speaking our minds...

Our voice will be heard...

We're locked up and shackled...

By the cruel military...

But we love our culture...

And our democracy...
