

## **We Will Not Be Silenced**     *Janet Wood*

Inspired by Paing Phyo Min, Myanmar, now released from prison

**We will not be silenced**

**We are not ashamed**

**Words our only weapons**

**Truth cannot be chained**

We may be imprisoned...

But we'll not be deterred...

From speaking our minds...

Our voice will be heard...

We're locked up and shackled...

By the cruel military...

But we love our culture...

And our democracy...
