About the N4CSGA

What does N4CSGA stand for?

As stated in the Preamble of the North Carolina Comprehensive Community College Student Government Association Constitution: “...in order to promote better student government; to promote better academic achievement; to serve the participating institutions as a common bond, whereby the institutions, in unity, present their common problems and practical solutions; to promote fellowship and the exchange of ideas for the evaluation of wide range of problems and activities; we do ordain and establish this Constitution for the North Carolina Comprehensive Community College Student Government Association.”

Who is the N4CSGA?

The N4CSGA is a student-based and student-run organization. It is made up of three parts, the General Delegation, the Executive Board, and the Advisory Council.

General Delegation

The General Delegation is composed of delegate “students” from each of the 58 community colleges currently registered with the N4CSGA. It is meant to be a networking and brainstorming group. The full General Delegation convenes twice a year, once in the fall at Fall Convention and once in the spring at Spring Conference.

Executive Board

The executive board is the governing body of the N4CSGA. It is made up of nine (9) elected officers and three (3) divisional representatives.

Those nine (9) elected officers are as follows:

- | | |
|-----------------|-------------------------------------|
| President | Public Information Officer |
| Vice President | Local Interactions Committee Chair |
| Secretary | Special Populations Committee Chair |
| Parliamentarian | Campus Activities Committee Chair |
| Treasurer | |

Those three (3) divisional representatives are

the Central Division Representative, Eastern Division Representative, Western Division Representative

The Executive Board meets monthly to conduct the business of the N4CSGA. The duties and responsibilities of each officer are stated in the Constitution and Operational Guidelines.

Advisory Council

The Advisory Council is a group of advisors from different regions and community colleges in North Carolina. This group consists of three (3) professional staff members, chosen through the Advisory Committee, and a representative from the North Carolina Community College System titled the Trustee. The main role of the Advisory Council is to advise the leadership, the Executive Board, of the organization in all decision-making processes. The Senior Advisor oversees and guides the Local Interactions Committee through the issue/project process. The Advisory Committee comprises one advisor from each community college registered with the N4CSGA.

N4CSGA Fall Conference Rules of Order and Procedure for N4CSGA Conference and Business Meetings

Parliamentary Procedures will be used at all business meetings, division meetings, and committee meetings.

Parliamentary Procedure is the set of rules governing the decision-making process of a deliberative assembly. During the N4CSGA Spring Conference, there will be several meetings, including two business meetings, throughout the conference. At each of these meetings, Robert's Rules of Order will apply. Please remember, the chair of each meeting is ultimately in charge of setting and changing certain rules as they deem necessary.

Procedure/Rules at each meeting:

- One speaker speaks at a time
 - *Please go to the mic and be acknowledged or during the committee/division meetings raise your hand and wait to be called on*
- One issue is decided at a time.
- There will be a 30-second time limit per speaker, and a five-minute limit for total debate, before the Chair calls for a vote.
- Each delegation will also **have a three-minute time limit** prior to the vote to come to a consensus.
- A person may speak once on each motion unless called upon by the Chair.
- When opening the discussion, the Chair will call for a con. The con will speak in opposition to the motion; they are followed by a pro speaker who will speak in favor of the motion. The pattern will alternate each time until the five-minute time limit for the total debate is reached. If there is no con at the beginning of the discussion and if there are no more questions, the chair will call for a vote, closing the discussion on that motion.
- The speaker must be respectful. Speaking loudly, clapping, or booing is prohibited.
- Motions must begin with the phrase "I move..."
- Each motion must be properly seconded before the floor can be opened for discussion. The only exceptions are motions already passed by committees. If no one seconds the motion, the motion dies.

- In the interest of time, please have all motion cards filled out prior to the start of the business meeting. Write out each motion completely, using clear and concise wording prior to gaining the floor.
- To speak, go to the microphone and wait to be acknowledged by the chair. After being acknowledged, state your name and school. Next, either make a motion by stating “I move...” or ask a question by stating “Point of Information”
- Direct all comments to the chair.
If your school has to leave the business meeting before they are adjourned, get the attention of the chair before leaving and say, “Point of Privilege.”
- All delegations must have an advisor present. Advisors should be listed on schools' conference registration
- We will use voting cards during the business meeting and division meetings. The SGA Advisor or President of each delegation is in charge of checking them out during check-in and returning them by the end of the final business meeting.
- The cards used will be green = yes/agree, yellow = abstain, and red = no/disagree with the motion

- S**pecific

I move... to use your hand!

Lost during a meeting? Each digit of your hand represents a step in the basic motion process. Start with your thumb as the motion, then use your index finger as the second, then use your middle finger as the discussion, then your ring finger as vote, and finally your pinkie as the resolution. The space in between each digit represents the chair’s role during a motion. Here’s an example of what might be said:

- Motion** Senator obtains and presents a motion stating ... “I move...”

- The Chair The Chair states... “There is a motion on the floor which states...” Then re-reads the motion. “Is there a second?”

- Second** Another senator seconds the motion.

- The Chair The Chair will then re-read the motion... “There is a motion on the floor that states... and have been properly seconded. Is there any discussion?”

- Discussion** During discussion, wait for the chair to acknowledge you. Address the chair during the discussion. Refer to page 15 for more information on discussion.
- The Chair “I now call this motion to a vote. There is a motion on the floor which states...”
- Vote** The Chair will call for those “in favor”, those “opposed”, and any “abstentions”
- Resolution** The Chair will announce the outcome. “The motion passes/fails.”
