Agenda Items:

High School Financials-

- The board approved donating to the Office Fund of Pete Zajac
- This past year, we were successful in many areas of our fundraising efforts. Larger increases were seen in the following areas:
    - Booster Club Sales
    - Sponsorships
    - Card Sales
    - Raffle Tickets

9th Grade Signing Night

- January 8th at the high school. An email will be sent out to all incoming 9th-grade football players.

Coaches

- Coach Piper is looking to send a few coaches to Alabama for training and may also include some youth coaches as well.

Board Member Recruitment

- We currently have four people interested in joining the board for 2026. Scott has already had conversations with a few of them.

Banquet Review

- Overall, it was a great success.
- 200 attended, and we estimated for 300. This caused an excess of food.
- The board would like to look at an off-site venue for future banquets

Open Discussion

- Randy F.- Would like to bring back the Golf event next summer.
- Golf event to be (proposed) hosted at Hastings Golf Club and include a silent auction.
- Looking for a team to help him plan and put on the event.

Southwest Tickets

- The board approved the Coaching Director to nominate 3 youth coaches for the 2 Southwest tickets. The board voted, and Jon Spelman will be awarded the tickets.

Uniforms

- Jenny is working on getting a new sample of a new game jersey for 7th and 8th-grade players. Also, looking at pricing out new pants that are better quality and possibly have a slightly different look to them.

Helmets

- Helmets are being inspected and repaired/reconditioned as needed. Looking to offer 8th-grade players the option to purchase higher level helmet if they would like to.
- Will buy new helmets to replace expired helmets

Spring Clinics

- We need to have dates and times locked in soon. Also will need to pull the appropriate permits as soon as possible.
- Plan to keep at the same location as this past spring

Board Recruitment

- We have multiple interested individuals for both the youth and high school board positions. Elections are next month.

Crossbar Update

- The website is developed, and we are ready to make the transition from Sports Engine to Crossbar. Registration will be done through Crossbar going forward.

5th Quarter Play

- Have a 5th quarter of play for 6-8th-grade teams
- This is for developmental purposes and to provide players with more playing time on both the offensive and defensive sides of the ball.
- Need all cities in our league to agree to this going forward.

Tiger Stadium/Schedule

- Working on trying to allow the youth to play games at the Tiger Stadium
- Next season, we may have to have a weekend game in late August to fit the games in.

Next Board Meeting – No Youth Board Meeting in January. Board elections are in January.
